This Users' Manual is issued as an operational tool.

This Manual contains:

- a) Regulations adopted by the Department of Social Services (DSS) for the governance of its agents, licensees, and/or beneficiaries.
- b) Regulations adopted by other State Departments affecting DSS programs.
- c) Statutes from appropriate Codes which govern DSS programs.
- d) Court decisions; and
- e) Operational standards by which DSS staff will evaluate performance within DSS programs.

Regulations of DSS are printed in gothic type as is this sentence.

Handbook material, which includes reprinted statutory material, other department's regulations and examples, is separated from the regulations by double lines and the phrases "**HANDBOOK BEGINS HERE**", "**HANDBOOK CONTINUES**", and "**HANDBOOK ENDS HERE**" in bold print. Please note that both other departments' regulations and statutes are mandatory, not optional.

Questions relative to this Users' Manual should be directed to your usual program policy office.

**Article 1. Definitions and Forms****87100 GENERAL**

The provisions of Chapter 1, Division 6, shall not apply to the provisions of Chapter 8, Residential Care Facilities for the Elderly (RCFE).

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Section 1569.2, Health and Safety Code.

**87101 DEFINITIONS**

- (a) (1) "Administrator" means the individual designated by the licensee to act in behalf of the licensee in the overall management of the facility. The licensee, if an individual, and the administrator may be one and the same person.
- (2) "Admission Agreement" includes all documents that a resident or resident's representative must sign at the time of, or as a condition of, admission.

---

**HANDBOOK BEGINS HERE**

---

Health and Safety Code section 1569.880 provides:

- (a) For purposes of this section, an "admission agreement" includes all documents that a resident or his or her representative must sign at the time of, or as a condition of, admission to a residential care facility for the elderly licensed under this chapter.
- (b) The admission agreement shall not include any written attachment containing any provision that is prohibited from being included in the admission agreement.

---

**HANDBOOK ENDS HERE**

---

- (3) "Adult" means a person who is eighteen (18) years of age or older.
- (4) "Adult protective services agency" means a county welfare department, as defined in Welfare and Institutions Code section 15610.13.

---

**HANDBOOK BEGINS HERE**

---

Welfare and Institutions Code section 15610.13 provides:

"'Adult protective services agency' means a county welfare department, except persons who do not work directly with elders or dependent adults as part of their official duties, including members of support staff and maintenance staff."

---

**HANDBOOK ENDS HERE**

---

**87101 DEFINITIONS (Continued)**

- (5) "Advance Health Care Directive" means a written instruction that relates to the provision of health care when the individual is incapacitated. Advance directives include, but are not limited to, a Durable Power of Attorney for Health Care, an Individual Health Care Instruction, a Request to Forego Resuscitative Measures, or a Do Not Resuscitate Form. In an advance directive, a person states choices for medical treatment and/or designates who should make treatment choices if the person creating the advance directive should lose decision-making capacity.
  - (6) "Allowable Health Condition" means any health condition that the licensee is allowed to care for either in accordance with a specific regulation, or with an exception approved by the licensing agency. This includes restricted health conditions as specified in Section 87612, Restricted Health Conditions.
  - (7) "Ambulatory Person" means a person who is capable of demonstrating the mental competence and physical ability to leave a building without assistance of any other person or without the use of any mechanical aid in case of an emergency.
  - (8) "Automated External Defibrillator" (AED) means a light-weight, portable device used to administer an electric shock through the chest wall to the heart. Built-in computers assess the patient's heart rhythm, determine whether defibrillation (electrical shock) is needed and then administer the shock. Audible and/or visual prompts guide the user through the process.
  - (9) "Applicant" means any individual, firm, partnership, association, corporation, county, city, public agency or other government entity that has made application for a residential care facility for the elderly license, administrator certificate, or special permit.
  - (10) "Appropriately Skilled Professional" means an individual that has training and is licensed to perform the necessary medical procedures prescribed by a physician. This includes but is not limited to the following: Registered Nurse (RN), Licensed Vocational Nurse (LVN), Physical Therapist (PT), Occupational Therapist (OT) and Respiratory Therapist (RT). These professionals may include, but are not limited to, those persons employed by a home health agency, the resident, or facilities and who are currently licensed in California.
- (b) (1) "Basic Rate" means the SSI/SSP established rate, which does not include that amount allocated for the recipient's personal and incidental needs.
- (2) "Basic Services," as defined in Health and Safety Code section 1569.312, means those services required to be provided by the facility in order to obtain and maintain a license and include, in such combinations as may meet the needs of the residents and be applicable to the type of facility to be operated, the following: safe and healthful living accommodations; personal assistance and care; observation and supervision; planned activities; food service; and arrangements for obtaining incidental medical and dental care.

**87101 DEFINITIONS (Continued)**

---

**HANDBOOK BEGINS HERE**

---

Health and Safety Code section 1569.312 provides:

Every facility required to be licensed under this chapter shall provide at least the following basic services:

- (a) Care and supervision as defined in Section 1569.2.
- (b) Assistance with instrumental activities of daily living in the combinations which meet the needs of residents.
- (c) Helping residents gain access to appropriate supportive services, as defined, in the community.
- (d) Being aware of the resident's general whereabouts, although the resident may travel independently in the community.
- (e) Monitoring the activities of the residents while they are under the supervision of the facility to ensure their general health, safety, and well-being.
- (f) Encouraging the residents to maintain and develop their maximum functional ability through participation in planned activities.

---

**HANDBOOK ENDS HERE**

---

- (3) "Behavioral expression" means behavior or behaviors displayed by a resident that may result in harm to self or others including, but not limited to, unsafe wandering as defined in subsection (u), or elopement as defined in subsection (e), expressions of frustration, disorientation, hallucinations, or lacking in hazard awareness or impulse control. Behavioral expression may be due to boredom, fear, overstimulation, perceived threat, fatigue, physical discomfort, pain, "Major Neurocognitive Disorder (major NCD)" as defined in subsection (m), or other causes including, but not limited to, medication interactions and/or illnesses such as urinary tract infections.
- (c) (1) "California Clearance" means an individual has no felony or misdemeanor convictions reported by the California Department of Justice. However, the individual may have been arrested with no criminal conviction, convicted of a minor traffic offense or adjudicated as a juvenile.
- (2) "Capacity" means that maximum number of persons authorized to be provided services at any one time in any licensed facility.

**This page is intentionally left blank.**

**87101 DEFINITIONS (Continued)**

- (3) "Care and Supervision" means those activities which if provided shall require the facility to be licensed. It involves assistance as needed with activities of daily living and the assumption of varying degrees of responsibility for the safety and well-being of residents. "Care and Supervision" shall include, but not be limited to, any one or more of the following activities provided by a person or facility to meet the needs of the residents:
- (A) Assistance in dressing, grooming, bathing and other personal hygiene;
  - (B) Assistance with taking medication, as specified in Section 87465, Incidental Medical and Dental Care Services;
  - (C) Central storing and distribution of medications, as specified in Section 87465, Incidental Medical and Dental Care Services;
  - (D) Arrangement of and assistance with medical and dental care. This may include transportation, as specified in Section 87465, Incidental Medical and Dental Care Services;
  - (E) Maintenance of house rules for the protection of residents;
  - (F) Supervision of resident schedules and activities;
  - (G) Maintenance and supervision of resident monies or property;
  - (H) Monitoring food intake or special diets.
- (4) "Certificate holder" means a person who has a current administrator's certificate issued by the Department regardless of whether the person is employed as an administrator in a residential care facility for the elderly.
- (5) "Certified administrator" means an administrator who has been issued a residential care facility for the elderly administrator certificate by the Department and whose certificate is current.
- (6) "Classroom Hour" means fifty (50) to sixty (60) minutes of classroom instruction within a 60-minute period. No credit is given for meal breaks.
- (7) "Classroom setting" means a setting, conducive to learning and free from distractions, for which the primary purpose is education, instruction, training, or conference. Participants must be able to simultaneously interact with each other as well as with the instructor.
- (8) "Close friend" means a person who is attached to another by feelings of personal regard as indicated by both parties involved.

**87101 DEFINITIONS (Continued)**

- (9) "Co-locate" means that a vendor applicant is approved for more than one program type, i.e., ARF, RCFE, GH, and has received approval to teach specific continuing education courses at the same time and at the same location. Co-location is allowed for Continuing Education Training Program vendors only.
- (10) "Community Care Facility" means any facility, place or building providing nonmedical care and supervision, as defined in Section 87101(c)(3).
- (11) "Complete request" means the vendor applicant has submitted, and the Department has received, all required information and materials necessary to approve or deny the request for certification program and/or course approval.
- (12) "Conservator" means a person appointed by the Superior Court pursuant to Probate Code section 1800 et. seq. or Welfare and Institutions Code section 5350, to care for the person, or estate, or person and estate, of an adult.
- (13) "Consultant" means a person professionally qualified by training and experience to provide expert information on a particular subject.
- (14) "Continuing Care Contract" is defined in Health and Safety Code section 1771(c)(8).

---

---

**HANDBOOK BEGINS HERE**

Health and Safety Code section 1771(c)(8) provides:

"'Continuing care contract' means a contract that includes a continuing care promise made, in exchange for an entrance fee, the payment of periodic charges, or both types of payments. A continuing care contract may consist of one agreement or a series of agreements and other writings incorporated by reference."

---

---

**HANDBOOK ENDS HERE**

- (15) "Continuing Education Training Program Vendor" means a vendor approved by the Department to provide continuing education training courses to residential care facility for the elderly administrators and certificate holders to qualify them for renewal of their residential care facility for the elderly administrator certificate.

**87101 DEFINITIONS (Continued)**

- (16) "Control of Property" means the right to enter, occupy, and maintain the operation of the facility property within regulatory requirements. Evidence of control of property shall include, but is not limited to, the following:
- (A) A Grant Deed showing ownership; or
  - (B) The Lease Agreement or Rental Agreement; or
  - (C) A court order or similar document which shows the authority to control the property pending outcome of probate proceeding or estate settlement.
- (17) "Conviction" means:
- (A) A criminal conviction in California; or
  - (B) Any criminal conviction of another state, federal, military or other jurisdiction, which if committed or attempted in California, would have been punishable as a crime in California.
- (18) "Course" means either, (1) a quarter- or semester-long structured sequence of classroom instruction covering a specific subject, or (2) a one-time seminar, workshop, or lecture of varying duration.
- (19) "Criminal Record Clearance" means an individual has a California clearance and a FBI clearance.
- (d) (1) "Day" means calendar day unless otherwise specified.
- (2) "Deficiency" means any failure to comply with any provision of the Residential Care Facilities Act for the Elderly and regulations adopted by the Department pursuant to the Act.
- (3) "Delayed Egress Device" means a special egress-control device of the time delay type as specified in Health and Safety Code section 1569.699(a).

**87101 DEFINITIONS (Continued)**

---

---

**HANDBOOK BEGINS HERE**

---

---

Health and Safety Code section 1569.699(a) provides:

"When approved by the person responsible for enforcement as described in Section 13146, exit doors in facilities classified as Group R, Division 2 facilities under the California Building Standards Code, licensed as residential care facilities for the elderly, and housing clients with Alzheimer's disease or dementia, may be equipped with approved listed special egress-control devices of the time-delay type, provided the building is protected throughout by an approved automatic sprinkler system and an approved automatic smoke-detection system. The devices shall conform to all of the following requirements:

- (1) Automatic deactivation of the egress-control device upon activation of either the sprinkler system or the detection system.
- (2) Automatic deactivation of the egress-control device upon loss of electrical power to any one of the following: The egress-control device; the smoke-detection system; exit illumination as required by Section 1012 of the California Building Code.
- (3) Be capable of being deactivated by a signal from a switch located in an approved location.
- (4) Initiate an irreversible process that will deactivate the egress-control device whenever a manual force of not more than 15 pounds (66.72N) is applied for two seconds to the panic bar or other door-latching hardware. The egress-control device shall deactivate within an approved time period not to exceed a total of 15 seconds, except that the person responsible for enforcement as described in Section 13146 may approve a delay not to exceed 30 seconds in residential care facilities for the elderly serving patients with Alzheimer's disease. The time delay established for each egress-control device shall not be field adjustable.
- (5) Actuation of the panic bar or other door-latching hardware shall activate an audible signal at the door.
- (6) The unlatching shall not require more than one operation.

**HANDBOOK ENDS HERE**

- (4) "Dementia" means an overall term for diseases and conditions characterized by a progressive decline in memory, language, problem-solving, and other thinking skills that are severe enough to interfere with a person's ability to perform activities of daily life. Dementia is a general term referring to "Major Neurocognitive Disorder (major NCD)" as defined in subsection (m).
- (5) "Department" is defined in Health and Safety Code section 1569.2(c).

---

---

**HANDBOOK BEGINS HERE**

Health and Safety Code section 1569.2(c) provides:

"'Department' means the State Department of Social Services."

---

---

**HANDBOOK ENDS HERE**

- (6) "Dietitian" means a person who is eligible for registration by the American Dietetic Association.
- (7) "Direct care staff" means the licensee, or those individuals employed by the licensee, who provide direct care to the residents, including, but not limited to, assistance with activities of daily living.
- (8) "Director" is defined in Health and Safety Code section 1569.2(d).

**87101 DEFINITIONS (Continued)**

---

---

**HANDBOOK BEGINS HERE**

Health and Safety Code section 1569.2(d) provides:

"'Director' means the Director of the State Department of Social Services."

---

---

**HANDBOOK ENDS HERE**

- (9) "Do-Not-Resuscitate (DNR) Form" means the pre-hospital do-not-resuscitate forms developed by the California Emergency Medical Services Authority and by other local emergency medical services agencies. These forms, when properly completed by a resident or (in certain instances) a resident's Health Care Surrogate Decision Maker, and by a physician, alert pre-hospital emergency medical services personnel to the resident's wish to forego resuscitative measures in the event of the resident's cardiac or respiratory arrest.
- (10) "Documentation" means written supportive information including but not limited to the Licensing Report (Form LIC 809).
- (e) (1) "Egress Alert Device" means a wrist band or other device which may be worn by a resident or carried on a resident's person, which triggers a visual or auditory alarm when the resident leaves the facility building or grounds.
- (2) "Elderly Person" means, for purposes of admission into a residential care facility for the elderly, a person who is sixty (60) years of age or older.
- (3) "Elopement" occurs when a resident who is at risk of harm due to their cognitive condition leaves the facility unsupervised, or while in the licensee's care, leaves another safe location unsupervised.
- (4) "Emergency Approval to Operate" (EAO) means a temporary approval to operate a facility for no more than 60 days pending the issuance or denial of a license by the licensing agency.
- (5) "Evaluator" means any person who is a duly authorized officer, employee or agent of the Department including any officer, employee or agent of a county or other public agency authorized by contract to license community care facilities.
- (6) "Evidence of Licensee's Death" shall include, but is not limited to, a copy of the death certificate, obituary notice, certification of death from the decedent's mortuary, or a letter from the attending physician or coroner's office verifying the death of the licensee.
- (7) "Exception" means a variance to a specific regulation based on the unique needs or circumstances of a specific resident or staff person. Requests for exceptions are made to the licensing agency by an applicant or licensee. They may be granted for a particular facility, resident or staff person, but cannot be transferred or applied to other individuals.

**87101 DEFINITIONS (Continued)**

- (8) "Existing Facility" means any facility operating under a valid license on the date of application for a new license.
- (f) (1) "Facility Hospice Care Waiver" means a waiver from the limitation on retention of residents who require more care and supervision than other residents and residents who are bedridden other than for a temporary illness. The Hospice Care Waiver granted by the Department will permit the retention in a facility of a designated maximum number of terminally ill residents who are receiving hospice services from a hospice agency. The Facility Hospice Care Waiver will apply only to those residents who are receiving hospice care in compliance with a hospice care plan meeting the requirements of Section 87633, Hospice Care for Terminally Ill Residents.
- (2) "Federal Bureau of Investigation (FBI) Clearance" means an individual has no felony or misdemeanor convictions reported by the FBI. The individual may also have been arrested with no criminal conviction, convicted of a minor traffic offense or adjudicated as a juvenile.
- (g) (1) "Gender Expression" means a person's appearance and behavior, whether or not these are stereotypically associated with the person's sex assigned at birth.
- (2) "Gender Identity" means a person's stated identification with a sex, regardless of whether the stated sex is consistent with the person's physical appearance, surgical history, genitalia, legal sex, sex assigned at birth, or name and sex, as they appear in medical records, and regardless of any statement by any other person, including a family member, conservator, or legal representative, that is contrary. A person who lacks the ability to communicate gender identity retains the gender identity most recently expressed by that person.
- (3) "Gender-Nonconforming" means a person whose gender expression does not conform to stereotypical expectations of how a man or woman should appear or behave.
- (4) "Guardian" means a person appointed by the Superior Court pursuant to Probate Code section 1500 et seq. to care for the person, or person and estate, of a child.
- (h) (1) "Healing wounds" include cuts, stage one and two pressure injuries and incisions with the affected area returning to its normal state. They may involve breaking or laceration of the skin and usually damage to the underlying tissues.
- (2) "Health Care Provider" means those persons described in Probate Code section 4621: "an individual licensed, certified, or otherwise authorized or permitted by the law of this state to provide health care in the ordinary course of business or practice of a profession."
- (3) "Health Care Surrogate Decision Maker" means an individual who participates in health care decision making on behalf of an incapacitated resident. Health care surrogate decision maker may be formally appointed (e.g., by the resident in a Durable Power of Attorney for Health Care or by a court in a conservatorship proceeding) or, in the absence of a formal appointment, may be recognized by virtue of a relationship with the resident (e.g., the resident's next of kin). The licensee or any staff member of the facility shall not be appointed health care surrogate decision maker.

**87101 DEFINITIONS (Continued)**

- (4) "Health Condition Relocation Order" means written notice by the Department to a licensee requiring the relocation of a resident from a residential care facility for the elderly because the resident has a health condition which cannot be cared for within the limits of the license, requires inpatient care in a health facility or has a prohibited health condition as specified in Section 87615, Prohibited Health Conditions.
- (5) "Home Economist" means a person who holds a baccalaureate or higher degree in home economics and who specialized in either food and nutrition or dietetics.
- (6) "Hospice or Hospice Agency" means an entity which provides hospice services to terminally ill persons, is Medicare certified for hospice, and holds either a Hospice license or a Home Health Agency license from the California Department of Public Health. Any organizations, appropriately skilled professionals, or other professional persons or entities that are subcontracted by the hospice or hospice agency for the provision of specified hospice services to the resident are included within the definition. The hospice agency providing services in an RCFE shall not subcontract with the licensee or any facility staff for the provision of services.
- (7) "Hospice Care Plan" means the hospice agency's written plan of care for a terminally ill resident. The hospice shall retain overall responsibility for the development and maintenance of the plan and quality of hospice services delivered.
- (i) (1) "Immediate Need" means a situation where prohibiting the operation of the facility would be detrimental to a resident's physical health, mental health, safety, or welfare. Examples of immediate need include but are not limited to:
  - (A) A change in facility location when residents are in need of services from the same operator at the new location;
  - (B) A change of facility ownership when residents are in need of services from the new operator.
- (2) "Initial Certification Training Program Vendor" means a vendor approved by the Department to provide the initial eighty (80) hour certification training program to persons who do not possess a valid residential care facility for the elderly administrator certificate.
- (3) "Instruction" means to furnish an individual with knowledge or to teach, give orders, or direction of a process or procedure.
- (4) "Interdisciplinary Team" means a team that shall assist the Department in evaluating the need for relocating a resident of a residential care facility for the elderly when the resident has requested a review of the Department's health-condition relocation order. This team shall consist of the Department's nurse consultant and a social worker, designated by the Department, with experience in the needs of the elderly. Persons selected for an interdisciplinary team review shall not have been involved in the initial decision to issue a relocation order for the resident in question.

- (3) "Medical Professional" means an individual who is licensed or certified in California to perform the necessary medical procedures within his/her scope of practice. This includes, but is not limited to, Medical Doctor (MD), Registered Nurse (RN) and Licensed Vocational Nurse (LVN).
- (4) "Mild cognitive impairment" (MCI) refers to people whose cognitive abilities are in a "conditional state" between normal aging and dementia. Normal age-related memory changes can include forgetting a person's name or the location of an object, however, individuals with MCI have difficulty with short-term memory loss. MCI is a state in which at least one cognitive function, usually short-term memory, is impaired to an extent that is greater than would be anticipated in the normal aging process. MCI is characterized by short-term memory problems, but no other symptoms of dementia (e.g., problems with language, judgment, changes in personality or behavior) that affect a person's daily functioning. Individuals with MCI may experience some difficulty with intellectually demanding activities, but lack the degree of cognitive and functional impairment required to meet diagnostic criteria for dementia.
- (n) (1) "New Facility" means any facility applying for an initial license whether newly constructed or previously existing for some other purpose.
- (2) "Nonambulatory Person" means a person who is unable to leave a building unassisted under emergency conditions. It includes, but is not limited to, those persons who depend upon mechanical aids such as crutches, walkers, and wheelchairs. It also includes persons who are unable, or likely to be unable, to respond physically or mentally to a sensory signal approved by the State Fire Marshal, or an oral instruction relating to fire or other dangers and, if unassisted, to take appropriate action relating to such danger.

**87101 DEFINITIONS (Continued)**

- (3) "Non-Compliance Conference" means a meeting initiated by the Department that takes place between the licensing agency and the licensee to afford the licensee an opportunity to correct licensing violations other than those that pose an immediate danger to residents and that may result in a corrective plan of action. Its purpose is to review the existing deficiencies and to impress upon the licensee the seriousness of the situation prior to the agency requesting administrative action to revoke the license. The Department may initiate administrative action without a non-compliance conference.

- (2) "Placement Agency" as defined in Health and Safety Code section 1569.47(a), means any county welfare department, county social services department, county mental health department, county public guardian, general acute care hospital discharge planner or coordinator, state-funded program or private agency providing placement or referral services, and regional center for persons with developmental disabilities which is engaged in finding homes or other places for the placement of elderly persons for temporary or permanent care.
- (3) "Preadmission Fee" is defined in Health and Safety Code section 1569.651(e) as an application fee, processing fee, admission fee, entrance fee, community fee or other fee, however designated, that is requested or accepted by a licensee of a residential care facility for the elderly prior to admission.

**87101 DEFINITIONS** (Continued)

- (4) "Pressure Injury" means localized damage to the skin and/or soft tissue under the skin that is usually over a bony part of the body or related to a medical or other device. This damage can appear as intact skin or an open ulcer and may be painful. It occurs as a result of intense and/or prolonged pressure on the affected part of the body or pressure combined with shear (an action or stress that causes internal parts of the body to become deformed). Based on appearance and severity, the damage to tissue is a Stage 1, 2, 3, or 4 pressure injury.
- (5) "Privately Operated Facility" means a residential care facility for the elderly that is licensed to an individual, firm, partnership, association, or corporation.
- (6) "PRN Medication" (pro re nata) means any nonprescription or prescription medication which is to be taken as needed.
- (7) "Provision" or "Provide." Whenever any regulation specifies that provision be made for or that there be provided any service, personnel or other requirement, it means that if the resident is not capable of doing so himself, the licensee shall do so directly or present evidence satisfactory to the licensing agency of the particular arrangement by which another provider in the community will do so.
- (8) "Provisional License" means a temporary, nonrenewable license, issued for a period not to exceed twelve months which is issued in accordance with the criteria specified in Section 87162, Provisional License.

- (3) "Representative" means an individual who has authority to act on behalf of the resident; including but not limited to, a conservator, guardian, person authorized as the agent in the resident's valid advance health care directive, the resident's spouse, registered domestic partner, or family member, a person designated by the resident, or other surrogate decisionmaker designated consistent with statutory and case law. Without other legal obligation to the contrary, acting as a resident representative does not mean that the individual assumes personal responsibility or liability for payment of any charges incurred by the resident.
- (4) "Request to Forego Resuscitative Measures" is defined in Probate Code section 4780.

---

---

**HANDBOOK BEGINS HERE**

Probate Code section 4780 provides:

"(a) As used in this part:

- (1) 'Request to forego resuscitative measures' means a written document, signed by
- (A) an individual, or a legally recognized surrogate health care decisionmaker, and
- (B) a physician that directs a health care provider to forgo resuscitative measures for the individual.
- (2) 'Request to forego resuscitative measures' includes a prehospital 'do not resuscitate' form as developed by the Emergency Medical Services Authority or other substantially similar form.
- (b) A request to forgo resuscitative measures may also be evidenced by a medallion engraved with the words 'do not resuscitate' or the letters 'DNR', a patient identification number, and a 24-hour toll-free telephone number, issued by a person pursuant to an agreement with the Emergency Medical Services Authority."

**87107 EXEMPTION FROM LICENSURE****87107**

- (a) The following shall be allowed to operate without being licensed as a residential care facility for the elderly:
- (1) Any health facility, as defined by Health and Safety Code section 1250.
  - (2) Any clinic, as defined by Health and Safety Code section 1202.

**87107 EXEMPTION FROM LICENSURE (Continued)****87107**

- (3) Any facility conducted by and for the adherents of any well-recognized church or religious denomination for the purpose of providing facilities for the care or treatment of the sick who depend on prayer or spiritual means for healing in the practice of the religion of such church or denomination. Such facilities shall be limited to those facilities or portions thereof which substitute prayer for medical/nursing services which would otherwise be provided for or required by residents in a health facility, as defined by section 1200 or 1250 of the Health and Safety Code.
- (4) Any house, institution, hotel or other similar place that supplies board and room only, or room only, or board only, if no element of care and/or supervision, as defined by this chapter, is provided, made available, or contractually promised, such as in a life care agreement or program agreement with a facility. However, this shall not preclude care and/or supervision provided for brief and irregular periods of time for reasons such as temporary illnesses or emergencies provided that such is determined to be minor and temporary and does not require twenty-four (24) hours supervision of the resident(s).
- (5) Recovery houses or other similar facilities providing group living arrangements for persons recovering from alcoholism or drug addiction where the facility provides no care and supervision.
- (6) Any alcoholism recovery facility as defined by Health and Safety Code section 11834.02(a) relating to alcohol programs.

---

---

**HANDBOOK BEGINS HERE**

Health and Safety Code section 11834.02(a) provides:

An "'alcoholism or drug abuse recovery or treatment facility' or 'facility' means any premises, place, or building that provides 24-hour residential nonmedical to adults who are recovering from problems related to alcohol, drug, or alcohol and drug misuse or abuse, and who need alcohol, drug or alcohol and drug recovery treatment or detoxification services."

- (7) Any care and supervision of persons by a family member. For purposes of this section "family member" means any spouse, by marriage or otherwise, child or stepchild, by natural birth or by adoption, parent, brother, sister, half-brother, half-sister, parent-in-law, brother-in-law, sister-in-law, nephew, niece, aunt, uncle, first cousin, or any person denoted by the prefix "grand" or "great", or the spouse of any of these persons, even if the marriage has been terminated by death or dissolution.

**87107 EXEMPTION FROM LICENSURE (Continued)****87107**

- (8) Any arrangement for the care and supervision of a person or persons from only one family by a close friend who is not a licensee or current employee of a Residential Care Facility for the Elderly or of an Adult Residential Facility, and whose friendship pre-existed a provider/recipient relationship, and all of the following conditions are met:
- (A) The care and supervision is provided in a home or residence chosen by the recipient, regardless of who owns the home or residence.
  - (B) The arrangement is not of a business nature, in that the provider does not represent himself or herself as being in the business of provision of care, and any compensation that may be paid to the provider is only for the value of the services rendered.
  - (C) The arrangement occurs and continues only as long as the needs for care and supervision of the recipient are being adequately met.
- (9) Any housing project for elderly or disabled individuals that meets federal requirements as specified in Health and Safety Code section 1569.145(g).

---

---

**HANDBOOK BEGINS HERE**

Health and Safety Code section 1569.145(g) provides:

"Any housing for elderly or disabled persons, or both, that is approved and operated pursuant to Section 202 of Public Law 86-372 (12 U.S.C.A. Sec. 1701q), or Section 811 of Public Law 101-625 (42 U.S.C.A. Sec 8013), or whose mortgage is insured pursuant to Section 236 of Public Law 90-448 (12 U.S.C.A. Sec. 1715z), or that receives mortgage assistance pursuant to Section 221d(3) of Public Law 87-70 (12 U.S.C.A. Sec.17151), where supportive services are made available to residents at their option, as long as the project owner or operator does not contract for or provide the supportive services. The project owner or operator may coordinate, or help residents gain access to, the supportive services, either directly, or through a service coordinator."

- (1) The seller shall notify, in writing, a prospective buyer of the necessity to obtain a license, as required by this chapter, if the buyer's intent is to continue operating the facility as a residential care facility for the elderly. The seller shall send a copy of this written notice to the licensing agency.
- (2) The prospective buyer shall submit an application for a license, as specified in Section 1569.15, within five days of the acceptance of the offer by the seller.
- (c) No sale of the facility shall be permitted until 30 days have elapsed from the date upon which notice has been provided pursuant to paragraphs (1) and (2) of subdivision (a).
- (d) The department shall give priority to applications for licensure that are submitted pursuant to this section in order to ensure timely transfer of the property and business. The department shall make a decision within 60 days after a complete application is submitted on whether to issue a license pursuant to Section 1569.15.
- (e) If the parties involved in the transfer of the property and business fully comply with this section, then the transfer may be completed and the buyer shall not be considered to be operating an unlicensed facility while the department makes a final determination on the application for licensure.
- (f) Facilities that are subject to Chapter 10 (commencing with Section 1770) of Division 2, including Section 1789.4, shall not be subject to paragraph (1) of subdivision (a), and subdivisions (c) and (d)."

**87111 CONTINUATION OF LICENSE UNDER EMERGENCY  
CONDITIONS OR SALE OF PROPERTY****87111**

- (a) The licensing agency may consent to a change of location and continuation of the existing license of any facility for a reasonable period of time when the change is requested because of the accidental destruction of the licensed premises or similar emergency conditions, so long as the new location or place of performance conforms to building, fire and life safety standards.
- (b) In the event of a licensee's death, an adult who has control of the property, and had been designated by the licensee as the party responsible to continue operation of the facility upon a licensee's death shall:
  - (1) notify the Department by the next working day of the licensee's death;
  - (2) inform the Department within 5 working days if the designee decides not to apply for licensure.
    - (A) If the designee decides not to apply, the Department will help the designee develop and implement a relocation plan for facility residents.
- (c) The Department may permit a designee to continue operation of a previously licensed facility, and grant an Emergency Approval to Operate (EAO) to a facility for up to 60 days pending issuance or denial of a license, provided the following requirements of Health and Safety Code section 1569.193 are met:
  - (1) The designee notifies the Department during the next working day following the death of the licensee, that he/she will continue to operate the facility.
  - (2) A notarized designation of the adult, authorized by the licensee, to continue operation of the facility in the event of the licensee's death, was filed by the licensee with the Department.
    - (A) The notarized statement was signed by the designee, and indicated acceptance of the designation.
    - (B) The notarized statement contains, or is accompanied by a declaration under penalty of perjury, regarding any criminal convictions of the designee.
  - (3) The designee is able to operate the facility to the satisfaction of the Department.
  - (4) The designee files an application for licensure, and provides a copy of the licensee's death certificate, obituary notice, certification of death from the decedent's mortuary, or a letter from the attending physician or coroner's office verifying the death of the licensee, within 20 calendar days of the licensee's death.

**87111 CONTINUATION OF LICENSE UNDER EMERGENCY

- (5) The applicant who is issued an EAO shall perform all the duties, functions, and responsibilities required of a licensee.
- (A) Failure to comply with licensing laws and regulations under Section 87111(b) as determined by the licensing agency, shall result in the denial of the application for license. This denial shall also constitute termination of the EAO.
- (B) The licensing agency shall provide written notification of the denial and this notice shall be effective immediately upon receipt.
- (d) The Department shall determine, within 60 days, after receipt of the completed application, whether a license will be issued.
- (e) Following receipt of a completed application, the designee shall not be considered to be operating an unlicensed facility while the Department decides whether to grant the license.
- (f) In the event of the sale and transfer of property and business, the applicant (buyer) shall be issued an EAO if the applicant (buyer) complies with Health and Safety Code section 1569.191.

Health and Safety Code section 1569.19 provides in part:

"A license shall be forfeited by operation of law prior to its expiration date when one of the following occurs:

- (a) The licensee sells or otherwise transfers the facility or facility property, except when change of ownership applies to transferring of stock when the facility is owned by a corporation, and when the transfer of stock does not constitute a majority change in ownership. The sale of a facility shall be subject to the requirements of this chapter.
- (b) The licensee surrenders the license to the department.
- (c) The licensee moves the facility from one location to another. The department shall develop regulations to ensure that the facilities are not charged a full licensing fee and do not have to complete the entire application process when applying for a license for the new location.
- (d) The licensee is convicted of an offense specified in Section 220, 243.4, or 264.1, or paragraph (1) of Section 273a, Section 273d, 288, or 289 of the Penal Code, or is convicted of another crime specified in subdivision (c) of Section 667.5 of the Penal Code.
- (e) The licensee dies. When a licensee dies, the continued operation shall be subject to the requirements of Section 1569.193.
- (f) The licensee abandons the facility."

(2) (A) The Legislature finds that all revenues generated by fees for licenses computed under this section and used for the purposes for which they were imposed are not subject to Article XIII B of the California Constitution.

(B) The department, at least every five years, shall analyze initial application fees and annual fees issued by it to ensure the appropriate fee amounts are charged. The department shall recommend to the Legislature that fees established by the Legislature be adjusted as necessary to ensure that the amounts are appropriate.

(b)(1) In addition to fees set forth in subdivision (a), the department shall charge the following fees:

(A) A fee that represents 50 percent of an established application fee when an existing licensee moves the facility to a new physical address.

(B) A fee that represents 50 percent of the established application fee when a corporate licensee changes who has the authority to select a majority of the board of directors.

(C) A fee of twenty-five dollars (\$25) when an existing licensee seeks to either increase or decrease the licensed capacity of the facility.

(D) An orientation fee of fifty dollars (\$50) for attendance by any individual at a department-sponsored orientation session.

(E) A probation monitoring fee equal to the current annual fee, in addition to the current annual fee for that category and capacity for each year a license has been placed on probation as a result of a stipulation or decision and order pursuant to the administrative adjudication procedures of the Administrative Procedure Act (Chapter 4.5 (commencing with Section 11400) and Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code).

(c) (1) The revenues collected from licensing fees pursuant to this section shall be utilized by the department for the purpose of ensuring the health and safety of all individuals provided care or supervision by licensees and to support the activities of the licensing programs, including, but not limited to, monitoring facilities for compliance with licensing laws and regulations pursuant to this chapter, and other administrative activities in support of the licensing program, when appropriated for these purposes. The revenues collected shall be used in addition to any other funds appropriated in the annual Budget Act in support of the licensing program. The department shall adjust the fees collected pursuant to this section to ensure that they do not exceed the costs described in this paragraph.

(2) The department shall not utilize any portion of these revenues sooner than 30 days after notification in writing of the purpose and use, as approved by the Department of Finance, to the Chairperson of the Joint Legislative Budget Committee, and the chairpersons of the committee in each house that considers appropriations for each fiscal year. The department shall submit a budget change proposal to justify any positions or any other related support costs on an ongoing basis.

(d) A residential care facility for the elderly may use a bona fide business check to pay the license fee required under this section.

(e) The failure of an applicant for licensure or a licensee to pay all applicable and accrued fees and civil penalties shall constitute grounds for denial or forfeiture of a license.

<b>87161</b>	<b>RESUBMISSION OF APPLICATION</b>	<b>87161</b>
--------------	------------------------------------	--------------

- (a) A new application shall be made whenever there is any change in conditions or limitations described on the current license, including, but not limited to:
  - (1) Any change in the location of the facility.
  - (2) Any change in the licensee.
  - (3) Failure to complete a new application within the required time limit.
  - (4) Any increase in capacity.
    - (A) Minor capacity increases may be granted following an evaluation by the licensing agency without the need for resubmission of an application.

**87161 RESUBMISSION OF APPLICATION (Continued)****87161**

- (5) A corporate organizational change, including, but not limited to, change in structure, sale or transfer of the majority of stock, separating from a parent company, or merger with another company. The licensee shall notify the licensing agency of such organizational change within forty-eight (48) hours.

**87162 PROVISIONAL LICENSE****87162**

- (a) The licensing agency may issue a provisional license to an applicant who has submitted a completed application for an initial license if the licensing agency determines that there are no life safety risks, that the facility is in substantial compliance, as defined in Section 87101(s)(6), with applicable law and regulations, and an immediate need for licensure exists as defined in Section 87101(i)(3).
- (1) A provisional license shall not be issued as specified in Health and Safety Code section 1569.1515(b).

---

---

**HANDBOOK BEGINS HERE**

Health and Safety Code section 1569.1515(b) provides:

"(b) The department shall not issue a provisional license or license to any corporate applicant that has a member of the board of directors, the executive director, or an officer who is not eligible for licensure pursuant to sections 1569.16 and 1569.59."

---

---

**HANDBOOK ENDS HERE**

- (b) The capacity of a provisional license shall be limited to the number of residents for whom immediate need has been established, or the capacity established for the specific facility, whichever is less.
- (c) A provisional license shall not be renewable and shall terminate on the date specified on the license, or upon denial of the application, whichever is earlier.
- (1) A provisional license may be issued for a maximum of six (6) months when the licensing agency determines that full compliance with licensing regulations will be achieved within that time period.

**87162 PROVISIONAL LICENSE (Continued)****87162**

- (2) A provisional license may be issued for a maximum of twelve (12) months when the licensing agency determines, at the time of application, that more than six (6) months is required to achieve full compliance with licensing regulations due to circumstances beyond the control of the applicant.
- (d) If, during the provisional licensing period, the licensing agency discovers deficiencies which threaten the physical health, mental health, safety or welfare of the residents, the Department may exercise its discretion to institute administrative action or civil proceedings or to refer for criminal prosecution.
- (e) If the licensing agency determines after its review, specified in Section 87157, Application Review, that the licensee does not meet the licensing requirements, the application shall be denied, as specified in Section 87163, Denial of License Application.
- (f) If the licensing agency denied the application for an initial license, the applicant may appeal the denial, as provided in Section 87163, Denial of License Application. Until the Director adopts a decision on the denial action, the facility shall be unlicensed.

**HANDBOOK BEGINS HERE**

Health and Safety Code Section 1569.72(c) provides in part:

"(c) ...bedridden persons may be admitted to, and remain in, residential care facilities for the elderly that secure and maintain an appropriate fire clearance. A fire clearance shall be issued to a facility in which a bedridden person resides if either of the following conditions are met:

- (1) The fire safety requirements are met. Residents who are unable to independently transfer to and from bed, but who do not need assistance to turn or reposition in bed, shall be considered nonambulatory for purposes of this paragraph.
- (2) Alternative methods of protection are approved."

Health and Safety Code Sections 1569.72(h)(2)(B)(ii) provides:

"(h)(2)(B)(ii) Either the facility, the resident or residents' representative, or local fire official may request from the Office of the State Fire Marshal a written opinion concerning the interpretation of the regulations promulgated by the State Fire Marshal pursuant to this section for a particular factual dispute. The State Fire Marshal shall issue the written opinion within 45 days following the request."

Health and Safety Code Sections 1569.72(i) provides:

"(i) For facilities that care for six or fewer clients, a local fire official may not impose fire safety requirements stricter than the fire safety regulations promulgated for the particular type of facility by the Office of the State Fire Marshal or the local fire safety requirements imposed on any other single family dwelling, whichever is more strict."

**87216 BONDING****87216**

- (a) Each licensee, other than a county, who is entrusted to safeguard resident cash resources, shall file or have on file with the licensing agency a copy of a bond issued by a surety company to the State of California as principal.

- (1) The amount of the bond shall be in accordance with the following schedule:

<b>Total Safeguarded Per Month</b>	<b>Bond Required</b>
------------------------------------	----------------------

\$750 or less.....	\$1,000
--------------------	---------

\$751 to \$1,500.....	\$2,000
-----------------------	---------

\$1,501 to \$2,500.....	\$3,000
-------------------------	---------

Every further increment of \$1,000 or fraction thereof shall require an additional \$1,000 on the bond.

- (b) Whenever the licensing agency determines that the amount of the bond is insufficient to adequately protect the money of residents, or whenever the amount of any bond is impaired by any recovery against the bond, the licensing agency may require the licensee to file an additional bond in such amount as the licensing agency determines to be necessary to adequately protect the residents' money.
- (c) Each application for a license or renewal of license shall be accompanied by an affidavit on a form provided by the licensing agency. The affidavit shall state whether the applicant/licensee will be entrusted/is entrusted to safeguard or control cash resources of persons and the maximum amount of money to be handled for all persons in any month.
- (d) No licensee shall either handle money of a resident or handle amounts greater than those stated in the affidavit submitted by him or for which his bond is on file without first notifying the licensing agency and filing a new or revised bond as required by the licensing agency.
- (e) A written request for a variance from the bonding requirement may be made to the licensing agency. Approval by the licensing agency of a variance shall be in writing. The request shall include a signed statement from the licensee indicating:
- (1) That the bonding requirement is so onerous that as a result the facility will cease to operate.
- (2) The place of deposit in which the resident's funds are to be held.
- (3) That withdrawals will be made only on the authorization of the resident or his responsible person.

**87217 SAFEGUARDS FOR RESIDENT CASH, PERSONAL PROPERTY, AND VALUABLES 87217**

- (a) A licensee shall not be required to handle residents' cash resources. However, if a resident incapable of handling his own cash resources, as documented by the initial or subsequent appraisal, is accepted for care, his cash resource shall be safeguarded in accordance with the regulations in this section.
- (b) Every facility shall take appropriate measures to safeguard residents' cash resources, personal property and valuables which have been entrusted to the licensee or facility staff. The licensee shall give the residents receipts for all such articles or cash resources.
- (c) Every facility shall account for any cash resources entrusted to the care or control of the licensee or facility staff.
  - (1) Cash resources include but are not limited to monetary gifts, tax credits and/or refunds, earnings from employment or workshops, and personal and incidental need allowances from funding sources such as SSI/SSP.
- (d) Except as provided in approved continuing care agreements, no licensee or employee of a facility shall:
  - (1) accept appointment as a guardian or conservator of the person and/or estate of any resident;
  - (2) accept any general or special power of attorney for any such person;
  - (3) become substitute payee for any payments made to any persons;
    - (A) This requirement does not apply to a licensee who is appointed by the Social Security Administration as representative payee for the resident.
  - (4) become the joint tenant on any account specified in Section 87217(h) with a resident.
- (e) Cash resources and valuables of residents which are handled by the licensee for safekeeping shall not be commingled with or used as the facility funds or petty cash, and shall be separate, intact and free from any liability the licensee incurs in the use of his own or the facility's funds and valuables. This does not prohibit the licensee from providing advances or loans to residents from facility money.
- (f) No licensee or employee of a facility shall make expenditures from residents' cash resources for any basic service specified in this Chapter, or for any basic services identified in a contract/admission agreement between the resident and facility.
  - (1) This requirement does not apply to a licensee who is appointed by the Social Security Administration as representative payee for the resident.

**87217 SAFEGUARDS FOR RESIDENT CASH, PERSONAL PROPERTY,  
AND VALUABLES (Continued)****87217**

- (g) Each licensee shall maintain adequate safeguards and accurate records of cash resources and valuables entrusted to his care, including, but not limited to the following:
- (1) Records of residents' cash resources maintained as a drawing account shall include a ledger accounting (columns for income, disbursements and balance) for each resident, and supporting receipts filed in chronological order. Each accounting shall be kept current.
    - (A) An acceptable receipt where cash is provided to residents from their respective accounts, includes: the resident's signature or mark, or responsible party's full signature, and a statement acknowledging receipt of the amount and date received. An acceptable form of receipt would include:  
  
"(full signature of resident) accepts (dollar amount) (amount written in cursive), this date (date), from (payor)".
    - (B) An acceptable receipt where purchases are made for the resident, from his account, is the store receipt.
  - (2) Records of residents' cash resources and other valuables entrusted to the licensee for safekeeping shall include a copy of the receipt furnished to the resident as specified in (b) above or to his responsible person. The receipt provided to the resident for money or valuables entrusted to the licensee shall be original and include the resident's and/or his responsible person's signature.
  - (3) Bank records for transactions of cash resources deposited in and drawn from the account as specified in (h) below.
- (h) Immediately upon admission, residents' cash resources entrusted to the licensee and not kept in the licensed facility shall be deposited in any type of bank, savings and loan or credit union account, which is maintained separate from the personal or business accounts of the licensee, provided that the account title clearly notes that it is residents' money and the resident has access to the money upon demand to the licensee.
- (1) Such accounts shall be maintained in a local bank, savings and loan or credit union authorized to do business in California, the deposits of which are insured by a branch of the Federal Government; except, however that a local public agency may deposit such funds with the public treasurer.
  - (2) Cash resources entrusted to the licensee for residents and kept on the facility premises shall be kept in a locked and secure location.

**87217 SAFEGUARDS FOR RESIDENT CASH, PERSONAL PROPERTY, AND VALUABLES (Continued) 87217**

- (i) Upon discharge of a resident, all cash resources, personal property and valuables of that resident which have been entrusted to the licensee shall be surrendered to the resident, or his responsible person. A signed receipt shall be obtained.
- (j) Upon the death of a resident, all cash resources, personal property, and valuables of that resident shall immediately be safeguarded.
  - (1) All cash resources shall be placed in an account as specified in (g) above.
  - (2) The executor or the administrator of the estate shall be notified by the licensee, and the cash resources, personal property, and valuables surrendered to said party.
  - (3) If no executor or administrator has been appointed, the responsible person shall be notified, and the cash resources, personal property, and valuables shall be surrendered to said person in exchange for a signed itemized receipt.
  - (4) If the licensee is unable to notify a responsible party as specified above, immediate written notice of the resident's death shall be given to the public administrator of the county as provided by Section 7600.5 of the California Probate Code.
- (k) Whenever there is a change of licensee, the licensee shall:
  - (1) notify the licensing agency of any pending change of licensee, and
  - (2) shall provide the licensing agency an accounting of all residents' cash resources, personal property and valuables entrusted to his/her care. Such accounting shall be made on a form provided or approved by the Department.
- (l) When the licensing agency approves the application for the new licensee, the form specified in (2) above shall be updated, signed by both parties, and forwarded to the licensing agency.
- (m) All monetary gifts, and any gift exceeding an estimated value of \$100, which are given to a licensee by or on behalf of a resident shall be recorded. The record shall be attached to the account specified in (f) above. This shall not include monetary gifts or valuables given by the friends or relatives of a deceased resident.

**87218 THEFT AND LOSS****87218**

- (a) The licensee shall ensure an adequate theft and loss program as specified in Health and Safety Code section 1569.153.
- (1) The initial personal property inventory shall be completed by the licensee, and the resident, or the resident's representative.
- (2) A licensee who fails to make reasonable efforts to safeguard resident property, shall reimburse a resident for or replace stolen or lost resident property at its current value. The licensee shall be presumed to have made reasonable efforts to safeguard resident property if there is clear and convincing evidence of efforts to meet each requirement specified in section 1569.153.
- (A) A civil penalty shall be levied if the licensee or facility staff have not implemented the theft and loss program, or if the licensee has not shown clear and convincing evidence of its efforts to meet all of the requirements set forth in section 1569.153.
- (3) The facility contract of admission, including all documents a resident or his or her representative must sign as a condition of admission, shall not require or suggest a lesser standard of responsibility for the personal property of residents than the law requires.

**HANDBOOK BEGINS HERE**

Health and Safety Code section 1569.153 provides in part:

"A theft and loss program shall be implemented by the residential care facilities for the elderly within 90 days after January 1, 1989. The program shall include all of the following:

- (a) Establishment and posting of the facility's policy regarding theft and investigative procedures.
- (b) Orientation to the policies and procedures for all employees within 90 days of employment.
- (c) Documentation of lost and stolen resident property with a value of twenty-five dollars (\$25) or more within 72 hours of the discovery of the loss or theft and, upon request, the documented theft and loss record for the past 12 months shall be made available to the State Department of Social Services, law enforcement agencies and to the office of the State Long-Term Care Ombudsman in response to a specific complaint. The documentation shall include, but not be limited to, the following:
- (1) A description of the article.
- (2) Its estimated value.

- (3) The date and time the theft or loss was discovered.
- (4) If determinable, the date and time the loss or theft occurred.
- (5) The action taken.
- (d) A written resident personal property inventory is established upon admission and retained during the resident's stay in the residential care facility for the elderly. Inventories shall be written in ink, witnessed by the facility and the resident or resident's representative, and dated. A copy of the written inventory shall be provided to the resident or the person acting on the resident's behalf. All additions to an inventory shall be made in ink, and shall be witnessed by the facility and the resident or resident's representative, and dated. Subsequent items brought into or removed from the facility shall be added to or deleted from the personal property inventory by the facility at the written request of the resident, the resident's family, a responsible party, or a person acting on behalf of a resident. The facility shall not be liable for items which have not been requested to be included in the inventory or for items which have been deleted from the inventory. A copy of a current inventory shall be made available upon request to the resident, responsible party, or other authorized representative. The resident, resident's family, or a responsible party may list those items which are not subject to addition or deletion from the inventory, such as personal clothing or laundry, which are subject to frequent removal from the facility.
- (e) Inventory and surrender of the resident's personal effects and valuables upon discharge to the resident or authorized representative in exchange for a signed receipt.
- (f) Inventory and surrender of personal effects and valuables following the death of a resident to the authorized representative in exchange for a signed receipt. Immediate written notice to the public administrator of the county upon the death of a resident whose heirs are unable or unwilling to claim the property as specified in Chapter 20 (commencing with Section 1140) of Division 3 of the Probate Code.
- (g) Documentation, at least semiannually, of the facility's efforts to control theft and loss, including the review of theft and loss documentation and investigative procedures and results of the investigation by the administrator and, when feasible, the resident council.
- (h) Establishment of a method of marking, to the extent feasible, personal property items for identification purposes upon admission and, as added to the property inventory list, including engraving of dentures and tagging of other prosthetic devices.

- (i) Reports to the local law enforcement agency within 36 hours when the administrator of the facility has reason to believe resident property with a then current value of one hundred dollars (\$100) or more has been stolen. Copies of those reports for the preceding 12 months shall be made available to the State Department of Social Services and law enforcement agencies.
- (j) Maintenance of a secured area for residents' property which is available for safekeeping of resident property upon the request of the resident or the resident's responsible party. Provide a lock for the resident's bedside drawer or cabinet upon request of and at the expense of the resident, the resident's family, or authorized representative. The facility administrator shall have access to the locked areas upon request.
- (k) A copy of this section and sections 1569.152 and 1569.154 is provided by a facility to all of the residents and their responsible parties, and available upon request, to all of the facility's prospective residents and their responsible parties.
- (l) Notification to all current residents and all new residents, upon admission, of the facility's policies and procedures relating to the facility's theft and loss prevention program.
- (m) Only those residential units in which there are no unrelated residents and where the unit can be secured by the resident or residents are exempt from the requirements of this section."

**87219 PLANNED ACTIVITIES**

- (a) Residents shall be encouraged to maintain and develop their quality of life through participation in a variety of planned activities. The activities made available shall include:
- (1) Socialization to promote or enhance personal relationships. Activities may include, but are not limited, to:
    - (A) Group discussion and conversation.
    - (B) Reminiscence activities, such as looking at photos, letters, or greeting cards.
    - (C) Cultural and/or religious activities, such as holiday celebrations and cultural traditions.
    - (D) Other social activities such as arts, crafts, games, gardening, pet care, and other recreational activities promoting social interaction.
  - (2) Daily living skills/activities which foster and maintain independent functioning.
  - (3) Cognitive and mental stimulation activities such as reading, writing, movies, crossword puzzles, board and card games, and using the computer.
  - (4) Sensory stimulation, such as music therapy and aromatherapy, or tactile activities, such as pet therapy.
  - (5) Leisure time activities cultivating personal interests and pursuits, and encouraging leisure-time activities with other residents.
  - (6) Physical activities that maintain physical health including games, sports, exercises, and other similar activities that promote balance, strength, coordination, flexibility, and range of motion.
  - (7) Education, achieved through special classes or activities.
  - (8) Provision for free time so residents may engage in activities of their own choosing.
- (b) Residents served shall be encouraged to contribute to the planning, preparation, conduct, clean-up and critique of the planned activities.

**87219 PLANNED ACTIVITIES (Continued)**

- (c) The licensee shall arrange for utilization of available community resources through contact with organizations and volunteers to promote resident participation in community-centered activities which may include:
  - (1) Attendance at the place of worship of the resident's choice.
  - (2) Service activities for the community.
  - (3) Community events such as concerts, tours and plays.
  - (4) Participation in community organized group activities, such as senior citizen groups, sports leagues and service clubs.
- (d) In facilities licensed for seven (7) or more persons, notices of planned activities shall be posted in a central location readily accessible to residents, relatives, and representatives of placement and referral agencies. Copies shall be retained for at least six (6) months.
- (e) In facilities licensed for sixteen (16) to forty-nine (49) persons, one staff member, designated by the administrator, shall have primary responsibility for the organization, conduct and evaluation of planned activities. This person shall have had at least six (6) months experience in providing planned activities or have completed or be enrolled in an appropriate education or training program.
- (f) In facilities licensed for fifty (50) persons or more, one staff member shall have full-time responsibility to organize, conduct and evaluate planned activities, and shall be given such staff assistance as necessary in order for all residents to participate in accordance with their interests and abilities. The program of activities shall be written, planned in advance, kept up-to-date, and made available to all residents. The responsible employee shall have had at least one year of experience in conducting group activities and be knowledgeable in evaluating resident needs, supervising other employees, and in training volunteers.
  - (1) An exception to this requirement may be made by the licensing agency upon the facility's presentation in writing of a satisfactory alternative plan.
  - (2) Where the facility can demonstrate that its residents are self-directed to the extent that they are able to plan, organize and conduct the facility's activity program themselves, this requirement may be reduced or waived by the licensing agency.
- (g) Participation of volunteers in planned activities shall be encouraged, and such volunteers shall be under the direction and supervision of the employees responsible for the activity program.

**87219 PLANNED ACTIVITIES (Continued)**

- (h) The licensee shall provide sufficient space to accommodate both indoor and outdoor activities. Activities shall be encouraged by provision of:
- (1) A comfortable, appropriately furnished area such as a living room, available to all residents for their relaxation and for entertaining friends and relatives.
  - (2) Outdoor activity areas that are easily accessible to residents, protected from traffic, and have adequate shady areas.
- (i) The licensee shall implement reasonable interventions in order to ensure the safety of all residents utilizing indoor and outdoor areas and take precautions to prevent residents from unsafe wandering and elopement, as defined in Section 87101, Definitions. Such precautions may not conflict with residents' personal rights as specified in Section 87468.1, Personal Rights of Residents in All Facilities and Section 87468.2, Additional Personal Rights of Residents in Privately Operated Facilities.
- (j) The licensee shall provide sufficient equipment and supplies to meet the requirements of this section, including access to a variety of reading materials. Special equipment and supplies necessary to reasonably accommodate the individual physical and mental needs of residents shall be provided as appropriate.
- (1) When not in use, recreational equipment and supplies shall be stored where they do not create a hazard to residents.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.1, 1569.2, 1569.31 and 1569.312, Health and Safety Code.

**87221 RESIDENT COUNCILS**

The facility shall permit the formation of a resident council by interested residents, provide space and post notice for meetings, and provide assistance in attending meetings for those residents who request it. In order to permit a free exchange of ideas, at least part of each meeting shall be allowed to be conducted without the presence of any facility personnel. Residents shall be encouraged, but shall not be compelled to attend. The purpose of such an organization shall be to work with the administration in improving the quality of life for all residents by enriching the activity program and to discuss the services offered by the facility and make recommendations regarding identified problems.

**87222 REQUIREMENTS FOR EMERGENCY ADULT PROTECTIVE SERVICES PLACEMENTS**

- (a) The licensee shall be permitted to accept emergency placements by an adult protective services (APS) agency, if the licensee has received approval from the Department to provide emergency shelter services.
- (1) To obtain approval, the licensee shall submit a written request to the Department. The request shall include, but not be limited to, the following:
- (A) A letter of interest from the county APS agency stating that if the request to provide emergency shelter services is approved, the APS agency may enter into an agreement with the licensee to provide such services.
1. A copy of the written agreement between the APS agency and the licensee, listing the responsibilities of each party, shall be sent to the Department within seven calendar days of signing.
- (B) A written addendum to the Plan of Operation, specified in Section 87208, Plan of Operation that includes procedures for the intake of an APS emergency placement. The addendum shall specify how the licensee will meet the needs of a resident placed on an emergency basis, such as on-call staff, additional staff and training.
1. The procedures shall include, but not be limited to, provisions for a private room.
- a. The licensee shall provide a private room for the resident until a pre-admission appraisal of the resident's individual service needs has been completed, specified in Section 87457, Pre-admission Appraisal.
- b. The Department may approve an alternative to a private room, such as awake or additional staff, but an alternative shall not be approved if it displaces staff or other residents of the facility.
- (C) A licensee of a residential care facility for the elderly may accept an adult resident, 18 through 59 years of age, for emergency placement under the following conditions:
1. The APS agency has written a statement indicating a local need exists for the licensee to accept emergency placements of adults 18 through 59 years of age.
- a. The licensee attaches this APS statement of local need [Section 87222(a)(1)(C)1.] to the written request, specified in Section 87222(a)(1).

**87222 REQUIREMENTS FOR EMERGENCY ADULT PROTECTIVE SERVICES PLACEMENTS (Continued)****87222**

- b. The licensee must request a statement each year from the APS agency, indicating a local need still exists as specified in Section 87222(a)(1)(C)1., and submit the statement to the Department.
- (b) The Department shall provide written approval or denial of a licensee's request to provide emergency shelter services within 15 working days of its receipt.
- (c) The licensee shall comply with the regulations in Title 22, Division 6, Chapter 8 (Residential Care Facilities for the Elderly), unless otherwise stated in Section 87222, Requirements for Emergency Adult Protective Services Placements. These regulations include, but are not limited to, the following:
  - (1) The licensee shall not exceed the capacity limitations specified on the license and shall not allow rooms approved only for ambulatory residents to be used by nonambulatory residents, as specified in Section 87204, Limitations - Capacity and Ambulatory Status.
  - (2) The licensee shall meet the requirements in Section 87202 on fire clearance if the licensee has accepted a nonambulatory resident, defined in Section 87101(n).
- (d) The licensee shall not accept the following persons as APS emergency placements:
  - (1) Individuals with prohibited health conditions [Section 87615, Prohibited Health Conditions].
  - (2) Individuals with restricted health conditions [Section 87612, Restricted Health Conditions].
    - (A) The licensee may accept an APS emergency placement who is incontinent when the requirements in Section 87625, Managed Incontinence, are met.
  - (3) Individuals who are receiving hospice care [Section 87633, Hospice Care for Terminally Ill Residents].
  - (4) Individuals who have active communicable tuberculosis [Section 87455(c)(1)].
  - (5) Individuals who require 24-hour, skilled nursing or intermediate care [Section 87455(c)(2)].
  - (6) Individuals whose primary need for care and supervision results from an ongoing behavior, caused by a mental disorder, that would upset the general resident group [Section 87455(c)(3)(A)].
  - (7) Individuals who are bedridden, as defined in Section 87455(d).
- (e) If a licensee accepts an APS emergency placement with dementia, the licensee shall meet the requirements in Section 87405, Care of Persons with Dementia.

## 87222

**REQUIREMENTS FOR EMERGENCY ADULT PROTECTIVE SERVICES PLACEMENTS (Continued)**

87222

- (f) The licensee shall not admit an APS emergency placement unless the APS worker is present at the facility at the time of admission.
- (g) Prior to acceptance of an APS emergency placement, the licensee shall obtain and keep on file the following information received from the APS worker:
  - (1) Resident's name.
  - (2) Resident's ambulatory status.
  - (3) Name(s) and telephone number(s) of the resident's physician(s).
  - (4) Name(s), business address(es), and telephone number(s) of the APS worker responsible for the resident's placement and the APS case worker, if known.
  - (5) Name, address, and telephone number of any person responsible for the care of the resident, if available.
- (h) Within seven calendar days of an APS emergency placement, the licensee shall obtain other resident information specified in Section 87506, Resident Records.
  - (1) The resident must have a tuberculosis test [Section 87458(b)(1)] by the seventh day of placement even though the test results may not be available by the seventh day of placement.
- (i) The licensee shall contact the resident's attending physician or the person authorized to act for the physician to identify all of the resident's prescribed medications and usage instructions [Section 87458(b)(3)] by the next working day, but no later than 72 hours from the initial APS emergency placement.
  - (1) The attending physician or the person acting for the physician shall have access to the resident's records to determine whether the full medication regimen is accounted for and accurate.
  - (2) If medication verification, as specified in Section 87222(i), has not been obtained within 72 hours from the resident's initial placement, the licensee shall contact the APS worker to request that the resident be relocated, as specified in Section 87222(j).
- (j) The licensee shall contact the APS worker to request that the resident be relocated immediately when the licensee identifies that needs cannot be met or that the resident has a condition specified in Section 87222(d).

**87222 REQUIREMENTS FOR EMERGENCY ADULT PROTECTIVE SERVICES PLACEMENTS (Continued)****87222**

- (1) A licensee cannot retain a resident under age 60 beyond 30 calendar days from initial placement by the APS agency, unless the acceptance and retention requirement provided in Section 87455(b)(6) is met.
- (k) Within seven calendar days of the licensee making any changes to an agreement with an APS agency, the licensee shall notify the Department in writing of these changes, which may include a renewed agreement, amended language and/or notification of a terminated agreement.
- (l) All emergency placements are subject to the same record requirements as set forth in Section 87506(d).

**87223 RELOCATION OF RESIDENT****87223**

- (a) When a resident must be relocated by Department order whether individual health-condition relocations pursuant to Section 87612, Restricted Health Conditions, or temporary suspension orders pursuant to Section 87775(c), the licensee shall not obstruct the relocation process and shall cooperate with the Department in the relocation process. Such cooperation shall include, but not be limited to, the following activities:
  - (1) Identifying and preparing for removal of the medications, Medi-Cal or Medicare or other medical insurance documents, clothing, safeguarded cash resources, valuables and other belongings of the resident.
  - (2) Contacting the person responsible for the resident to assist in transporting him or her, if necessary.
  - (3) Contacting other suitable facilities for placement, if necessary.
  - (4) Providing access to resident's files when required by the Department.

**87224 EVICTION PROCEDURES****87224**

- (a) The licensee may evict a resident for one or more of the reasons listed in Section 87224(a)(1) through (5). Thirty (30) days written notice to the resident is required except as otherwise specified in paragraph (5).
- (1) Nonpayment of the rate for basic services within ten days of the due date.
  - (2) Failure of the resident to comply with state or local law after receiving written notice of the alleged violation.
  - (3) Failure of the resident to comply with general policies of the facility. Said general policies must be in writing, must be for the purpose of making it possible for residents to live together and must be made part of the admission agreement.
  - (4) If, after admission, it is determined that the resident has a need not previously identified and a reappraisal has been conducted pursuant to Section 87463, and the licensee and the person who performs the reappraisal believe that the facility is not appropriate for the resident.
  - (5) Change of use of the facility.
    - (A) The licensee may, upon no less than sixty (60) days written notice, evict a resident due to change of use of the facility.
      1. In addition to written notice to quit requirements specified in Section 87224(d), written notice to evict due to change of use of the facility shall be made to the resident or the resident's responsible person and shall include all requirements specified in Section 1569.682(a)(2)(A) through (F) of the Health and Safety Code.

- (b) The licensee may, upon obtaining prior written approval from the licensing agency, evict the resident upon three (3) days written notice to quit. The licensing agency may grant approval for the eviction upon a finding of good cause. Good cause exists if the resident is engaging in behavior which is a threat to the mental and/or physical health or safety of himself or to the mental and/or physical health or safety of others in the facility.
- (c) The licensee shall, in addition to either serving the required thirty (30) days notice, sixty (60) days notice, or seeking approval from the Department and service three (3) days notice on the resident, notify or mail a copy of the notice to quit to the resident's responsible person.
- (d) The licensee shall set forth in the notice to quit the reasons relied upon for the eviction with specific facts to permit determination of the date, place, witnesses, and circumstances concerning those reasons.

- (C) A statement informing residents of their right to file a complaint with the licensing agency, as specified in Section 87468, subsection (a)(4), including the name, address and telephone number of the licensing office with whom the licensee normally conducts business, and the State Long Term Care Ombudsman office.

**87224 EVICTION PROCEDURES (Continued)****87224**

- (D) The following exact statement as specified in Health and Safety Code Section 1569.683(a)(4): "In order to evict a resident who remains in the facility after the effective date of the eviction, the residential care facility for the elderly must file an unlawful detainer action in superior court and receive a written judgment signed by a judge. If the facility pursues the unlawful detainer action, you must be served with a summons and complaint. You have the right to contest the eviction in writing and through a hearing."
- (e) Upon request of a resident, or his/her designated representative, the Department shall, pursuant to the provisions of Section 1569.35 of the Health and Safety Code, investigate the reasons given for the eviction.
- (f) A written report of any eviction shall be sent to the licensing agency within five (5) days.
- (g) This section shall not apply to a particular resident who has entered into a continuing care contract with a facility pursuant to Health and Safety Code, Chapter 10, Division 2.
- (h) Nothing in this section is intended to preclude the licensee or resident from invoking any other available remedy.
- (i) Nothing in Section 87224 precludes the licensee from initiating the urgent relocation to a licensed health facility of a terminally ill resident receiving hospice services when the resident's condition has changed and a joint determination has been made by the Department, the resident or resident's health care surrogate decision maker, the resident's hospice agency, a physician, and the licensee, that the resident's continued retention in the facility poses a health and safety risk to the resident or any other facility resident.
- (1) The licensee shall follow the procedures specified in Section 87637(b)(2) to reduce the risk of transfer trauma.

**Article 5. Physical Environment and Accommodations****87303 MAINTENANCE AND OPERATION**

- (a) The facility shall be clean, safe, sanitary and in good repair at all times. Maintenance shall include provision of maintenance services and procedures for the safety and well-being of residents, employees and visitors.
  - (1) Floor surfaces in bath, laundry and kitchen areas shall be maintained in a clean, sanitary, and odorless condition.
- (b) A comfortable temperature for residents shall be maintained at all times.
  - (1) The facility shall heat rooms that residents occupy to a minimum of 68 degree F, (20 degrees C).
  - (2) The facility shall cool rooms to a comfortable range, between 78 degrees F (26 degrees C) and 85 degrees F (30 degrees C), or in areas of extreme heat to 30 degrees F less than the outside temperature.
  - (3) Nothing in this section shall prohibit residents from adjusting individual thermostatic controls.
- (c) All window screens shall be clean and maintained in good repair.
- (d) There shall be lamps or light appropriate for the use of each room and sufficient to ensure the comfort and safety of all persons in the facility.
- (e) Water supplies and plumbing fixtures shall be maintained as follows:
  - (1) All residential care facilities for the elderly where water for human consumption is from a private source shall:
    - (A) As a condition of initial licensure, provide evidence of an on-site inspection of the source of the water and a bacteriological analysis by a local or state health department or other qualified public or private laboratory which establishes the safety of the water.
    - (B) Following licensure, provide a bacteriological analysis of the private water supply as frequently as is necessary to assure the safety of the residents, but no less frequently than the time intervals shown in the table below. However, facilities licensed for six or fewer residents shall be required to have a bacteriological analysis subsequent to initial licensure only if evidence supports the need for such an analysis to protect residents.

**87303 MAINTENANCE AND OPERATION (Continued)**

Licensed Capacity	Analysis Required	Periodic Subsequent Analysis
Under 6	Initial Licensing	Upon evidence of need
7 through 15	Initial Licensing	Annually
16 through 24	Initial Licensing	Every six months
25 or more	Refer to the county health department for compliance with the California Safe Drinking Water Act, Health and Safety Code, Division 5, Part 1, Chapter 7, Water and Water Systems.	

(2) Faucets used by residents for personal care such as shaving and grooming shall deliver hot water. Hot water temperature controls shall be maintained to automatically regulate the temperature of hot water used by residents to attain a temperature of not less than 105 degree F (41 degree C) and not more than 120 degree F (49 degree C).

(3) Taps delivering water at 125 degree F (52 degree C) or above shall be prominently identified by warning signs.

(4) Grab bars shall be maintained for each toilet; bathtub and shower used by residents.

(5) Slip-resistant mats, strips, or flooring shall be used in all bathtub and shower floors.

(A) All slip-resistant mats, strips, or flooring shall be in good repair and maintain slip-resistant properties.

(6) Toilet, handwashing and bathing facilities shall be maintained in operating condition. Additional equipment shall be provided in facilities accommodating physically handicapped and/or nonambulatory residents, based on the residents' needs.

(f) All waste shall be located, stored, and disposed of in a manner that will not transmit communicable diseases or odors, pose a risk to health and safety, or provide a breeding place or food source for insects or rodents.

(1) All containers storing waste shall be in good repair, free of leaks, and emptied in a timely manner.

(2) Syringes and needles are disposed of in accordance with the California Code of Regulations, Title 8, Section 5193 concerning blood borne pathogens.

- (3) All outdoor containers, such as garbage receptacles or dumpsters, shall provide suitable access and drainage to allow complete cleaning at the storage area.
- (g) Facilities which have machines and do their own laundry shall:
- (1) Have adequate supplies available and equipment maintained in good repair. Space used to sort soiled linen shall be separate from the clean linen storage and handling area. Except for facilities licensed for fifteen (15) residents or less, the space used to do laundry shall not be part of an area used for storage of anything other than clean linens and/or other supplies normally associated with laundry activities. Steam, odors, lint and objectionable laundry noises shall not reach resident or employee areas.
  - (2) Make at least one machine available for use by residents who are able and who desire to do their own personal laundry. This machine shall be maintained in good repair. Equipment in good repair shall be provided to residents who are capable and desire to iron their own clothes.

**87303 MAINTENANCE AND OPERATION (Continued)**

- (h) Emergency lighting shall be maintained. At a minimum this shall include flashlights, or other battery powered lighting, readily available in appropriate areas accessible to residents and staff. Open-flame lights shall not be used.
- (i) Facilities shall have signal systems which shall meet the following criteria:
  - (1) All facilities licensed for 16 or more and all residential facilities having separate floors or buildings shall have a signal system which shall:
    - (A) Operate from each resident's living unit.
    - (B) Transmit a visual and/or auditory signal to a central staffed location or produce an auditory signal at the living unit loud enough to summon staff.
    - (C) Identify the specific resident living unit.
  - (2) Facilities having more than one wing, floor or building shall be permitted to have a separate system in each, provided each meets the above criteria.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.1 and 1569.31, Health and Safety Code.

**87305 ALTERATIONS TO EXISTING BUILDINGS OR NEW FACILITIES**

- (a) Prior to construction or alterations, all facilities shall obtain a building permit.
- (b) The licensing agency may require the facility to acquire a local building inspection where the agency determines that a suspected hazard to health and safety exists.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.1, 1569.31 and 1569.312, Health and Safety Code.

**87307 PERSONAL ACCOMMODATIONS AND SERVICES**

- (a) Living accommodations and grounds shall be related to the facility's function. The facility shall be large enough to provide comfortable living accommodations and privacy for the residents, staff, and others who may reside in the facility. The following provisions shall apply:
- (1) There shall be common rooms such as living rooms, dining rooms, dens or other recreation/activity rooms. They shall be of sufficient space and/or separation to promote and facilitate the program of activities and to prevent such activities from interfering with other functions.
  - (2) Resident bedrooms shall be provided which meet, at a minimum, the following requirements:
    - (A) Bedrooms shall be large enough to allow for easy passage between and comfortable usage of beds and other required items of furniture specified below, and any resident assistant devices such as wheelchairs or walkers.
    - (B) No room commonly used for other purposes shall be used as a sleeping room for any resident. This includes any hall, stairway, unfinished attic, garage storage area, shed or similar detached building.
    - (C) No bedroom of a resident shall be used as a passageway to another room, bath or toilet.
    - (D) Not more than two residents shall sleep in a bedroom.
  - (3) Equipment and supplies necessary for personal care and maintenance of adequate hygiene practice shall be readily available to each resident. The resident may provide the following items; however, if the resident is unable or chooses not to provide them, the licensee shall assure provision of:
    - (A) A bed for each resident, except that married couples may be provided with one appropriate sized bed. Each bed shall be equipped with good springs, a clean and comfortable mattress, available pillow(s) and lightweight warm bedding. Fillings and covers for mattresses and pillows shall be flame retardant. Rubber sheeting shall be provided when necessary.
    - (B) Bedroom furniture, which shall include, for each resident, a chair, night stand, a lamp, or lights sufficient for reading, and a chest of drawers.
    - (C) Clean linen, including blankets, bedspreads, top bed sheets, bottom bed sheets, pillow cases, mattress pads, bath towels, hand towels and wash cloths. The quantity shall be sufficient to permit changing at least once per week or more often when indicated to ensure that clean linen is in use by residents at all times. The linen shall be in good repair. The use of common wash cloths and towels shall be prohibited.

**87307 PERSONAL ACCOMMODATIONS AND SERVICES (Continued)**

- (D) Hygiene items of general use such as soap and toilet paper.
  - (E) Portable or permanent closets and drawer space in the bedrooms for clothing and personal belongings. A minimum of eight (8) cubic feet (.743 cubic meters) of drawer space per resident shall be provided.
  - (F) Basic laundry service (washing, drying, and ironing of personal clothing).
- (b) Toilets and bathrooms shall be conveniently located. The licensed capacity shall be established based on Section 87158, Capacity, and the following:
- (1) At least one toilet and washbasin for each six (6) persons, which include residents, family and personnel.
  - (2) At least one bathtub or shower for each ten (10) persons, which includes residents, family and live-in personnel.
- (c) Individual privacy shall be provided in all toilet, bath and shower areas.
- (d) The following space and safety provisions shall apply to all facilities:
- (1) Sufficient room shall be available to accommodate persons served in comfort and safety.
  - (2) The premises shall be maintained in a state of good repair and shall provide a safe and healthful environment.
  - (3) All persons shall be protected against hazards within the facility through provision of the following:
    - (A) Protective devices such as nonslip material on rugs.
    - (B) Information and instruction regarding life protection and other appropriate subjects.
  - (4) Stairways, inclines, ramps and open porches and areas of potential hazard to residents with poor balance or eyesight shall be made inaccessible to residents unless equipped with sturdy hand railings and unless well-lighted.
  - (5) Night lights shall be maintained in hallways and passages to nonprivate bathrooms.
  - (6) All outdoor and indoor passageways and stairways shall be kept free of obstruction.

**87307 PERSONAL ACCOMMODATIONS AND SERVICES (Continued)**

- (e) The licensee shall supervise residents as needed and as determined by the resident's appraisal pursuant to Section 87457, Pre-Admission Appraisal or Section 87463, Reappraisals, when residents are in proximity to or when there is use of the following items:
- (1) Ranges, ovens, heaters, fireplaces, wood stoves, inserts, and other heating devices.
    - (A) Heating devices shall have protective mechanisms or other measures to prevent access to the device, or to make it inoperable when not in use, in order to reduce the risk of burns or fire.
  - (2) Fishponds, wading pools, hot tubs, swimming pools, or similar larger bodies of water.
    - (A) The licensee shall ensure that the bodies of water specified above are inaccessible through fencing, covering, or other means when not in active use by residents.
- (f) The licensee shall supervise residents as needed and as determined by the resident's appraisal, pursuant to Section 87457, Pre-Admission Appraisal or Section 87463, Reappraisals, when residents are in proximity to birdbaths, fountains, or similar smaller decorative water features.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.1, 1569.2, 1569.31 and 1569.312, Health and Safety Code.

**87308 RESIDENT AND SUPPORT SERVICES**

- (a) Nothing in these regulations shall prohibit the provision of required services from a centralized service facility serving two or more licensed facilities when approved in writing by the licensing agency.
- (b) Administrative offices or area shall be maintained in facilities having a capacity of sixteen (16) persons or more, which includes space for business, administration and admission activities, a reception area and restroom facilities which may be used by visitors. Appropriate equipment shall be available, including a telephone. A private office shall be maintained for the administrator or other professional staff as appropriate.
- (c) General storage space shall be maintained for equipment and supplies as necessary to ensure that space used to meet other requirements of these regulations is not also used for storage.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.31 and 1569.312, Health and Safety Code.

**87309 STORAGE SPACE AND ACCESS**

- (a) Except as specified in subsection (b), the licensee shall ensure that disinfectants, cleaning solutions, poisonous substances, knives, matches, tools, sharp objects, and other similar items which could pose a danger to residents are in locked storage and are not left unattended if outside the locked storage.
- (1) Disinfectants, cleaning solutions, and poisonous substances shall be stored in areas separate from food supplies as specified in Section 87555, General Food Service Requirements.
- (2) Any items in subsection (a)(1) that are transferred from their original container to another container shall have a legible label that indicates:
- (A) Name of product on the original container, and
- (B) Any product warnings indicated on the original label.
- (b) Residents may have access to items specified in subsection (a) for personal use unless there is documentation, as specified in Section 87457, Pre-Admission Appraisal or Section 87463, Reappraisals, that indicates the resident's or other residents' safety would be at risk if allowed access.
- (1) The licensee shall implement reasonable interventions in order to ensure that access to the items specified in subsection (a) does not pose a hazard to other residents.
- (c) Except as specified in subsection (d), the licensee shall implement reasonable interventions in order to ensure that nutritional supplements, vitamins, alcohol, cigarettes and other potentially toxic substances, such as certain plants, gardening supplies, and auto supplies, are stored so as not to pose a hazard to residents.
- (d) Residents may have access to items specified in subsection (c) for personal use unless there is documentation as specified in Section 87457, Pre-Admission Appraisal or Section 87463, Reappraisals, that indicates the resident's or other residents' safety would be at risk if allowed access.
- (1) The licensee shall implement reasonable interventions in order to ensure that access to the items specified in subsection (c) does not pose a hazard to other residents.
- (e) Medications that are centrally stored shall be stored as specified in Section 87465, Incidental Medical and Dental Care Services.
- (f) Due to the physical arrangements in the facility, or the condition or the habits of other residents in the facility, or both, the licensee may require the items specified in subsections (a) and (c) to be centrally stored so as not to pose a safety hazard to others.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.1, 1569.31 and 1569.312, Health and Safety Code.

**Article 6. Background Check****87355 CRIMINAL RECORD CLEARANCE****87355**

- (a) The Department shall conduct a criminal record review of all individuals specified in Health and Safety Code section 1569.17 and shall have the authority to approve or deny a facility license, or employment, residence, or presence in the facility, based upon the results of such review.
- (b) Prior to the Department issuing a license, the applicant, administrator and any adults other than a client, residing in the facility shall have a criminal record clearance or exemption.

Health and Safety Code Section 1569.17 provides in part:

(a)(1) Before issuing a license to any person or persons to operate or manage a residential care facility for the elderly, the department shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any other person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in subdivision (c) of Section 290 of the Penal Code, for violating Section 245 or 273.5, subdivision (b) of Section 273a or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons, and subsequent arrest information pursuant to Section 11105.2 of the Penal Code.

(3) The following shall apply to the criminal record information:

(A) If the State Department of Social Services finds that the applicant or any other person specified in subdivision (b) has been convicted of a crime, other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (f).

(B) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b) is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services may cease processing the application until the conclusion of the trial.

(C) If no criminal record information has been recorded, the Department of Justice shall provide the applicant and the State Department of Social Services with a statement of that fact.

(D) If the State Department of Social Services finds after licensure that the licensee, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license may be revoked, unless the director grants an exemption pursuant to subdivision (f).

(E) An applicant and any other person specified in subdivision (b) shall submit fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice, for a state and federal level criminal offender record information search, in addition to the search required by subdivision (a). If an applicant meets all other conditions for licensure, except receipt of the Federal Bureau of Investigation's criminal history information for the applicant and persons listed in subdivision (b), the department may issue a license if the applicant and each person described by subdivision (b) has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after licensure, the department determines that the licensee or person specified in subdivision (b) has a criminal record, the license may be revoked pursuant to Section 1569.50. The department may also suspend the license pending an administrative hearing pursuant to Sections 1569.50 and 1569.51.

(b) In addition to the applicant, the provisions of this section shall apply to criminal convictions of the following persons:

(1)(A) Adults responsible for administration or direct supervision of staff.

(B) Any person, other than a client, residing in the facility. Residents of unlicensed independent senior housing facilities that are located in contiguous buildings on the same property as a residential care facility for the elderly shall be exempt from these requirements.

(C) Any person who provides client assistance in dressing, grooming, bathing, or personal hygiene. Any nurse assistant or home health aide meeting the requirements of Section 1338.5 or 1736.6, respectively, who is not employed, retained, or contracted by the licensee, and who has been certified or recertified on or after July 1, 1998, shall be deemed to meet the criminal record clearance requirements of this section. A certified nurse assistant and certified home health aide who will be providing client assistance and who falls under this exemption shall provide one copy of his or her current certification, prior to providing care, to the residential care facility for the elderly. The facility shall maintain the copy of the certification on file as long as the care is being provided by the certified nurse assistant or certified home health aide at the facility. Nothing in this paragraph restricts the right of the department to exclude a certified nurse assistant or certified home health aide from a licensed residential care facility for the elderly pursuant to Section 1569.58.

(D) Any staff person, volunteer, or employee who has contact with the clients.

(E) If the applicant is a firm, partnership, association, or corporation, the chief executive officer or other person serving in a similar capacity.

(F) Additional officers of the governing body of the applicant or other persons with a financial interest in the applicant, as determined necessary by the department by regulation. The criteria used in the development of these regulations shall be based on the person's capability to exercise substantial influence over the operation of the facility.

(2) The following persons are exempt from requirements applicable under paragraph (1):

(A) A spouse, relative, significant other, or close friend of the client shall be exempt if this person is visiting the client or provides direct care and supervision to that client only.

(B) A volunteer to whom all of the following apply:

(i) The volunteer is at the facility during normal waking hours.

(ii) The volunteer is directly supervised by the licensee or a facility employee with a criminal record clearance or exemption.

(iii) The volunteer spends no more than 16 hours per week at the facility.

(iv) The volunteer does not provide clients with assistance in dressing, grooming, bathing, or personal hygiene.

(v) The volunteer is not left alone with clients in care.

(C) A third-party contractor retained by the facility if the contractor is not left alone with clients in care.

(D) A third-party contractor or other business professional retained by the client and at the facility at the request or by the permission of that client. These individuals may not be left alone with other clients.

(E) Licensed or certified medical professionals are exempt from fingerprint and criminal background check requirements imposed by community care licensing. This exemption does not apply to a person who is a community care facility licensee or an employee of the facility.

(F) Employees of licensed home health agencies and members of licensed hospice interdisciplinary teams who have contact with a resident of a residential care facility at the request of the resident or resident's legal decisionmaker are exempt from fingerprint and criminal background check requirements imposed by community care licensing. This exemption does not apply to a person who is a community care facility licensee or an employee of the facility.

(G) Clergy and other spiritual caregivers who are performing services in common areas of the residential care facility, or who are advising an individual resident at the request of, or with permission of, the resident, are exempt from fingerprint and criminal background check requirements imposed by community care licensing. This exemption does not apply to a person who is a community care facility licensee or an employee of the facility.

(H) Any person similar to those described in this subdivision, as defined by the department in regulations.

(I) Nothing in this paragraph shall prevent a licensee from requiring a criminal record clearance of any individual exempt from the requirements of this section, provided that the individual has client contact.

- (d) All individuals subject to criminal record review shall be fingerprinted and sign a Criminal Record Statement (LIC 508 [Rev. 1/03]) under penalty of perjury.
- (1) A person signing the LIC 508 must:
- (A) Declare whether he/she has been convicted of a crime, other than a minor traffic violation as specified in Section 87355(h) regardless of whether the individual was granted a pardon for the conviction, received an expungement pursuant to Penal Code 1203.4 or the individual's record was sealed as a result of a court order.
- (B) If convicted of a crime other than a minor traffic violation as specified in Section 87355(h), provide information regarding the conviction.
- (2) If the signed statement indicates a conviction for any crime other than a minor traffic violation for which the fine was \$300 or less, the licensee shall immediately notify the Department and the Department shall take appropriate action as specified in Section 87355(h). The Department shall take the same actions as would be taken in Health and Safety Code section 1569.17(c) if a criminal record transcript had been received.
- (3) The license shall submit these fingerprints to the California Department of Justice, along with a second set of fingerprints for the purpose of searching the records of the Federal Bureau of Investigation, or comply with Section 87355(c), prior to the individual's employment, residence, or initial presence in the facility.
- (A) Fingerprints shall be submitted to the California Department of Justice by the licensee or sent by electronic transmission to the California Department of Justice by a fingerprinting entity approved by the California Department of Social Services.
- (e) All individuals subject to a criminal record review pursuant to Health and Safety Code Section 1569.17(b) shall prior to working, residing or volunteering in a licensed facility:
- (1) Submit a valid mailing address at which the individual shall receive communications from the Department.
- (A) An individual who holds a criminal record clearance or exemption shall maintain a current and valid mailing address with the Department and shall notify the Department within ten (10) days of any change in mailing address.

**87355 CRIMINAL RECORD CLEARANCE (Continued)****87355**

- (2) Obtain a California clearance or a criminal record exemption as required by the Department or
  - (3) Request a transfer of a criminal record clearance as specified in Section 87355(c) or
  - (4) Request and be approved for a transfer of a criminal record exemption, as specified in Section 87356(r), unless, upon request for a transfer, the Department permits the individual to be employed, reside or be present at the facility.
- (f) Violation of Section 87355(e) shall result in an immediate assessment of civil penalties of one hundred dollars (\$100) per violation per day for a maximum of five (5) days by the Department.
- (1) Subsequent violations within a twelve (12) month period will result in a civil penalty of one hundred (\$100) per violation per day for a maximum of thirty (30) days.
  - (2) The Department may assess civil penalties for continued violations as permitted by Health and Safety Code Section 1569.49.
- (g) Violation of Section 87355(e) may result in a denial of the license application or suspension and/or revocation of the license.
- (h) If the criminal record transcript of any of the individuals specified in Health and Safety Code section 1569.17(b) discloses a plea or verdict of guilty or a conviction following a plea of nolo contendere for any crime other than a minor traffic violation for which the fine was less than \$300 and an exemption pursuant to Section 87356(a) has not been granted, the Department shall take the actions specified in Health and Safety Code section 1569.17(c).
- (1) For an initial applicant, the Department may deny the application.
  - (2) For current licensees, the Department may institute an administrative action, including, but not limited to, revocation of the license.
  - (3) For current employees, exclude the affected individual pursuant to Health and Safety Code Section 1569.58 and deny the application or revoke the license, if the individual continues to provide services and/or reside at the facility.
  - (4) For individuals residing in the facility, including spouses of the applicant, licensee, or employee, exclusion of the affected individual pursuant to Health and Safety Code Section 1569.58 and denial of the application or revocation of the license, if the individual continues to provide services and/or reside in the facility.

Health and Safety Code section 1569.17(c)(3) provides in part:

"...If the State Department of Social Services determines, on the basis of the fingerprint images submitted to the Department of Justice, that the person has been convicted of a sex offense against a minor, an offense specified in Section 243.4 [sexual battery], 273a, 273d [child abuse], 273g, [lewd conduct in the presence of a child], or 368 [elder or adult dependent abuse] of the Penal Code, or a felony, the State Department of Social Services shall notify the licensee in writing within 15 calendar days of receipt of the notification from the Department of Justice to act immediately to terminate the person's employment, remove the person from the residential care facility for the elderly, or bar the person from entering the residential care facility for the elderly. The State Department of Social Services may subsequently grant an exemption pursuant to subdivision (f)...."

Health and Safety Code section 1569.17(c)(3) provides in part:

"If the conviction was for another crime, except a minor traffic violation, the licensee shall, upon notification by the State Department of Social Services, act immediately to either (1) terminate the person's employment, remove the person from the residential care facility for the elderly, or bar the person from entering the residential care facility for the elderly, or (2) seek an exemption pursuant to subdivision (f). The department shall determine if the person shall be allowed to remain in the facility until a decision on the exemption is rendered by the department...."

Health and Safety Code section 1569.17(h) provides:

"If a licensee or facility is required by law to deny employment or to terminate employment of any employee based written notification from the department that the employee has a prior criminal conviction or is determined unsuitable for employment under Section 1569.58, the licensee or the facility shall not incur civil liability or unemployment insurance liability as a result of that denial or termination."

- (i) The Department shall notify the licensee and the affected individual associated with the facility, in concurrent, separate letters, that the affected individual has a criminal conviction and needs to obtain a criminal record clearance.
- (j) The licensee shall maintain documentation of criminal record clearances or criminal record exemptions of employees in the individual's personnel file as required in Section 87412, Personnel Records.

**87355 CRIMINAL RECORD CLEARANCE (Continued)****87355**

- (k) The licensee shall maintain documentation of criminal record clearances or criminal record exemptions of volunteers that require fingerprinting and non-client adults residing in the facility.
  - (1) Documentation shall be available at the facility for inspection by the Department.
- (l) The Department may seek verification from a law enforcement agency or court of an individual's criminal record as reported to the Department from any member of the public or affected individual.
  - (1) Upon obtaining confirmation from a law enforcement agency or court of the offense, the Department shall proceed as if this criminal record information was provided by the California Department of Justice.
- (m) An individual with arrest history described in Health and Safety Code section 1569.17(e), shall be notified of the following:
  - (1) The fact of the investigation into conduct associated with arrest information regarding the subject.
  - (2) The specific arrest(s) upon which the investigation is based.
  - (3) The date of the arrest(s).
  - (4) The arresting agency.
  - (5) The disposition of the arrest, if available, as indicated on criminal history information received from DOJ.
  - (6) The subject shall not work or reside in a licensed facility until the subject has received a criminal record clearance or exemption.
  - (7) If the Department obtains evidence through the investigation that the subject may pose a risk to the health and safety of any person who is or may become a client, the Department may deny a criminal record clearance and/or exclude the subject.
  - (8) The subject may provide written information the subject believes is relevant to the investigation and/or shows the subject is qualified to work in a licensed facility.
  - (9) The subject will be notified of the Department's decision regarding whether or not to grant a clearance and of the right to appeal any such decision at that time.

**87355 CRIMINAL RECORD CLEARANCE (Continued)****87355**

- (n) The Department shall, in cases where the subject does not have a conviction, within 5 business days of a decision to deny a criminal record clearance based on an investigation described in subdivision (m) notify the subject of the following:
- (1) The Department has completed its investigation into arrest information.
  - (2) The Department will not grant that individual a criminal record clearance.
  - (3) The decision, if not appealed, will bar the subject from presence in a licensed facility.
  - (4) The arrests which triggered the investigation, including the date of arrest, charges and arresting agency.
  - (5) The CDSS has determined that the subject may pose a risk to the health and safety of a person who is or may become a client.
  - (6) The specific conduct upon which the decision is based.
  - (7) The subject has a right to contest the decision and will receive an Accusation from the Legal Division as well as information about how to request an administrative hearing.
- (o) For initial applications, where the subject does not have a conviction, the Accusation described in paragraph (7) of subdivision (n) shall be filed within 40 days of a decision to deny a criminal record clearance.

NOTE: Authority cited: Section 1569.30 and 1569.49(d), Health and Safety Code. Reference: Section 11505, Government Code; Section 1569.17 and 1569.49, Health and Safety Code.

**87356 CRIMINAL RECORD EXEMPTION****87356**

- (a) The Department shall notify a licensee to act immediately to terminate the employment of, remove from the facility or bar from entering the facility any person described in Sections 87356(a)(1) through (5) below while the Department considers granting or denying an exemption. Upon notification, the licensee shall comply with the notice.
- (1) Any person who has been convicted of, or is awaiting trial for, a sex offense against a minor;
  - (2) Any person who has been convicted of a felony;
  - (3) Any person who has been convicted of an offense specified in Section 243.4, 273a, 273d, 273g, or 368 of the Penal Code or any other crime specified in Health and Safety Code Section 1569.17(c)(3);
  - (4) Any person who has been convicted of any crime specified below:
    - (A) Battery
    - (B) Shooting at Inhabited Dwelling

**87356 CRIMINAL RECORD EXEMPTION (Continued)**

- (C) Corporal Injury on Spouse/Cohabitant
  - (D) Discharging Firearm with Gross Negligence
  - (E) Exhibiting Weapon/Firearm
  - (F) Threat to Commit a Crime Resulting in Gross Bodily Injury or Death
  - (G) Criminal Threat to Harm or Injure Another Person
  - (H) Cruelty to Animals
  - (I) Willful Harm or Injury to Child; or
- (5) Any other person ordered to be removed by the Department.
- (b) In addition to the requirements of Section 87356(a), the licensee must return the confirmation of removal form that is sent by the Department, within five (5) days of the date of the form, that confirms under penalty of perjury that the individual has been removed from the facility.
- (1) Confirmation must be made on either a Removal Confirmation – Exemption Needed, LIC 300A (Rev. 9/03), Removal Confirmation - Denial, LIC 300B (Rev. 9/03), Removal Confirmation - Rescinded, LIC 300C (Rev. 9/03), or Removal Confirmation - Nonexemptible, LIC 300D (Rev. 9/03).
- (c) After a review of the criminal record transcript, the Department may grant an exemption if:
- (1) The applicant/licensee requests an exemption in writing for himself or herself, or
  - (2) The applicant/licensee requests an exemption in writing for an individual associated with the facility, or
  - (3) The applicant/licensee chooses not to seek an exemption on the affected individual's behalf, the affected individual requests an individual exemption in writing, and
  - (4) The affected individual presents substantial and convincing evidence satisfactory to the Department that he/she has been rehabilitated and presently is of such good character as to justify being issued or maintaining a license, employment or residence in a licensed facility.

**87356 CRIMINAL RECORD EXEMPTION (Continued)**

- (d) To request a criminal record exemption, a licensee or license applicant must submit information that indicates that the individual meets the requirements of Section 87356(c)(4). The Department will notify the licensee or license applicant and the affected individual, in concurrent, separate notices, that the affected individual has a criminal conviction and needs to obtain a criminal record exemption.
- (1) The notice to the affected individual shall include a list of the conviction(s) that the Department is aware of at the time the notice is sent that must be addressed in an exemption request.
  - (2) The notice will list the information that must be submitted to request a criminal record exemption.
  - (3) The information must be submitted within forty-five (45) calendar days of the date of the Department's notice.
    - (A) Individuals who submit a criminal record exemption request shall cooperate with the Department by providing any information requested by the Department, including, but not limited to, certified court documents to process the exemption request, pursuant to Section 87356(e).
    - (B) If the individual for whom the criminal record exemption is requested is an employee or resident other than a spouse or dependent family member and the licensee/license applicant does not submit the information listed in the Department's written notice within 45 calendar days of the date of the notice, the Department may cease processing the exemption request and close the case.
    - (C) If the individual for whom the criminal record exemption is requested is an applicant, licensee, spouse or dependent family member and the licensee/license applicant does not submit the information listed in the Department's written notice within 45 calendar days of the date of the notice, the Department may deny the exemption request.
    - (D) Individuals may request a criminal record exemption on their own behalf if the licensee or license applicant:
      1. Chooses not to request the exemption and
      2. Chooses not to employ or terminates the individual's employment after receiving notice of the individual's criminal history, or
      3. Removes the individual who resides in the facility after receiving notice of the individual's criminal history.

**87356 CRIMINAL RECORD EXEMPTION (Continued)****87356**

- (e) The Department shall consider factors including, but not limited to, the following as evidence of good character and rehabilitation:
- (1) The nature of the crime including, but not limited to, whether it involved violence or a threat of violence to others.
  - (2) Period of time since the crime was committed and number of offenses.
  - (3) Circumstances surrounding the commission of the crime that would demonstrate the unlikelihood of repetition.
  - (4) Activities since conviction, such as employment or participation in therapy or education, that would indicate changed behavior.
  - (5) Granting by the Governor of a full and unconditional pardon.
  - (6) Character references.
    - (A) All character references shall be on a Reference Request form (LIC 301E - Exemptions [Rev. 7/03]).
  - (7) A certificate of rehabilitation from a superior court.
  - (8) Evidence of honesty and truthfulness as revealed in exemption application documents.
    - (A) Documents include, but are not limited to:
      1. A Criminal Record Statement (LIC 508, Criminal Record Statement [Rev. 1/03]) and
      2. The individual's written statement/explanation of the conviction and the circumstances about the arrest.
  - (9) Evidence of honesty and truthfulness as revealed in exemption application interviews and conversations with the Department.
- (f) The Department shall also consider the following factors in evaluating a request for an exemption:
- (1) Facility and type of association.
  - (2) The individual's age at the time the crime was committed.

**87356 CRIMINAL RECORD EXEMPTION (Continued)****87356**

- (g) The Department may deny an exemption request if:
- (1) The licensee and/or the affected individual fails to provide documents requested by the Department, or
  - (2) The licensee and/or the affected individual fails to cooperate with the Department in the exemption process.
- (h) The reasons for any exemption granted or denied shall be in writing and kept by the Department.
- (1) Exemption denial notices shall specify the reason the exemption was denied.
- (i) The Department has the authority to grant a criminal record exemption that places conditions on the individual's continued licensure, and employment or presence in a licensed facility.
- (j) It shall be conclusive evidence that the individual is not of such good character as to justify issuance of an exemption if the individual:
- (1) Makes a knowingly false or misleading statement regarding:
    - (A) Material relevant to their application for a criminal record clearance or exemption,
    - (B) His or her criminal record clearance or exemption status to obtain employment or permission to be present in a licensed facility, after the Department has ordered that they be excluded from any or all licensed facilities, or
    - (C) His or her criminal record clearance or exemption status in order to obtain a position with duties that are prohibited to him/her by a conditional exemption; or
  - (2) Is on probation or parole.
    - (A) If the individual is currently on probation, and provides sufficient proof that the probationary period(s) is informal, unsupervised and no probation officer is assigned, the Department may, in its discretion, grant a criminal record exemption notwithstanding Section 87356(j)(2).
- (k) The Department shall consider granting a criminal record exemption if the individual's criminal history meets all of the applicable criteria specified in Sections 87356(k)(1) through (6) and the individual provides the Department with substantial and convincing evidence of good character as specified in Section 87356(c)(4). For purposes of this section, a violent crime is a crime that, upon evaluation of the code section violated and/or the reports regarding the underlying offense, presents a risk of harm or violence.

**87356 CRIMINAL RECORD EXEMPTION (Continued)****87356**

- (1) The individual has been convicted of one nonviolent misdemeanor, and one year has lapsed since completing the most recent period of incarceration or probation.
  - (2) The individual has been convicted of two or more nonviolent misdemeanors and four consecutive years have lapsed since completing the most recent period of incarceration, probation or parole, whichever is latest.
  - (3) The individual has been convicted of one or more violent misdemeanors and 15 consecutive years have lapsed since completing the most recent period of incarceration, probation or parole, whichever is latest.
  - (4) The individual has been convicted of one nonviolent felony and four consecutive years have lapsed since completing the most recent period of incarceration, probation or parole, whichever is latest.
  - (5) The individual has been convicted of two or more nonviolent felonies and ten consecutive years have lapsed since completing the most recent period of incarceration, probation or parole, whichever is latest.
  - (6) The individual has not been convicted a violent felony.
  - (7) If the individual is currently on probation, and provides sufficient proof that the probationary period(s) is informal, unsupervised and no probation officer is assigned, the period of lapsed time required in Sections 87356(k)(1) through (5) above shall begin from the last date of conviction(s).
- (l) It shall be a rebuttable presumption that an individual is not of such good character as to justify the issuance of an exemption if the individual fails to meet the requirements specified in Sections 87356(k)(1) through (6).
- (m) The Department shall not grant an exemption if the individual has a conviction for any offense specified in section 1569.17(f)(1) of the Health and Safety Code.

**HANDBOOK ENDS HERE**

- (n) The Department shall consider granting a simplified criminal record exemption if the individual has the criminal history profile outlined in Sections 87356(n)(1) through (4) below:
  - (1) The individual does not have a demonstrated pattern of criminal activity;
  - (2) The individual has one or more convictions arising from a single incident of criminal conduct;
  - (3) Each conviction is a misdemeanor and is for a crime that is nonviolent and does not pose a risk of harm to an individual; and
  - (4) It has been at least five consecutive years since the date of conviction.
- (o) At the Department's discretion, an individual who is otherwise eligible for a simplified exemption may be required to go through the standard exemption process if the Department determines such action will help to protect the health and safety of clients.

**87356 CRIMINAL RECORD EXEMPTION (Continued)****87356**

- (p) If the Department denies or cannot grant a criminal record exemption the Department shall:
- (1) For initial applicants, deny the application.
  - (2) For current licensees, the Department may institute an administrative action, including but not limited to, revocation of the license.
  - (3) For current employees, exclude the affected individual pursuant to Health and Safety Code Section 1569.58, deny the application or revoke the license if the individual continues to provide services and/or reside at the facility.
  - (4) For individuals residing in the facility or the licensee, exclude the affected individual pursuant to Health and Safety Code Section 1569.58, deny the application or revoke the license, if the individual continues to provide services and/or reside at the facility.
- (q) If a request for an exemption has been denied, the individual shall be excluded for a period of two years unless the individual has been convicted of a crime for which no exemption may be granted pursuant to Section 87356(m). If a request for an exemption has been denied based on a conviction of a crime for which no exemption may be granted, the individual shall be excluded for the remainder of the individual's life.
- (1) If the Department determines during the review of an exemption request, that the individual was denied an exemption for a conviction of a crime for which an exemption may be granted within the preceding two years, the Department shall cease any further review of the request until two years have elapsed from the date of the denial. In cases where the individual requested a hearing on an exemption denial, the Department shall cease review of the request for an exemption until two years from the effective date of the decision and order of the Department upholding the denial. In cases where the individual submitted a petition for reinstatement or reduction in penalty pursuant to Government Code Section 11522 that was denied, the Department shall cease review of the request for an exemption until two years from the effective date of the decision and order of the Department denying the petition.
  - (2) An exclusion order based solely upon a denied exemption shall remain in effect and the individual shall not be employed in or present in a licensed facility or certified home, unless either a petition or an exemption is granted.
  - (3) If an individual who has previously been denied an exemption re-applies after the relevant time period described in Section 87356(q)(1) above, the Department may, in accordance with the provisions in Section 87356 et seq., grant or deny the subsequent request for an exemption.

**87356 CRIMINAL RECORD EXEMPTION (Continued)****87356**

- (4) If an individual submits a petition pursuant to Government Code section 11522 for reinstatement or reduction of penalty for an exclusion, an individual must submit his/her fingerprints through an electronic fingerprinting system approved by the Department and submit to the Department a statement of the reason why the individual should be permitted to work or be present in a facility, along with all information required of an individual requesting a criminal record exemption as provided in Section 87356. If it is determined, based upon information provided by the Department of Justice, that the individual has been convicted of a crime for which no exemption may be granted, the petition shall be denied. An individual's failure to submit fingerprints or other information as requested by the Department, shall be grounds for denial of the petition. The burden shall be on the petitioner to prove sufficient rehabilitation and good character to justify the granting of the petition.
- (r) A licensee or applicant for a license may request a transfer of a criminal record exemption from one state licensed facility to another by providing the following documents to the Department:
- (1) A signed Criminal Record Exemption Transfer Request, LIC 9188 (Rev. 9/03).
  - (2) A copy of the individual's:
    - (A) Driver's license, or
    - (B) Valid identification card issued by the Department of Motor Vehicles, or
    - (C) Valid photo identification issued by another state of the United States Government if the individual is not a California resident.
  - (3) Any other documentation required by the Department (e.g., LIC 508, Criminal Record Statement [Rev. 1/03] and job description).
  - (s) The Department may consider factors including, but not limited to, the following in determining whether or not to approve the transfer of an exemption from one facility to another:
    - (1) The basis on which the Department granted the exemption;
    - (2) The nature and frequency of client contact in the new position;
    - (3) The category of facility where the individual wishes to transfer;
    - (4) The type of clients in the facility where the individual wishes to transfer;

**87356 CRIMINAL RECORD EXEMPTION (Continued)****87356**

- (5) Whether the exemption was appropriately evaluated and granted in accordance with existing exemption laws or regulations; or
- (6) Whether the exemption meets current exemption laws or regulations.
- (t) If the Department denies the individual's request to transfer a criminal record exemption, the Department shall provide the individual and the licensee with written notification that states the Department's decision and informs the affected individual of their right to an administrative hearing to contest the Department's decision.
- (u) At the Department's discretion, an exemption may be rescinded if it is determined that:
  - (1) The exemption was granted in error, or
  - (2) The exemption does not meet current exemption laws or regulations, or
  - (3) The conviction for which an exemption was granted subsequently becomes non-exemptible by law.
- (v) The Department may rescind an individual's criminal record exemption if the Department obtains evidence showing that the individual engaged in conduct which is inconsistent with the good character requirement of a criminal record exemption, as evidenced by factors including, but not limited to, the following:
  - (1) Violations of licensing laws or regulations;
  - (2) Any conduct by the individual that indicates that the individual may pose a risk to the health and safety of any individual who is or may be a client;
  - (3) Nondisclosure of a conviction or evidence of lack of rehabilitation that the individual failed to disclose to the Department, even if it occurred before the exemption was issued; or
  - (4) The individual is convicted of a subsequent crime.
- (w) If the Department rescinds an exemption the Department shall:
  - (1) Notify the licensee and the affected individual in writing; and
  - (2) Initiate an administrative action.

**Article 7. Personnel****87405 ADMINISTRATOR - QUALIFICATIONS AND DUTIES****87405**

- (a) All facilities shall have a qualified and currently certified administrator. The licensee and the administrator may be one and the same person. The administrator shall have sufficient freedom from other responsibilities and shall be on the premises a sufficient number of hours to permit adequate attention to the management and administration of the facility as specified in this section. When the administrator is not in the facility, there shall be coverage by a designated substitute who shall have qualifications adequate to be responsible and accountable for management and administration of the facility as specified in this section. The Department may require that the administrator devote additional hours in the facility to fulfill his/her responsibilities when the need for such additional hours is substantiated by written documentation.
- (b) The administrator of a facility or facilities shall have the responsibility and authority to carry out the policies of the licensee.
- (c) Failure to comply with all licensing requirements pertaining to certified administrators may constitute cause for revocation of the license of the facility.
- (d) The administrator shall have the qualifications specified in Sections 87405(d)(1) through (7). If the licensee is also the administrator, all requirements for an administrator shall apply.
  - (1) Knowledge of the requirements for providing care and supervision appropriate to the residents.
  - (2) Knowledge of and ability to conform to the applicable laws, rules and regulations.
  - (3) Ability to maintain or supervise the maintenance of financial and other records.
  - (4) When applicable, the ability to direct the work of others.
  - (5) Good character and a continuing reputation of personal integrity.
  - (6) Have a high school diploma or equivalent, such as a General Education Development (GED) certificate.
  - (7) Be at least 21 years of age.
- (e) The administrator of a facility licensed for sixteen (16) to forty-nine (49) residents shall have completed, with a passing grade, at least fifteen (15) college or continuing education semester or equivalent quarter units; and shall have at least one year's experience providing residential care to the elderly; or equivalent education and experience as approved by the Department.
- (f) The administrator in facilities licensed for fifty (50) or more shall have two years of college; at least three years experience providing residential care to the elderly; or equivalent education and experience as approved by the licensing agency.

**87405 ADMINISTRATOR - QUALIFICATIONS AND DUTIES (Continued)****87405**

- (g) Administrators employed/licensed prior to July 1, 1982, shall not be required to comply with the college and continuing education requirements in Section 87405(e) or the college requirements in Section 87405(f) provided that they have no break in employment as a Residential Care Facility for the Elderly administrator exceeding three (3) consecutive years.
- (h) The administrator shall have the responsibility to:
- (1) Administer the facility in accordance with these regulations and established policy, program and budget.
  - (2) Where applicable, report to the licensee on the operation of the facility, and provide the licensee with necessary interpretations of recognized standards of care and supervision.
  - (3) Develop an administrative plan and procedures to ensure clear definition of lines of responsibility, equitable workloads, and adequate supervision.
  - (4) Recruit, employ and train qualified staff, and terminate employment of staff who perform in an unsatisfactory manner.
  - (5) Provide or ensure the provision of services to the residents with appropriate regard for the residents' physical and mental well-being and needs, including those services identified in the residents' Pre-Admission Appraisals, specified in Section 87457, Pre-admission Appraisal, and Reappraisal, as specified in Section 87463.
  - (6) Make special provisions for the safety and guidance of residents with visual or auditory deficiencies.
  - (7) Make provision for the resident with unmet needs to attend available community programs, including but not limited to, arranging for transportation.
  - (8) Have the personal characteristics, physical energy and competence to provide care and supervision and, where applicable, to work effectively with social agencies.
- (i) In those cases where the individual is both the licensee and the administrator of a residential care facility for the elderly, the individual shall comply with all of the licensee and certified administrator requirements.

**87406 ADMINISTRATOR CERTIFICATION REQUIREMENTS****87406**

- (a) All individuals shall be residential care facility for the elderly certificate holders prior to being employed as an administrator.
- (1) Applicants who possess a valid Nursing Home Administrator license, issued by the California Department of Public Health, shall be exempt from completing an approved Initial Certification Training Program and taking a written exam, provided the individual completes twelve (12) hours of classroom instruction in the following Core of Knowledge areas:
- (A) Four (4) hours of instruction in laws, regulations, policies, and procedural standards that impact the operations of residential care facilities for the elderly, including but not limited to the authority referenced in this Chapter.
- (B) Four (4) hours of instruction in medication management, including the use, misuse, and interaction of drugs commonly used by the elderly, including antipsychotics, and the adverse effects of psychotropic drugs for use in controlling the behavior of persons with dementia.
- (C) Four (4) hours of instruction in resident admission, retention, and assessment procedures.
- (2) Individuals who were both the licensee and administrator on or before July 1, 1991, shall complete an Initial Certification Training Program but shall not be required to take the written exam. Individuals exempted from the written exam shall be issued a conditional certification valid only for the administrator of the facility for which the exemption was granted.
- (A) As a condition to becoming a certified administrator of another facility, a holder of a conditional certificate issued pursuant to Section 87406(a)(2) shall be required to pass the written exam.
- (B) As a condition to applying for a new facility license, the holder of a conditional certificate issued pursuant to Section 87406(a)(2) shall be required to pass the written exam.
- (3) An applicant for licensure shall be subject to the same application process for Initial Certification of Administrators as set forth in Section 87406(b).
- (b) To receive his/her certificate an applicant shall:
- (1) Unless exempted by Section 87406(a)(1), successfully complete a Department-approved Initial Certification Training Program as described in Section 87785(h).
- (2) Unless exempted by Section 87406(a)(1) or (a)(2), pass a written exam developed and administered by the Department within sixty (60) days of completion of an Initial Certification Training Program and within three (3) attempts.

**87406 ADMINISTRATOR CERTIFICATION REQUIREMENTS (Continued) 87406**

- (3) Submit a completed Application for Administrator Certification form LIC 9214 to the Department's Administrator Certification section within thirty (30) days of being notified of having passed the exam, or if the applicant is exempt from taking the written exam, within 30 days of completing the Initial Certification Training Program. The application shall contain the following:
- (A) The applicant's name, address, e-mail address, phone number(s), and date of birth.
  - (B) A statement of whether or not the applicant:
    - (i) Held or currently holds a license, certification or other approval as a professional in a specified field and the certificate or license number(s).
    - (ii) Held or currently holds a State-issued care facility license or was or is employed by a State-licensed care facility and the license number.
    - (iii) Was the subject of any legal, administrative or other action involving licensure, certification or other approvals as specified in Sections 87406(b)(3)(B)(i) and (ii).
  - (C) Proof that the applicant has successfully completed a Department-approved Initial Certification Training Program or, in the case of a Nursing Home Administrator, proof of completion of the required hours of classroom instruction as specified in Section 87406(a)(1).
  - (D) Documentation of passing the written exam or qualifying for an exemption pursuant to Section 87406(a)(1) or (a)(2).
  - (E) A statement certifying that the information submitted is true and correct.
  - (F) A completed Criminal Record Statement form LIC 508.
  - (G) A completed Request for Live Scan Service form LIC 9163, signed and dated by the live scan vendor, to document that the applicant has submitted fingerprints to the Department of Justice at a live scan location, or a statement that the applicant has a current criminal record clearance or an exemption on file with the Department.
  - (H) A non-refundable one hundred dollar (\$100) processing fee.
  - (I) A copy of the front and back of his/her current nursing home wallet license, or equivalent, if the applicant is a current Nursing Home Administrator.
- (c) The Department shall not issue a certificate until it receives notification from the Department of Justice that the applicant has a criminal record clearance or an exemption pursuant to Health and Safety Code section 1569.17 or is able to transfer a current criminal record clearance or an exemption pursuant to Health and Safety Code section 1569.17(g)(1).

**87406 ADMINISTRATOR CERTIFICATION REQUIREMENTS (Continued)****87406**

- (d) No person shall cheat on, subvert, or attempt to subvert, the exam given by the Department, including, but not limited to, engaging in, soliciting, or procuring any of the following:
- (1) Any form of communication between one or more examinees and any other person, other than a proctor or exam official, while the exam is in progress.
  - (2) The taking of all or a part of the exam by a person other than the applicant.
  - (3) Possession or use at any time during the exam or while the examinee is on the exam premises of any device, material, or document that is not expressly authorized for use by examinees during the exam, including, but not limited to, notes, crib sheets, textbooks, and electronic devices.
  - (4) Failure to follow any exam instruction or rule related to exam security.
- (e) Any applicant caught willfully cheating under this section shall be deemed to have failed that exam and may be denied certification pursuant to Section 87408 as a result of the conduct.
- (f) It shall be unlawful for any person not certified under this section to hold himself or herself out as a certified administrator. Any person willfully making any false representation as being a certified administrator is guilty of a misdemeanor.
- (g) Certificates issued under this section shall be renewed every two (2) years provided the certificate holder has complied with all renewal requirements.
- (h) Certificates shall be valid for a period of two (2) years and expire on either the anniversary date of initial issuance or on the individual's birthday during the second calendar year following certification.
- (1) The certificate holder shall make an irrevocable election to have his or her recertification date for any subsequent recertification either on the date two (2) years from the date of issuance of the certificate or on the individual's birthday during the second calendar year following certification.
- (i) Time deadlines specified in Sections 87406(b)(2) and (3) may be extended up to sixty (60) days in total for good cause as determined by the Department. Any request for an extension of time shall be made in writing to the Administrator Certification Section Manager within sixty (60) days of completing the Initial Certification Training Program and shall contain a statement of all facts the applicant believes constitute good cause to extend a time deadline.
- (1) Good cause may include death of an immediate family member, required fulfillment of military service or other civic duty, or another unavoidable and verifiable event as determined by the Department. Failure of the exam shall not constitute good cause for an extension.

**87406 ADMINISTRATOR CERTIFICATION REQUIREMENTS (Continued) 87406**

- (2) Absent a good cause extension, the Department shall not process and may deem withdrawn an application that fails to meet the time deadlines specified in Sections 87406(b)(2) or (3).
- (3) Any applicant who fails to meet the time deadlines specified in Sections 87406(b)(2) and (3) must begin the certification process described in Section 87406(b) anew, and complete it within the time deadlines specified in Sections 87406(b)(2) and (3).

**87407 ADMINISTRATOR RECERTIFICATION REQUIREMENTS 87407**

- (a) Administrators shall complete at least forty (40) classroom hours of continuing education during each two (2)-year certification period, including.
  - (1) For administrators who renew their administrator certification on or after January 1, 2003, at least eight (8) hours in subjects related to serving residents with Alzheimer's Disease and other dementias, including, but not limited to, instruction related to direct care, physical environment, and admissions procedures and assessment.
    - (A) This instruction may be taken as a single eight (8)-hour class or in smaller increments that total at least eight (8) hours within each two (2)-year renewal period.
  - (2) At least four (4) hours of instruction in laws, regulations, policies, and procedural standards that impact the operation of residential care facilities for the elderly, including but not limited to the regulations contained in this Chapter.
  - (3) If not included in the certified administrator's Initial Certification Training Program, at least one (1) hour of instruction in cultural competency and sensitivity in issues relating to the underserved aging lesbian, gay, bisexual, and transgender community.
- (b) Continuing education hours must be sufficiently related by subject matter and logic to the Core of Knowledge, current and relevant to facility operations and care, and completed through courses approved for residential care facility for the elderly administrators by the Department.
- (c) Courses approved for continuing education credit shall require the physical presence of the certificate holder in a classroom setting as defined in Section 87101(c)(7), except that up to one-half of the required forty (40) hours of continuing education necessary to renew the certificate may be satisfied through interactive online courses as specified in Section 87788(i)(1).
  - (1) The Department will not count toward the continuing education requirements more than ten (10) hours of instruction, in-class and/or online, completed in a single day.

**87407 ADMINISTRATOR RECERTIFICATION REQUIREMENTS (Continued) 87407**

- (2) Home study or correspondence-type courses will not be counted toward completion of continuing education requirements as they are not interactive by design.
  - (3) Completion of an Initial Certification Training Program or component(s) thereof will not be counted toward completion of continuing education requirements as the Program is intended for new administrators.
  - (4) Any specific continuing education course may only be accepted once per renewal period toward completion of the continuing education requirements.
- (d) To apply for recertification prior to the expiration date of the certificate, the certificate holder shall submit to the Department's Administrator Certification Section, post-marked on, or up to ninety (90) days before, the certificate expiration date:
- (1) A completed Application for Administrator Certification form LIC 9214.
  - (2) Evidence of completion of forty (40) continuing education hours as specified in Section 87407(a), or, if applicable, twenty (20) continuing education hours as specified in Section 87407(g).
  - (3) Payment of a non-refundable one hundred dollar (\$100) processing fee.
  - (4) A copy of the front and back of his/her current nursing home wallet license, or equivalent, if the applicant is a current Nursing Home Administrator.
- (e) To apply for recertification after the expiration date of the certificate, but within four (4) years of the certificate expiration date, the certificate holder shall submit to the Department's Administrator Certification Section:
- (1) A completed Application for Administrator Certification form LIC 9214.
  - (2) Evidence of completion of the required continuing education hours as specified in Section 87407(a), or 87407(g), if applicable. The total number of hours required for recertification shall be determined by computing the number of continuing education hours the certificate holder would have been required to complete if they had remained certified. The date of computation shall be the date application for renewal is received by the Department's Administrator Certification Section.
  - (3) Payment of a non-refundable delinquency fee equal to three times the one hundred dollar (\$100) renewal fee, or three hundred dollars (\$300).
  - (4) A copy of the front and back of his/her current nursing home wallet license, or equivalent, if the applicant is a current Nursing Home Administrator.
- (f) Certificates not renewed within four (4) years of their expiration date shall not be renewed, restored, reissued or reinstated.

**87407 ADMINISTRATOR RECERTIFICATION REQUIREMENTS (Continued) 87407**

- (1) Holders of certificates not renewed within four (4) years of their expiration date must begin anew the certification process specified in Section 87406(b).
- (g) Certificate holders who possess a valid Nursing Home Administrator license shall be required to complete only twenty (20) of the required forty (40) hours of continuing education, but including the requirements of Section 87407(a)(1)-(3).
- (h) Certificate holders, as a condition of recertification, shall have a current criminal record clearance or exemption.
- (i) A non-refundable processing fee of twenty-five dollars (\$25) shall be paid for the replacement of a lost certificate.
- (j) A certificate holder shall report any change of mailing address within thirty (30) days of the change to the Department's Administrator Certification Section.
- (k) Whenever a certified administrator assumes or relinquishes responsibility for administering a residential care facility for the elderly, he or she shall provide written notice, within thirty (30) days, to:
  - (1) The local licensing office responsible for receiving information regarding personnel changes at the licensed facility with whom the certificate holder is or was associated, and
  - (2) The Department's Administrator Certification Section.

**87408 ADMINISTRATOR CERTIFICATE DENIAL OR REVOCATION 87408**

- (a) The Department may deny or revoke any administrator certificate for violation of licensing regulations or on any of the following grounds:
  - (1) The certificate holder or applicant procured or attempted to procure a certificate by fraud, misrepresentation, bribery, or other unlawful behavior.
  - (2) The certificate holder or applicant knowingly made or gave a false statement or information in conjunction with the application for a certificate.
  - (3) The Department has issued an exclusion order against the certificate holder pursuant to Health and Safety Code sections 1558, 1568.092, 1569.58 or 1596.8897 after the Department issued the certificate, and;
    - (A) The certificate holder did not appeal the exclusion order, or

**87408 ADMINISTRATOR CERTIFICATE DENIAL OR REVOCATION**  
(Continued)**87408**

- (B) After the appeal, the Department issued a decision and order that upheld the exclusion order.
- (4) The certificate holder or applicant does not have a current criminal record clearance or exemption.
- (5) The certificate holder fails to comply with certificate renewal requirements.
  - (A) The Department may reinstate a certificate that has been revoked for failure to comply with certificate renewal requirements provided all conditions for recertification have been satisfied, including payment of all appropriate renewal and delinquency fees.
- (6) The certificate holder engaged in conduct which is inimical to the health, morals, welfare, or safety of either an individual in or receiving services from the facility or the people of the State of California.
- (b) Any denial or revocation of an administrator certificate may be appealed as provided by Health and Safety Code section 1569.51.
- (c) Unless otherwise ordered by the Department, any application for an administrator certificate submitted after a denial or revocation action shall be processed in accordance with the provisions of Health and Safety Code section 1569.16.

**87411 PERSONNEL REQUIREMENTS - GENERAL**

- (a) Facility personnel shall at all times be sufficient in numbers, and competent to provide the services necessary to meet resident needs. In facilities licensed for sixteen or more, sufficient support staff shall be employed to ensure provision of personal assistance and care as required in Section 87608, Postural Supports. Additional staff shall be employed as necessary to perform office work, cooking, house cleaning, laundering, and maintenance of buildings, equipment and grounds. The licensing agency may require any facility to provide additional staff whenever it determines through documentation that the needs of the particular residents, the extent of services provided, or the physical arrangements of the facility require such additional staff for the provision of adequate services.
- (b) All persons who supervise employees or who supervise or care for residents shall be at least eighteen (18) years of age.

**87411 PERSONNEL REQUIREMENTS - GENERAL (Continued)**

- (c) All RCFE staff who assist residents with personal activities of daily living shall receive initial and annual training as specified in Health and Safety Code sections 1569.625 and 1569.69.
- (1) Staff providing care shall receive appropriate training in first aid from persons qualified by such agencies as the American Red Cross.
  - (2) This training shall be administered on the job, in a classroom setting, or any combination of the two.
  - (3) The training shall include, but not be limited to, the following:
    - (A) The aging process and physical limitations and special needs of the elderly.
    - (B) Importance and techniques of personal care services, including but not limited to, bathing, grooming, dressing, feeding, toileting, and infection control, as specified in Section 87470, Infection Control Requirements.
    - (C) Residents rights, as specified in Section 87468, Personal Rights.
    - (D) Policies and procedures regarding medications, including the knowledge in Section 87411(d)(4). Any on-the-job training provided for the requirements in Section 87411(d)(4) may also count towards the requirement in this subsection.
    - (E) Psychosocial needs of the elderly, such as recreation, companionship, independence, etc.
    - (F) Recognizing signs and symptoms of dementia in individuals.
  - (4) All training shall be conducted by a person who is knowledgeable in a subject that is relevant to the subject area in which training is to be provided, and who satisfies at least one of the following criteria related to education and experience:
    - (A) Both a four-year college degree, graduate degree or professional degree, and two (2) years of experience in an area relevant to caring for the needs of the elderly, or
    - (B) License to work as a health care provider in California, or
    - (C) At least two years of experience in California as an administrator of an RCFE, within the last eight years, and with a record of administering facilities in substantial compliance, as defined in Section 87101(s)(9).

**87411 PERSONNEL REQUIREMENTS - GENERAL (Continued)**

- (5) Training may include use of books, video instruction tapes, interactive CD-ROMs and similar materials, upon the approval of that material by a trainer who satisfies the criteria of Section 87411(c)(3).
  - (6) The licensee shall maintain documentation pertaining to staff training in the personnel records, as specified in Section 87412(c)(2). For on-the-job training, documentation shall consist of a statement or notation, made by the trainer, of the content covered in the training. Each item of documentation shall include a notation that indicates which of the criteria of Section 87411(c)(3) is met by the trainer.
- (d) All personnel shall be given on the job training or have related experience in the job assigned to them. This training and/or related experience shall provide knowledge of and skill in the following, as appropriate for the job assigned and as evidenced by safe and effective job performance:
- (1) Principles of good nutrition, good food preparation and storage, and menu planning.
  - (2) Housekeeping and sanitation principles.
  - (3) Skill and knowledge required to provide necessary resident care and supervision, including the ability to communicate with residents.
  - (4) Knowledge required to safely assist with prescribed medications which are self-administered.
  - (5) Knowledge necessary in order to recognize early signs of illness and the need for professional help.
  - (6) Knowledge of community services and resources.
- (e) In facilities licensed for sixteen (16) or more, the requirements of Section 87411(d) shall be met with planned on the job training program that utilizes orientation, skill training and continuing education.
- (f) All personnel, including the licensee and administrator, shall be in good health, and physically and mentally capable of performing assigned tasks. Good physical health shall be verified by a health screening, including a chest x-ray or an intradermal test, performed by a physician not more than six (6) months prior to or seven (7) days after employment or licensure. A report shall be made of each screening, signed by the examining physician. The report shall indicate whether the person is physically qualified to perform the duties to be assigned, and whether he/she has any health condition that would create a hazard to him/herself, other staff members or residents. A signed statement shall be obtained from each volunteer affirming that he/she is in good health. Personnel with evidence of physical illness or emotional instability that poses a significant threat to the well-being of residents shall be relieved of their duties.

**87411 PERSONNEL REQUIREMENTS - GENERAL (Continued)**

- (g) Prior to employment or initial presence in the facility, all employees and volunteers subject to a criminal record review shall:
- (1) Obtain a California clearance or a criminal record exemption as required by law or Department regulations or
  - (2) Request a transfer of a criminal record clearance as specified in Section 87355(c) or
  - (3) Request and be approved for a transfer of a criminal record exemption, as specified in Section 87356(r), unless, upon request for a transfer, the Department permits the individual to be employed, reside or be present at the facility.
- (h) All services requiring specialized skills shall be performed by personnel qualified by training or experience in accordance with recognized professional standards.
- (i) Residents shall not be used as substitutes for required staff but may, as a voluntary part of their program of activities, participate in household duties and other tasks suited to the resident's needs and abilities.
- (j) Volunteers may be utilized but may not be included in the facility staffing plan. Volunteers shall be supervised.

    - (A) A signed statement regarding their criminal record history as required by Section 87355(d).

**87412 PERSONNEL RECORDS (Continued)****87412**

- (B) Documentation of either a criminal record clearance or a criminal record exemption as required by Section 87355(e).
- (c) Licensees shall maintain in the personnel records verification of required staff training and orientation.
  - (1) The following staff training and orientation shall be documented:
    - (A) For staff who assist with personal activities of daily living, there shall be documentation of at least ten hours of initial training within the first four weeks of employment, and at least four hours of training annually thereafter in one or more of the content areas as specified in Section 87411(c)(2).
    - (B) For staff who provide direct care to residents with dementia in a facility in which the licensee advertises dementia special care, programming, and/or environments, the licensee shall document the following:
      - 1. The orientation received as specified in Section 87707(a)(1).
      - 2. The in-service training received as specified in Section 87707(a)(2).
  - (2) Documentation of staff training shall include:
    - (A) Trainer's full name;
    - (B) Subject(s) covered in the training;
    - (C) Date(s) of attendance; and
    - (D) Number of training hours per subject.
      - 1. If the training is provided by a trainer in a classroom setting, documentation shall consist of notices of course completion signed by the trainer.
      - 2. If the educational hours/units are obtained through an accredited educational institution, documentation shall include a copy of a transcript or official grade slip showing a passing mark.
      - 3. If the educational hours/units are obtained through continuing education, documentation shall include a transcript or official grade slip showing a passing mark, if applicable, or a Certificate of Completion.

**87412 PERSONNEL RECORDS (Continued)****87412**

- (d) The licensee shall maintain documentation that an administrator has met the certification requirements specified in Section 87406, Administrator Certification Requirements or the recertification requirements in Section 87407, Administrator Recertification Requirements.
- (e) In all cases, personnel records shall demonstrate adequate staff coverage necessary for facility operation by documenting the hours actually worked.
- (f) All personnel records shall be available to the licensing agency to inspect, audit, and copy upon demand during normal business hours. Records may be removed if necessary for copying. Removal of records shall be subject to the following requirements:
  - (1) Licensing representatives shall not remove any current emergency or health-related information for current personnel unless the same information is otherwise readily available in another document or format.
  - (2) Prior to removing any records, a licensing representative shall prepare a list of the records to be removed, sign and date the list upon removal of the records, and leave a copy of the list with the administrator or designee.
  - (3) Licensing representatives shall return the records undamaged and in good order within three business days following the date the records were removed.
- (g) All personnel records shall be maintained at the facility.
  - (1) The licensee shall be permitted to retain such records in a central administrative location provided that they are readily available to the licensing agency at the facility as specified in Section 87412(f).
- (h) All personnel records shall be retained for at least three (3) years following termination of employment.

**87455 ACCEPTANCE AND RETENTION LIMITATIONS**

- (a) Acceptance or retention of residents by a licensee shall be in accordance with the criteria specified in this Chapter 8, thereby allowing residents to age in place in the least restrictive environment when appropriate.
- (b) The following persons may be accepted or retained by the licensee:
  - (1) Persons capable of administering their own medications.
  - (2) Persons receiving medical care and treatment outside the facility or who are receiving needed medical care from a visiting nurse.
  - (3) Persons who may need assistance with self-administration of medication as specified in Section 87465, Incidental Medical and Dental Care Services.
  - (4) Persons who display behavioral expression as defined in Section 87101, Definitions.
  - (5) Persons who may need assistance with managing money.
  - (6) Persons with mild temporary emotional disturbance resulting from personal loss or change in living arrangement.
  - (7) Persons who are bedridden provided the requirements of Section 87606 are met.
  - (8) Persons who are under 60 years of age whose needs are compatible with other residents in care, if they require the same amount of care and supervision as do the other residents in the facility.
  - (9) Persons who have been diagnosed as terminally ill and who have obtained the services of hospice, certified in accordance with federal medicare conditions of participation and licensure, provided the licensee has obtained a facility hospice care waiver in accordance with the provisions of Section 87632, Hospice Care Waiver, and hospice care is being provided in accordance with the provisions of Section 87633, Hospice Care for Terminally Ill Residents.

**87455 ACCEPTANCE AND RETENTION LIMITATIONS (Continued)**

- (c) No resident shall be accepted or retained if any of the following apply:
- (1) The resident has active communicable tuberculosis.
  - (2) The resident requires 24-hour, skilled nursing or intermediate care as specified in Health and Safety Code Sections 1569.72(a) and (a)(1):

**HANDBOOK CONTINUES**

- (2) The terminally ill resident, or the terminally ill person to be accepted as a resident, has obtained the services of a hospice certified in accordance with federal medicare conditions of participation and licensed pursuant to Chapter 8 (commencing with Section 1725) or Chapter 8.5 (commencing with Section 1745).
- (3) The facility, in the judgment of the department, has the ability to provide care and supervision appropriate to meet the needs of the terminally ill resident or the terminally ill person to be accepted as a resident, and is in substantial compliance with regulations governing the operation of residential care facilities for the elderly.
- (4) The hospice has agreed to design and provide for care, services, and necessary medical intervention related to the terminal illness as necessary to supplement the care and supervision provided by the facility.
- (5) An agreement has been executed between the facility and the hospice regarding the care plan for the terminally ill resident or terminally ill person to be accepted as a resident. The care plan shall designate the primary caregiver, identify other caregivers, and outline the tasks the facility is responsible for performing and the approximate frequency with which they shall be performed. The care plan shall specifically limit the facility's role for care and supervision to those tasks allowed under this chapter..."

**87456 EVALUATION OF SUITABILITY FOR ADMISSION**

- (a) Prior to accepting a resident for care and in order to evaluate his/her suitability, the facility shall, as specified in this article 8:
- (1) Conduct an interview with the applicant and his responsible person.
  - (2) Perform a pre-admission appraisal.
  - (3) Obtain and evaluate a recent medical assessment.
  - (4) Execute the admissions agreement.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.1, 1569.2 and 1569.312, Health and Safety Code.

**87457 PRE-ADMISSION APPRAISAL**

- (a) Prior to admission, the prospective resident and his/her responsible person, if any, shall be interviewed by the licensee or the employee responsible for facility admissions.
- (1) Sufficient information about the facility and its services shall be provided to enable all persons involved in the placement to make an informed decision regarding admission.
  - (2) The prospective resident's desires regarding admission, and his/her background, including any specific service needs, medical background and functional limitations shall be discussed.
- (b) No person shall be admitted without his/her consent and agreement, or that of his/her responsible person, if any.
- (c) Prior to admission a determination of the prospective resident's suitability for admission shall be completed and shall include an appraisal of their individual service needs in comparison with the admission criteria specified in Section 87455, Acceptance and Retention Limitations.
- (1) The appraisal shall document, at a minimum:
    - (A) An evaluation of the prospective resident's functional capabilities, mental condition, and social factors as specified in Sections 87459, Functional Capabilities and 87462, Social Factors.
    - (B) Whether the prospective resident's or other residents' safety would be at risk if the prospective resident is allowed access to any of the items specified in Section 87307, Personal Accommodations and Services and in Section 87309, Storage Space and Access.

**87457 PRE-ADMISSION APPRAISAL (Continued)**

- (2) Except as provided in Section 87638(g)(3), if an initial appraisal or any reappraisal identifies an individual resident service need which is not being met by the general program of facility services, advice shall then be obtained from a physician, social worker, or other appropriate consultant to determine if the needs can be met by the facility. If so, the licensee and the consultant shall develop a plan of action which shall include:
- (A) Objectives, within a time frame, which relate to the resident's problems and/or unmet needs.
  - (B) Plans for meeting the objectives.
  - (C) Identification of any individuals or agencies responsible for implementing each part of the plan.
  - (D) Method of evaluating progress.
- (3) The prospective resident, or his/her responsible person, if any, shall be involved in the development of the appraisal.
- (A) Repealed by Manual Letter No. CCL-08-01, effective 3/5/08.
- (4) If a needs assessment has already been completed by a placement agency or consultant, this shall be obtained and included in the facility's appraisal.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.1, 1569.2 and 1569.312, Health and Safety Code.

**87458 MEDICAL ASSESSMENT**

- (a) Prior to a person's acceptance as a resident, the licensee shall obtain documentation of a medical assessment, signed by a licensed medical professional acting within the scope of their practice and made within the last year, to be kept in the resident's record.
- (b) The licensee shall obtain an updated medical assessment when required by the Department.
- (c) The medical assessment shall include, but not be limited to:
  - (1) A physical examination of the resident indicating the licensed medical professional's diagnosis or diagnoses and results of an examination for all of the following:
    - (A) Communicable tuberculosis.
    - (B) Infectious diseases.

**87458 MEDICAL ASSESSMENT (Continued)****87458**

- (C) Contagious diseases.
- (D) Other medical conditions.
- (2) Documentation of prior medical services and history and current medical status including, but not limited to height, weight, and blood pressure.
- (3) A record of current prescribed medications, and an indication of whether the medication should be centrally stored, pursuant to Section 87465, Incidental Medical and Dental Care Services.
- (4) Identification of physical limitations of the person to determine his/her capability to participate in the programs provided by the licensee, including any medically necessary diet limitations.
- (5) The determination whether the person is ambulatory or nonambulatory as defined in Section 87101, Definitions, or bedridden as defined in Health and Safety Code section 1569.72. The assessment shall indicate whether nonambulatory status is based upon the resident's physical condition, mental condition, or both.

---

---

**HANDBOOK BEGINS HERE**

Health and Safety Code section 1569.72 provides in part:

"(b)(1) For the purposes of this section, 'bedridden' means requiring assistance in turning and repositioning in bed or being unable to independently transfer to and from bed, except in a facility with appropriate and sufficient care staff, mechanical devices, if necessary, and safety precautions, as determined by the director in regulations."

**87459 FUNCTIONAL CAPABILITIES****87459**

- (a) The facility shall assess the person's need for personal assistance and care by determining his/her ability to perform specified activities of daily living. Such activities shall include, but not be limited to:
- (1) Bathing, including need for assistance:
    - (A) In getting in and out of the bath.
    - (B) In bathing one or more parts of the body.
    - (C) Through use of grab bars.
  - (2) Dressing and grooming, including the need for partial or complete assistance.
  - (3) Toileting, including the need for:
    - (A) Assistance equipment.
    - (B) Assistance of another person.
  - (4) Transferring, including the need for assistance in moving in and out of a bed or chair.
  - (5) Continence, including:
    - (A) Bowel and bladder control.
    - (B) Whether assistive devices such as a catheter are used.
  - (6) Eating, including the need for:
    - (A) Adaptive devices.
    - (B) Assistance from another person.
  - (7) Physical condition, including:
    - (A) Vision.
    - (B) Hearing.
    - (C) Speech.

**87459 FUNCTIONAL CAPABILITIES (Continued)**

- (D) Walking with or without equipment or other assistance.
- (E) Dietary limitations.
- (F) Medical history and problems.
- (G) Need for prescribed medications.

**87461 MENTAL CONDITIONS**

- (a) The facility shall determine the amount of supervision necessary by assessing the mental status of the prospective resident to determine if the individual:
  - (1) tends to wander;
  - (2) is confused or forgetful;
  - (3) is capable of managing his/her own cash resources;
  - (4) actively participates in social activities or is withdrawn;
  - (5) has a documented history of behaviors which may result in harm to self or others.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.1, 1569.2, 1569.31, 1569.312 and 1569.316, Health and Safety Code.

**87462 SOCIAL FACTORS**

The facility shall obtain sufficient information about each person's likes and dislikes and interests and activities, to determine if the living arrangements in the facility will be satisfactory, and to suggest the program of activities in which the individual may wish to participate.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.1, 1569.2, 1569.31 and 1569.312, Health and Safety Code.

**87463 REAPPRAISALS**

- (a) The pre-admission appraisal, as specified in Section 87457, Pre-Admission Appraisal, shall be updated in writing as frequently as necessary or once every 12 months, whichever occurs first, to note significant changes in condition, as defined in Section 87101, Definitions, and to keep the appraisal accurate. For the purposes of this section, the updated pre-admission appraisal shall be referred to as the reappraisal.
- (b) The reappraisal shall document significant changes in the resident's physical, mental, cognitive, behavioral, or functional condition, including those required to be documented as specified in Section 87466, Observation of the Resident.
  - (1) Significant changes in condition, as defined in Section 87101, Definitions, include, but are not limited, to:
    - (A) Physical trauma, such as a heart attack or stroke.
    - (B) Cognitive functions, such as thinking, remembering, reasoning, exercising judgement, and decision-making.
    - (C) Behavioral expression, as defined in Section 87101, Definitions, that may result in harm to self or others, such as unsafe wandering, elopement, hallucinations, lacking in hazard awareness, or lacking in impulse control.
    - (D) A mental or social trauma, such as the loss of a loved one.
    - (E) Illness or injury that results in a significant change in the health care or dietary needs of the resident.
    - (F) Whether the resident's and other residents' safety would be at risk if the resident is allowed to have access to any of the items specified in Section 87307, Personal Accommodations and Services and in Section 87309, Storage Space and Access.
- (c) If the licensee observes or is made aware of behavioral expression, as defined in Section 87101, that has caused or may cause harm to the resident or others, the licensee shall document all of the following in the resident's reappraisal:
  - (1) A description of the behavioral expression.
  - (2) If known, identification of events occurring just prior to the behavioral expression including, but not limited to, interactions with other residents or staff, sudden or recent changes in the physical environment, signs of possible new physical illness or injury (such as fever, cough, urinary urgency, or limping), overstimulation (such as from noise or visitors), or physical sensations a resident may not be able to express verbally that may include, but are not limited to, fatigue, heat, cold, pain, hunger, thirst, boredom, fear, wanting to walk, or need for toileting.

**87463 REAPPRAISALS (Continued)**

- (3) Interventions to be implemented to minimize the risks to the health and safety of the resident or others associated with the resident's behavioral expression. The licensee shall use the least restrictive intervention to manage the behavioral expression based on the individual needs of the resident.
- (d) If a resident is receiving specialized services, the licensee shall consult with those care providers in order to ensure changes in the resident's condition are properly addressed, document such consultation, and place documentation in the resident's record.
- (e) The licensee shall immediately, or as soon as reasonably possible, bring any significant change in condition, as defined in Section 87101, Definitions, to the attention of the appropriate licensed medical professional and if applicable, other specialized care provider. Documentation of such communication shall be added to the resident's record and shall include:
  - (1) Description of the significant change in condition;
  - (2) Date and time the communication occurred and the name of the appropriate licensed medical professional, and if applicable, other specialized care provider, with whom the licensee communicated;
  - (3) Recommendation, if any, of the appropriate licensed medical professional, and if applicable, other specialized care provider; and
  - (4) Change in care to be provided, if any.
- (f) The licensee shall immediately, or as soon as reasonably possible, communicate with the resident and, if applicable, the resident's representative, about any significant change in condition and the recommendation, if any, of the appropriate licensed medical professional, and if applicable, other specialized care provider. Documentation of such communication shall be added to the resident's record.
- (g) The licensee shall ensure corresponding changes are made in the care and supervision provided to the resident.
- (h) The licensee shall request that all residents receive an annual routine visit with a licensed medical professional once every twelve months, either in person or by video appointment.
  - (1) Documentation of the annual routine visit, such as a visit summary, shall be added to the resident's record.
  - (2) Documentation of a resident's refusal to receive an annual routine visit, or if applicable, their representative's refusal on their behalf, shall be added to the resident's record.
  - (3) If a resident refuses to receive an annual routine visit, or if applicable, their representative refuses an annual routine visit on their behalf, but later agrees to one, documentation of the annual routine visit shall be added to the resident's record.

**87463 REAPPRAISALS (Continued)**

- (i) When there is significant change in condition, as defined in Section 87101, Definitions, or once every 12 months, whichever occurs first, the licensee shall arrange an in-person or virtual meeting or conference call to share the reappraisal with the resident, the resident's representative, if applicable, and appropriate facility staff, as specified in Section 87467, Resident Participation in Decision Making.
- (j) The licensee shall evaluate staffing needs to ensure that there is a sufficient number of direct care staff, as specified in Section 87411, Personnel Requirements -- General, to support each resident's physical, social, emotional, safety and health care needs, as identified in their current appraisal.

**87464 BASIC SERVICES**

- (a) The services provided by the facility shall be conducted so as to continue and promote, to the extent possible, independence and self-direction for all persons accepted for care. Such persons shall be encouraged to participate as fully as their conditions permit in daily living activities both in the facility and in the community.
- (b) As used in this chapter, basic services are those services required to be provided in order to obtain and maintain a license.
- (c) The admission agreement shall specify which of the basic services are desired and/or needed by, and will be provided for, each resident.
- (d) A facility need not accept a particular resident for care. However, if a facility chooses to accept a particular resident for care, the facility shall be responsible for meeting the resident's needs as identified in the pre-admission appraisal specified in Section 87457, Pre-admission Appraisal and providing the other basic services specified below, either directly or through outside resources.
- (e) If the resident is an SSI/SSP recipient, then the basic services shall be provided and/or made available at the basic rate at no additional charge to the resident.
  - (1) This shall not preclude the acceptance by the facility of voluntary contributions from relatives or others on behalf of an SSI/SSP recipient.

---

**HANDBOOK BEGINS HERE**

- (A) The Social Security Administration has interpreted Federal Regulations (20 CFR 416.1102, 416.1103, and 416.1145) to mean that any contribution given directly to the facility on behalf of an SSI/SSP recipient will not count as income (i.e., will not reduce the recipient's SSI/SSP check) if the payment is used for items other than food, clothing or shelter (e.g., care and supervision).

**87464 BASIC SERVICES (Continued)**

- (2) An extra charge to the resident shall be allowed for a private room if a double room is made available but the resident prefers a private room, provided the arrangement is documented in the admissions agreement and the charge is limited to 10% of the Board and Room portion of the SSI/SSP grant.
  - (3) An extra charge to the resident shall be allowed for provision of special food services or products beyond that specified in (f)(2) below, when the resident wishes to purchase the services and agrees to the extra charge in the admission agreement.
- (f) Basic services shall at a minimum include:
- (1) Care and supervision as defined in Section 87101(c)(3) and Health and Safety Code section 1569.2(c).

---

**HANDBOOK BEGINS HERE**

---

Health and Safety Code section 1569.2(c) provides:

(c) "Care and supervision" means the facility assumes responsibility for, or provides or promises to provide in the future, ongoing assistance with activities of daily living without which the resident's physical health, mental health, safety, or welfare would be endangered. Assistance includes assistance with taking medications, money management, or personal care.

---

**HANDBOOK ENDS HERE**

---

- (2) Safe and healthful living accommodations and services, as specified in Section 87307, Personal Accommodations and Services.
- (3) Three nutritionally well-balanced meals and snacks made available daily, including low salt or other modified diets prescribed by a doctor as a medical necessity, as specified in Section 87555, General Food Service Requirements.
- (4) Personal assistance and care as needed by the resident and as indicated in the pre-admission appraisal, with those activities of daily living such as dressing, eating, bathing and assistance with taking prescribed medications, as specified in Section 87608, Postural Supports.
- (5) Regular observation of the resident's physical and mental condition, as specified in Section 87466, Observation of the Resident.
- (6) Arrangements to meet health needs, including arranging transportation, as specified in Section 87465, Incidental Medical and Dental Care Services.
- (7) A planned activities program which includes social and recreational activities appropriate to the interests and capabilities of the resident, as specified in Section 87219, Planned Activities.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.1, 1569.2, 1569.31, 1569.312 and 1569.313, Health and Safety Code; and Sections 11006.9 and 12350, Welfare and Institutions Code

**87465 INCIDENTAL MEDICAL AND DENTAL CARE SERVICES**

- (a) A plan for incidental medical and dental care shall be developed by each facility. The plan shall encourage routine medical and dental care and provide for assistance in obtaining such care, by compliance with the following:
- (1) The licensee shall arrange, or assist in arranging, for medical and dental care appropriate to the conditions and needs of residents.
  - (2) The licensee shall provide assistance in meeting necessary medical and dental needs. This includes transportation which may be limited to the nearest available medical or dental facility which will meet the resident's need. In providing transportation the licensee shall do so directly or make arrangements for this service.
  - (3) When residents require prosthetic devices, vision and hearing aids, the staff shall be familiar with the use of these devices, and shall assist such persons with their utilization as needed.
  - (4) The licensee shall assist residents with self-administered medications as needed.
  - (5) Facility staff, except those authorized by law, shall not administer injections, but staff designated by the licensee may assist persons with self-administration as needed. Assistance with self-administered medications shall be limited to the following:
    - (A) Medications usually prescribed for self-administration which have been authorized by the person's physician.
    - (B) Medications during an illness determined by a physician to be temporary and minor.
    - (C) Assistance required because of tremor, failing eyesight and similar conditions.
    - (D) Assistance with self-administration does not include forcing a resident to take medication, hiding or camouflaging medications in other substances without the resident's knowledge and consent, or otherwise infringing upon a resident's right to refuse to take a medication.
  - (6) When requested by the prescribing physician or the Department, a record of dosages of medications which are centrally stored shall be maintained by the facility.

**87465 INCIDENTAL MEDICAL AND DENTAL CARE SERVICES (Continued)**

- (7) There shall be adequate privacy for first aid treatment of minor injuries and for examination by a physician if required.
- (8) If a facility has no medical unit on the grounds, a complete first aid kit shall be maintained and be readily available in a specific location in the facility. The kit shall be a general type approved by the American Red Cross, or shall contain at least the following:
  - (A) A current edition of a first aid manual approved by the American Red Cross, the American Medical Association or a state or federal health agency.
  - (B) Sterile first aid dressings.
  - (C) Bandages or roller bandages.
  - (D) Scissors.
  - (E) Tweezers.
  - (F) Thermometers.
- (9) The licensee shall ensure that infection control practices are maintained in the facility as specified in Section 87470, Infection Control Requirements.
- (b) If the resident's physician has stated in writing that the resident is able to determine and communicate his/her need for a prescription or nonprescription PRN medication, facility staff shall be permitted to assist the resident with self-administration of his/her PRN medication.
- (c) If the resident's physician has stated in writing that the resident is unable to determine his/her own need for nonprescription PRN medication but can communicate his/her symptoms clearly, facility staff designated by the licensee shall be permitted to assist the resident with self-administration, provided all of the following requirements are met:
  - (1) There is written direction from a physician, on a prescription blank, specifying the name of the resident, the name of the medication, all of the information in Section 87465(e), instructions regarding a time or circumstance (if any) when it should be discontinued, and an indication when the physician should be contacted for a medication reevaluation.
  - (2) Once ordered by the physician the medication is given according to the physician's directions.

**87465 INCIDENTAL MEDICAL AND DENTAL CARE SERVICES (Continued) 87465**

- (3) A record of each dose is maintained in the resident's record. The record shall include the date and time the PRN medication was taken, the dosage taken, and the resident's response.
- (d) If the resident is unable to determine his/her own need for a prescription or nonprescription PRN medication, and is unable to communicate his/her symptoms clearly, facility staff designated by the licensee, shall be permitted to assist the resident with self-administration provided all of the following requirements are met:
  - (1) Facility staff shall contact the resident's physician prior to each dose, describe the resident's symptoms, and receive direction to assist the resident in self-administration of that dose of medication.
  - (2) The date and time of each contact with the physician, and the physician's directions, shall be documented and maintained in the resident's facility record.
  - (3) The date and time the PRN medication was taken, the dosage taken, and the resident's response shall be documented and maintained in the resident's facility record.
- (e) For every prescription and nonprescription PRN medication for which the licensee provides assistance there shall be a signed, dated written order from a physician, on a prescription blank, maintained in the residents file, and a label on the medication. Both the physician's order and the label shall contain at least all of the following information.
  - (1) The specific symptoms which indicate the need for the use of the medication.
  - (2) The exact dosage.
  - (3) The minimum number of hours between doses.
  - (4) The maximum number of doses allowed in each 24-hour period.
- (f) Emergency care requirements shall include the following:
  - (1) The name, address, and telephone number of each resident's physician and dentist shall be readily available to that resident, the licensee, and facility staff.
  - (2) The name, address and telephone number of each emergency agency to be called in the event of an emergency, including but not limited to the fire department, crisis center or paramedical unit or medical resource, shall be posted in a location visible to both staff and residents.

**87465      INCIDENTAL MEDICAL AND DENTAL CARE SERVICES (Continued)      87465**

- (3) The name and telephone number of an ambulance service shall be readily available.
- (4) Renumbered to Section 87411(c)(1) by Manual Letter No. CCL-08-01, effective 3/5/08.
- (g) The licensee shall immediately telephone 9-1-1 if an injury or other circumstance has resulted in an imminent threat to a resident's health including, but not limited to, an apparent life-threatening medical crisis except as specified in Section 87469(c)(2), (c)(3), or (c)(4).
- (h) The following requirements shall apply to medications which are centrally stored:
  - (1) Medications shall be centrally stored under the following circumstances:
    - (A) The preservation of medicines requires refrigeration, if the resident has no private refrigerator.
    - (B) Any medication is determined by the physician to be hazardous if kept in the personal possession of the person for whom it was prescribed.
    - (C) Because of potential dangers related to the medication itself, or due to physical arrangements in the facility and the condition or the habits of other persons in the facility, the medications are determined by either a physician, the administrator, or Department to be a safety hazard to others.
  - (2) Centrally stored medicines shall be kept in a safe and locked place that is not accessible to persons other than employees responsible for the supervision of the centrally stored medication.
  - (3) Each container shall carry all of the information specified in (6)(A) through (E) below plus expiration date and number of refills.
  - (4) All centrally stored medications shall be labeled and maintained in compliance with state and federal laws. No persons other than the dispensing pharmacist shall alter a prescription label.
  - (5) Each resident's medication shall be stored in its originally received container. No medications shall be transferred between containers.
  - (6) The licensee shall be responsible for assuring that a record of centrally stored prescription medications for each resident is maintained for at least one year and includes:
    - (A) The name of the resident for whom prescribed.
    - (B) The name of the prescribing physician.
    - (C) The drug name, strength and quantity.

<b>87465</b>	<b>INCIDENTAL MEDICAL AND DENTAL CARE SERVICES (Continued)</b>	<b>87465</b>
--------------	--	--------------

- (D) The date filled.
  - (E) The prescription number and the name of the issuing pharmacy.
  - (F) Instructions, if any, regarding control and custody of the medication.
- (i) Prescription medications which are not taken with the resident upon termination of services, not returned to the issuing pharmacy, nor retained in the facility as ordered by the resident's physician and documented in the resident's record nor disposed of according to the hospice's established procedures or which are otherwise to be disposed of shall be destroyed in the facility by the facility administrator and one other adult who is not a resident. Both shall sign a record, to be retained for at least three years, which lists the following:
- (1) Name of the resident.
  - (2) The prescription number and the name of the pharmacy.
  - (3) The drug name, strength and quantity destroyed.
  - (4) The date of destruction.
- (j) In all facilities licensed for sixteen (16) persons or more, one or more employees shall be designated as having primary responsibility for assuring that each resident receives needed first aid and needed emergency medical services and for assisting residents as needed with self-administration of medications. The names of the staff employees so responsible and the designated procedures shall be documented and made known to all residents and staff.

<b>87466</b>	<b>OBSERVATION OF THE RESIDENT</b>	<b>87466</b>
--------------	------------------------------------	--------------

The licensee shall ensure that residents are regularly observed for changes in physical, mental, emotional and social functioning and that appropriate assistance is provided when such observation reveals unmet needs. When changes such as unusual weight gains or losses or deterioration of mental ability or a physical health condition are observed, the licensee shall ensure that such changes are documented and brought to the attention of the resident's physician and the resident's responsible person, if any.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.1, 1569.2, 1569.31 and 1569.312, Health and Safety Code.

**87467 RESIDENT PARTICIPATION IN DECISIONMAKING****87467**

- (a) Prior to, or within two weeks of the resident's admission, the licensee shall arrange a meeting with the resident, the resident's representative, if any, appropriate facility staff, and a representative of the resident's home health agency, if any, and any other appropriate parties, to prepare a written record of the care the resident will receive in the facility, and the resident's preferences regarding the services provided at the facility.
- (1) At a minimum the written record shall include the date of the meeting, name of individuals who participated and their relationship to the resident, and the agreed-upon services to be provided to the resident.
  - (2) If the resident has a regular physician, the licensee shall send a copy of the record to the physician.
  - (3) The licensee shall arrange a meeting with the resident and appropriate individuals identified in Section 87467(a)(1) to review and revise the written record as specified, when there is a significant change in the residents condition, or once every 12 months, whichever occurs first. Significant changes shall include, but not be limited to occurrences specified in Section 87463, Reappraisals.
  - (4) The meeting and documentation described in this section may be used to satisfy the reappraisal requirements of Section 87463, Reappraisals.

**87468 PERSONAL RIGHTS OF RESIDENTS****87468**

- (a) Residents in residential care facilities for the elderly shall have personal rights which include, but are not limited to, those listed in Sections 87468.1, Personal Rights of Residents in All Facilities, and 87468.2, Additional Personal Rights of Residents in Privately Operated Facilities, as applicable to the facility.
- (1) "Privately operated facility" means a residential care facility for the elderly that is licensed to an individual, firm, partnership, association, or corporation.
  - (2) "Publicly operated facility" means a residential care facility for the elderly that is licensed to a city, county, or other government entity.

**87468 PERSONAL RIGHTS OF RESIDENTS (Continued)****87468**

- (b) At the time the admission agreement is signed, a resident and the resident's representative shall be personally advised of and given a copy of:
- (1) The personal rights of residents specified in Sections 87468.1, Personal Rights of Residents in All Facilities or and 87468.2, Additional Personal Rights of Residents in Privately Operated Facilities, as applicable to the facility.
    - (A) The licensee shall have each resident and the resident's representative sign a copy of these rights, and the signed copy shall be included in the resident's record.
  - (2) A nondiscrimination notice.
    - (A) The notice shall read "[Name of facility] does not discriminate and does not permit discrimination, including, but not limited to, bullying, abuse, or harassment, on the basis of actual or perceived sexual orientation, gender identity, gender expression, or HIV status, or based on association with another individual on account of that individual's actual or perceived sexual orientation, gender identity, gender expression, or HIV status. You may file a complaint with the Office of the State Long-Term Care Ombudsman [provide contact information] if you believe that you have experienced this kind of discrimination."
    - (B) The licensee shall have each resident and the resident's representative sign a copy of this notice, and the signed copy shall be included in the resident's record.
- (c) Licensees shall prominently post personal rights, nondiscrimination notice, and complaint information in areas accessible to residents, representatives, and the public.
- (1) The personal rights of residents specified in Sections 87468.1, Personal Rights of Residents in All Facilities and 87468.2, Additional Personal Rights of Residents in Privately Operated Facilities shall be posted as applicable to the facility.
  - (2) Information on the appropriate reporting agency in case of a complaint or emergency, including procedures for filing confidential complaints, shall be posted as follows:
    - (A) Licensees may use the Residential Care Facility for the Elderly (RCFE) Complaint Poster (PUB 475) or may develop their own poster as provided in this section. A poster developed by the licensee shall contain the same content as the PUB 475. The poster that is posted shall be 20" x 26" in size and be posted in the main entryway of the facility. PUB 475 may be accessed, downloaded, and printed from the [www.cclld.ca.gov](http://www.cclld.ca.gov) website.

**87468 PERSONAL RIGHTS OF RESIDENTS (Continued)****87468**

- (d) Licensees shall post the personal rights, nondiscrimination notice, and complaint information specified above in English, and, in any other language in which at least five (5) percent of the residents can only read that other language.
- (e) At the request of the Department, and immediately if the request is made during an inspection, a licensee shall provide the Department with a confidential list of residents that includes the language(s) read by each resident, which is to be kept confidential to the extent permitted by law. This list shall be maintained in an accurate and current status at all times.

NOTE: Authority cited: Section 1569.30 and 1569.318, Health and Safety Code. Reference: Sections 1439.51, 1569.1, 1569.265, 1569.267, 1569.269, 1569.31, 1569.312, 1569.33 and 1569.889, Health and Safety Code.

**87468.1 PERSONAL RIGHTS OF RESIDENTS IN ALL FACILITIES****87468.1**

- (a) Residents in all residential care facilities for the elderly shall have all of the following personal rights:
  - (1) To be accorded dignity in their personal relationships with staff, residents, and other persons.
  - (2) To be accorded safe, healthful and comfortable accommodations, furnishings and equipment.
  - (3) To be free from punishment, humiliation, intimidation, abuse, or other actions of a punitive nature, such as withholding residents' money or interfering with daily living functions such as eating, sleeping, or elimination.
  - (4) To be informed by the licensee of the provisions of law regarding complaints and of procedures for confidentially registering complaints, including, but not limited to, the address and telephone number for the complaint receiving unit of the Department, and how to contact the Community Care Licensing Division of the California Department of Social Services, and the long-term care ombudsman regarding grievances in regard to the facility.
  - (5) To have the freedom to attend religious services or activities of their choice either in or outside the facility and to have visits from the spiritual advisor of their choice. Attendance at religious services, either in or outside the facility, shall be on a completely voluntary basis.
  - (6) To leave or depart the facility at any time and to not be locked into any room, building, or on facility premises by day or night. This does not prohibit a licensee from establishing house rules, such as locking doors at night to protect residents, or barring windows against intruders, with permission from the Department.

---

**87468.1 PERSONAL RIGHTS OF RESIDENTS IN ALL FACILITIES (Continued) 87468.1**

- (7) To visit the facility prior to residence along with their representatives.
- (8) To have their representatives regularly informed by the licensee of activities related to care or services, including ongoing evaluations, as appropriate to their needs.
- (9) To have communications to the licensee from their representatives answered promptly and appropriately.
- (10) To be informed of the licensee's policy concerning visits and other communications with residents, according to Health and Safety Code section 1569.313.

---

**HANDBOOK BEGINS HERE**

Health and Safety Code section 1569.313 provides:

"Each residential care facility for the elderly shall state, on its client information form or admission agreement, and on its patient's rights form, the facility's policy concerning family visits and other communication with resident clients and shall promptly post notice of its visiting policy at a location in the facility that is accessible to residents and families.

The facility's policy concerning family visits and communication shall be designed to encourage regular family involvement with the resident client and shall provide ample opportunities for family participation in activities at the facility."

---

**HANDBOOK ENDS HERE**

- (11) To have their visitors, including ombudspersons and advocacy representatives, permitted to visit privately during reasonable hours and without prior notice, provided that the rights of other residents are not infringed upon.
- (12) To wear their own clothes; to keep and use their own personal possessions, including their toilet articles; and to keep and be allowed to spend their own money.
- (13) To have access to individual storage space for private use.
- (14) To have reasonable access to telephones, to both make and receive confidential calls. The licensee may require reimbursement for long distance calls.
- (15) To send and receive unopened correspondence in a prompt manner.
- (16) To receive or reject medical care or other services.
- (17) To receive assistance in exercising the right to vote.
- (18) To move from the facility.

**87468.1 PERSONAL RIGHTS OF RESIDENTS IN ALL FACILITIES (Continued) 87468.1**

- (b) All residents in all residential care facilities for the elderly shall be protected from all of the actions specified in this subsection. A licensee or facility staff may not take any of the following actions, which also includes taking these actions wholly or partially on the basis of the actual or perceived sexual orientation, gender identity, gender expression, or human immunodeficiency virus (HIV) status, of a resident:
- (1) Deny admission to a facility, transfer or refuse to transfer a resident within the facility or to another facility, or discharge or evict a resident from a facility.
  - (2) Deny a request by residents to share a room.
  - (3) Where rooms are assigned by gender, assign, reassign, or refuse to assign, a room to a resident who is transgender other than according to the resident's gender identity, unless at the request of the resident who is transgender.
  - (4) Prohibit a resident from using, or harass a resident who seeks to use or uses, a restroom available to others of the same gender identity, regardless of whether the resident is making a gender transition or appears to be gender-nonconforming. Harassment includes, but is not limited to, requiring a resident to show identity documents to gain entrance to a restroom available to other persons of the same gender identity.
  - (5) Willfully and repeatedly fail to use a resident's preferred name or pronouns after being informed of the resident's preferred name or pronouns in a clear manner.
  - (6) Deny a resident the right to wear or be dressed in clothing, accessories, or cosmetics permitted for any other resident.
  - (7) Restrict a resident's right to associate with other residents or with visitors, including the right to consensual sexual relations.
    - (A) A licensee is not precluded from restricting or banning sexual relations as long as the restriction or ban is applied uniformly to all residents in a nondiscriminatory manner. All residents and their representatives, including potential residents prior to the time of signing the admission agreement, shall be notified in writing of any such facility restriction or ban.
  - (8) Deny or restrict medical or nonmedical care that is appropriate to a resident's organs and bodily needs, or provide medical or nonmedical care to the resident in a manner that, to a similarly situated reasonable person, unduly demeans the resident's dignity or causes avoidable discomfort.

<b>87468.1</b>	<b>PERSONAL RIGHTS OF RESIDENTS IN ALL FACILITIES (Continued)</b>	<b>87468.1</b>
----------------	---	----------------

- (c) The provisions of subsection (b) shall not apply to the extent that they are incompatible with the professionally reasonable clinical judgment of a medical professional.
- (d) The Department does not have the authority to waive the personal rights specified in subsection (b).

NOTE: Authority cited: Section 1569.30 and 1569.318, Health and Safety Code. Reference: Sections 1439.51, 1569.1, 1569.31, 1569.312 and 1569.313, Health and Safety Code.

**87468.2 ADDITIONAL PERSONAL RIGHTS OF RESIDENTS IN  
PRIVATELY OPERATED FACILITIES****87468.2**

- (a) In addition to the rights listed in Section 87468.1, Personal Rights of Residents in All Facilities, residents in privately operated residential care facilities for the elderly shall have all of the following personal rights:
- (1) To have a reasonable level of personal privacy in accommodations, medical treatment, personal care and assistance, visits, communications, telephone conversations, use of the Internet, and meetings of resident and family groups.
  - (2) To have their records and personal information remain confidential and to approve their release, except as authorized by law.
  - (3) To be encouraged and assisted in exercising their rights as citizens and as residents of the facility. Residents shall be free from interference, coercion, discrimination, and retaliation in exercising their rights.
  - (4) To care, supervision, and services that meet their individual needs and are delivered by staff that are sufficient in numbers, qualifications, and competency to meet their needs.
  - (5) To be served food of the quality and quantity necessary to meet their nutritional needs.
  - (6) To make choices concerning their daily lives in the facility.
  - (7) To fully participate in planning their care, including the right to attend and participate in meetings or communications regarding care and services to be provided, according to Health and Safety Code section 1569.80 and involve persons of their choice in this planning. The licensee shall provide necessary information and support to ensure that residents direct the planning of their care to the maximum extent possible, and are enabled to make informed decisions and choices.

Health and Safety Code section 1569.80 provides:

- "(a) A resident of a residential care facility for the elderly, or the resident's representative, or both, shall have the right to participate in decisionmaking regarding the care and services to be provided to the resident. Accordingly, prior to, or within two weeks after, the resident's admission, the facility shall coordinate a meeting with the resident and the resident's representative, if any, an appropriate member or members of the facility's staff, if the resident is receiving home health services in the facility, a representative of the home health agency involved, and any other appropriate parties. The facility shall ensure that participants in the meeting prepare a written record of the care the resident will receive in the facility, and the resident's preferences regarding the services provided at the facility.

**HANDBOOK CONTINUES**

- (b) Once prepared, the written record described in subdivision (a) shall be used by the facility, and, if applicable pursuant to Section 1569.725, the home health agency, to determine the care and services provided to the resident. If the resident has a regular physician, the written record shall be sent by the facility to that physician.
- (c) The written record described in subdivision (a) shall be reviewed, and, if necessary, revised, at least once every 12 months, or upon a significant change in the resident's condition, as defined by regulations, whichever occurs first. The review shall take place at a meeting coordinated by the facility, and attended by the resident, the resident's representative, if any, an appropriate member or members of the facility's staff, and, if the resident is receiving home health services in the facility, a representative from the home health agency involved.
- (d) This section shall not preclude a residential care facility for the elderly or home health agency from satisfying other state or federal obligations at a meeting required by subdivision (a) or (c).
- (e) If the residential care facility for the elderly is a continuing care retirement community, as defined in paragraph (10) of subdivision (c) of Section 1771, this section shall apply only to residents who require care and supervision, as defined in subdivision (b) of Section 1569.2."

**HANDBOOK BEGINS HERE**

Health and Safety Code section 1569.655 provides:

- "(a) If a licensee of a residential care facility for the elderly increases the rates of fees for residents or makes increases in any of its rate structures for services, the licensee shall provide no less than 60 days' prior written notice to the residents or the residents' representatives setting forth the amount of the increase, the reason for the increase, and a general description of the additional costs, except for an increase in the rate due to a change in the level of care of the resident. This subdivision shall not apply to optional services that are provided by individuals, professionals, or organizations under a separate fee-for-service arrangement with residents.
- (b) No licensee shall charge nonrecurring lump-sum assessments. The notification requirements contained in subdivision (a) shall apply to increases specified in this subdivision. For purposes of this subdivision, "nonrecurring lump-sum assessments" mean rate increases due to unavoidable and unexpected costs that financially obligate the licensee. In lieu of the lump-sum payment, all increases in rates shall be to the monthly rate amortized over a 12-month period. The prohibition against a lump-sum assessment shall not apply to charges for specific goods or services provided to an individual resident.
- (c) If a licensee increases rates for a recipient under the State Supplementary Program for the Aged, Blind and Disabled, described in Article 5 (Commencing with Section 12200) of Chapter 3 of Part 3 of Division 9 of the Welfare and Institutions Code, the licensee shall meet the requirements for SSI/SSP rate increases, as prescribed by law.
- (d) This section shall not apply to licensees of residential care facilities for the elderly that have obtained a certificate of authority to offer continuing care contracts, as defined in paragraph (5) of subdivision (c) of Section 1771."

Inventories shall be written in ink, witnessed by the facility and the resident or resident's representative, and dated. A copy of the written inventory shall be provided to the resident or the person acting on the resident's behalf. All additions to an inventory shall be made in ink, and shall be witnessed by the facility and the resident or resident's representative, and dated. Subsequent items brought into or removed from the facility shall be added to or deleted from the personal property inventory by the facility at the written request of the resident, the resident's family, a responsible party, or a person acting on behalf of a resident. The facility shall not be liable for items which have not been requested to be included in the inventory or for items which have been deleted from the inventory. A copy of a current inventory shall be made available upon request to the resident, responsible party, or other authorized representative. The resident, resident's family, or a responsible party may list those items which are not subject to addition or deletion from the inventory, such as personal clothing or laundry, which are subject to frequent removal from the facility.
- (e) Inventory and surrender of the resident's personal effects and valuables upon discharge to the resident or authorized representative in exchange for a signed receipt.
- (f) Inventory and surrender of personal effects and valuables following the death of a resident to the authorized representative in exchange for a signed receipt. Immediate written notice to the public administrator of the county upon the death of a resident whose heirs are unable or unwilling to claim the property as specified in Chapter 20 (commencing with Section 1140) of Division 3 of the Probate Code.
- (g) Documentation, at least semiannually, of the facility's efforts to control theft and loss, including the review of theft and loss documentation and investigative procedures and results of the investigation by the administrator and, when feasible, the resident council.
- (h) Establishment of a method of marking, to the extent feasible, personal property items for identification purposes upon admission and, as added to the property inventory list, including engraving of dentures and tagging of other prosthetic devices.
- (i) Reports to the local law enforcement agency within 36 hours when the administrator of the facility has reason to believe resident property with a then current value of one hundred dollars (\$100) or more has been stolen. Copies of those reports for the preceding 12 months shall be made available to the State Department of Social Services and law enforcement agencies.

**87469 ADVANCE DIRECTIVES AND REQUESTS REGARDING RESUSCITATIVE MEASURES (Continued) 87469**

- (c) If a resident who has an advance directive and/or request regarding resuscitative measures form on file experiences a medical emergency, facility staff shall do one of the following:
- (1) Immediately telephone 9-1-1, present the advance directive and/or request regarding resuscitative measures form to the responding emergency medical personnel and identify the resident as the person to whom the order refers.
  - (2) Immediately give the advance directive and/or request regarding resuscitative measures form to a physician, registered nurse or licensed vocational nurse if the physician or nurse is in the resident's presence at the time of the emergency and assumes responsibility.
  - (3) Specifically for a terminally ill resident that is receiving hospice services and has completed an advance directive and/or request regarding resuscitative measures form pursuant to Health and Safety Code section 1569.73(c), and is experiencing a life-threatening emergency as displayed by symptoms of impending death that is directly related to the expected course of the resident's terminal illness, the facility may immediately notify the resident's hospice agency in lieu of calling emergency response (9-1-1). For emergencies not directly related to the expected course of the resident's terminal illness, the facility staff shall immediately telephone emergency response (9-1-1).
  - (4) Facilities that employ health care providers, other than Home Health Agencies or Hospice Agencies, may comply with Health and Safety Code section 1569.74.

- (3) The facility has documented that facility staff have received training from the hospice agency on the expected course of the resident's illness and the symptoms of impending death."

Health and Safety Code section 1569.74 states in relevant part:

- "(a) Licensed residential care facilities for the elderly that employ health care providers may establish policies to honor a request to forego resuscitative measures as defined in Section 4780 of the Probate Code.
- (b) Any policy established pursuant to subdivision (a) shall meet all of the following conditions:
- (1) The policy shall be in writing and specify procedures to be followed in implementing the policy.
  - (2) The policy and procedures shall, at all times, be available in the facility for review by the department.
  - (3) The licensee shall ensure that all staff are aware of the policy as well as the procedures to be followed in implementing the policy.
  - (4) A copy of the policy shall be given to each resident who makes a request to forego resuscitative measures, and the resident's primary physician.
  - (5) A copy of the resident's request to forego resuscitative measures shall be maintained in the facility and shall be immediately available for review by facility staff, the licensed health care provider, and the department.
  - (6) Facility staff are prohibited, on behalf of any resident, from signing any directive document as a witness or from being the legally recognized surrogate decision maker.
  - (7) The facility shall provide the resident's physician with a copy of the resident's request to forego resuscitative measures form.
- (c) Any action by a facility that has established policies pursuant to subdivision (a), to honor a resident's request to forego resuscitative measures as provided for in subdivision (a) may only be taken in either of the following ways:
- (1) By a licensed health care provider who is employed by the facility and on the premises at the time of the life threatening emergency.

- (d) Licensed residential care facilities for the elderly that have not established policies pursuant to subdivision (a) may keep an executed request to forego resuscitative measures form in the resident's file and present it to an emergency medical technician or paramedic when authorized to do so in writing by the resident or his or her legally recognized surrogate decisionmaker. The request may be honored by an emergency medical technician or by any health care provider as defined in Section 4621 of the Probate Code, who, in the course of professional or volunteer duties, responds to emergencies."

Probate Code section 4780 provides in relevant part:

- (a) As used in this part:
- (1) "Request regarding resuscitative measures" means a written document, signed by (A) an individual with capacity, or a legally recognized health care decisionmaker, and (B) the individual's physician, that directs a health care provider regarding resuscitative measures. A request regarding resuscitative measures is not an advance health care directive.
- (2) "Request regarding resuscitative measures" includes one, or both of, the following:
- (A) A prehospital "do not resuscitate" form as developed by the Emergency Medical Services Authority or other substantially similar form.
- (B) A Physician Orders for Life Sustaining Treatment form, as approved by the Emergency Medical Services Authority.
- (3) "Physician Orders for Life Sustaining Treatment form" means a request regarding resuscitative measures that directs a health care provider regarding resuscitative and life-sustaining measures.

**87440 INFECTION CONTROL REQUIREMENTS**

(a) A licensee shall ensure that infection control practices are maintained as follows:

(1) All staff and volunteers shall perform hand hygiene.

(A) When conducting hand washing, the method shall include the following: Wet hands with clean water and apply soap. Lather hands by rubbing them together with soap. Lather the backs of the hands, between the fingers, and under the nails. Scrub hands for at least 20 seconds. Rinse hands well under clean, running water. Dry hands using a clean towel (disposable or non-disposable) or air dry.

(B) Hand hygiene shall be conducted as follows:

1. Immediately before and after resident care.
2. Before and after handling, preparing or eating foods.
3. Before and after assisting with medications.
4. After contact with blood, body fluids, or contaminated surfaces.
5. Immediately before putting gloves on and immediately after removing gloves.
6. When hands are visibly soiled.

(2) Environmental cleaning and disinfection activities shall be performed following the manufacturers' instructions for proper use of the cleaning and disinfecting products. These activities shall be completed, at a minimum, as follows:

- (A) Surfaces such as floors, chairs, toilets, sinks, counters and tabletops shall be cleaned and disinfected on a regular basis to ensure they are safe and sanitary. These surfaces shall also be disinfected when these surfaces are contaminated or visibly soiled.
- (B) Walls and window coverings in resident care areas shall be dusted or cleaned on a regular schedule to ensure they are safe and sanitary or when they are visibly contaminated or soiled.
- (C) Spills of blood and other potentially infectious materials and surfaces shall be promptly cleaned and disinfected.
- (D) Facility items that cannot be decontaminated (ex: blood) shall be discarded immediately in an appropriate waste receptacle with a tight-fitting cover immediately or otherwise made inaccessible to human contact or transmission.

**87440**      **INFECTION CONTROL REQUIREMENTS** (Continued)

- (E) For a resident's personal item(s) that cannot be decontaminated, the licensee shall develop a plan with the resident to mitigate human contact or transmission.
- (3) All direct care staff who assist residents with the self-administration of injectable medication shall observe the following procedures:
  - (A) Medications administered by injection shall be drawn up in a clean area.
  - (B) The same syringe and needle shall only be used to assist one resident and then properly disposed of after each use in a puncture-resistant waste receptacle with a tight-fitting cover. A medication vial shall not be entered with a used syringe or needle.
  - (C) The top of a medication vial shall always be cleaned with an alcohol swab before needle entry.
- (4) All facility staff and volunteers shall use gloves as a protective barrier to prevent the spread of potential infection as specified below.
  - (A) Gloves shall always be worn when:
    - 1. Coming into contact with blood or body fluids such as saliva, stool, vomit or urine.
    - 2. There is a cut or open wound on the hands of the staff or volunteer.
    - 3. Assisting with direct resident care and coming into direct contact with residents, such as bathing, dressing, or assisting with incontinence.
    - 4. Administering first aid.
  - (B) A pair of gloves may not be used on multiple residents and shall be properly discarded in between tasks or after being used as described in subsection (a)(4) above.
  - (C) Gloves shall be removed and discarded in the nearest appropriate waste receptacle with a tight-fitting cover immediately upon completing a task.
- (5) All staff and volunteers, regardless of having direct contact with residents, shall practice and maintain respiratory etiquette as specified below to minimize exposure to potential illness.
  - (A) The mouth and nose shall be covered with a tissue or one's upper sleeve or elbow rather than one's hand(s), when coughing or sneezing.

**87440 INFECTION CONTROL REQUIREMENTS (Continued)**

- (B) A tissue shall be disposed of in the nearest waste receptacle with a tight-fitting cover immediately after use.
- (6) All direct care staff and volunteers assigned to assist residents with the self-administration of medication or assigned to the care of a resident shall clean and disinfect reusable medical equipment as follows:
  - (A) Reusable medical equipment, such as blood pressure cuffs, shall be disinfected using an EPA (Environmental Protection Agency) approved disinfectant prior to use for the care of another resident.
    - 1. Physical separation between clean and soiled equipment shall be maintained to prevent cross contamination.
- (b) In addition to subsection (a), when one or more residents in the facility are diagnosed with a communicable disease, the following shall apply:
  - (1) In addition to the requirements of subsection (a)(2), assigned staff and volunteers, regardless of having direct contact with clients, shall be required to perform enhanced environmental cleaning and disinfection to maintain a safe and sanitary environment and to prevent, contain, and mitigate the transmission of the communicable disease. Enhanced environmental cleaning and disinfection shall be of:
    - (A) all frequently touched surfaces such as doorknobs, handles, and shared items, as well as,
    - (B) when one or more client(s) has a communicable disease, in any impacted areas, and immediately after contact with a client who has a communicable disease.
  - (2) All staff and volunteers providing direct care to a resident who has a communicable disease shall wear appropriate Personal Protective Equipment (PPE) to prevent exposure to infectious agents or chemicals through the respiratory system, skin, or mucous membranes of the eyes, nose, or mouth. PPE may include gloves, gowns, masks, respirators, shoe coverings and eye protection.
    - (A) The licensee shall consult with a local health official or a licensed medical professional to determine the type of PPE to be used based on the communicable disease present in the facility.
    - (B) PPE shall be removed and discarded in the nearest appropriate waste receptacle with a tight-fitting cover immediately upon completing a task.
    - (C) The licensee shall ensure all staff and volunteers are trained in the proper use of all required PPE prior to being around residents and annually thereafter.

**87440 INFECTION CONTROL REQUIREMENTS (Continued)**

- (D) PPE shall be used when assisting with direct resident care, such as bathing, or assisting with incontinence.
- (3) There shall be separation and care of residents whose illness requires separation, including quarantine or isolation, from others.
- (c) An Infection Control Plan shall be developed by the licensee and shall be included in the Plan of Operation required by Section 87208.
  - (1) The Infection Control Plan shall include all of the following:
    - (A) Identification of a staff position to perform the duties of an Infection Preventionist for the facility.
      - 1. Contact information for the designated Infection Preventionist shall be made available to the department upon request.
      - 2. A description shall be included of how the Infection Preventionist shall be trained by a medical professional, local health official, health department, or other research-based medical authority that provides infection control training that will include enforcement of the Infection Control Plan.
    - (B) A description of how the licensee shall meet the specific infection control practice requirements of subsections (a), (b) and (d).
    - (C) An Infection Control Training Plan.
      - 1. Initial training requirements for new facility staff shall be addressed in the plan, with training to be provided by the Infection Preventionist before staff works independently with residents.
      - 2. Ongoing training requirements for all facility staff shall be addressed by the plan, with training to be provided by the Infection Preventionist.
      - 3. The description of initial and ongoing training shall address the requirements of subsections (a), (b) and (d).
    - (D) The licensee shall review the use of infection control procedures in the facility at least annually, if local government public health determines an epidemic outbreak has occurred, or if the review is requested by the local licensing agency.
    - (E) The licensee shall ensure that staff encourage residents to follow infection control practices as necessary.

**87440 INFECTION CONTROL REQUIREMENTS (Continued)**

- (F) Staff shall demonstrate knowledge of and skill in infection control, as appropriate to the job assigned and as evidenced by safe and effective job performance.
- (d) When an emergency, as defined in Government Code section 8558, or federal emergency for a communicable disease is proclaimed or declared, the licensee shall develop an Emergency Infection Control Plan that includes infection control measures that are not already addressed in the Infection Control Plan as specified in subsection (c), to prevent, contain, and mitigate the associated communicable disease.
  - (1) The Emergency Infection Control Plan shall include the applicable infection control measures required by the federal, state, and local government public health authorities for the communicable disease, and shall be completed and sent to the Department within 15 calendar days from the date the state or federal emergency is proclaimed or declared. In the event there are differing standards between the government public health authorities, the licensee shall follow the strictest requirement.
  - (2) If there are no additional infection control measures to be taken to prevent, contain, and mitigate the associated communicable disease that are not already addressed in the Infection Control Plan, then the licensee shall notify the Department of this determination within 15 days from the date on which the state or federal emergency is proclaimed or declared.
    - (A) The licensee shall complete and send to the Department within 15 calendar days an Emergency Infection Control Plan should additional infection control measures to prevent, contain, and mitigate the associated communicable disease be recommended by federal, state, and local government public health authorities or the Department that are not already addressed in the Infection Control Plan.
  - (3) The Emergency Infection Control Plan shall be submitted to the Department and used until the proclaimed or declared state of emergency is no longer in effect.
  - (4) The Emergency Infection Control Plan shall be distributed to residents, facility staff and, if applicable, each residents' authorized representative.
  - (5) All staff shall be trained on the Emergency Infection Control Plan immediately but no later than 10 calendar days after submission to the Department.
  - (6) The Emergency Infection Control Plan shall be reviewed and updated as necessary every 30 calendar days, or whenever new infection control measures are recommended by the federal, state, and local government public health authorities, or as determined by the Department, until the proclaimed or declared state of emergency is no longer in effect. Any updates to the plan shall be shared with staff, residents and if applicable, each resident's authorized representative, and submitted to the Department.

**87507      ADMISSION AGREEMENTS**

- (a) The licensee shall complete an individual written admission agreement, as defined in Section 87101(a), with each resident or the resident's representative, if any.
  - (1) The text of the admission agreement, including any attachments and modifications, shall be:
    - (A) Printed in black type of not less than 12-point type size, on plain white paper. The print shall appear on one side of the paper only.
    - (B) Written in clear, understandable, coherent, and unambiguous language, using words with common and everyday meanings, and shall be appropriately divided with each section appropriately titled.
- (b) The licensee shall complete and maintain in the resident's file a Telecommunications Device Notification form (LIC 9158, 11/04) for each resident whose pre-admission appraisal or medical assessment indicates he/she is deaf, hearing-impaired, or otherwise disabled in accordance with Public Utilities Code sections 2881(a) and (c).
- (c) Admission agreements shall be signed and dated, acknowledging the contents of the document, by the resident or the resident's representative, if any, and the licensee or the licensee's designated representative no later than seven days following admission. Attachments to the agreement may be utilized as long as they are also signed and dated as prescribed above.
- (d) The licensee shall retain in the resident's file the original signed and dated admission agreement and all subsequent signed and dated modifications. This does not apply to rate increases which have specific notification requirements as specified in Health and Safety Code section 1569.655.
- (e) The licensee shall provide a copy of the signed and dated current admission agreement, and all subsequent signed and dated modifications, to the resident or the resident's representative, if any, immediately upon signing the admission agreement or modification. The licensee shall provide additional copies to the resident or resident's representative upon request.
  - (1) The licensee shall provide blank copies of the most current approved admission agreement, modifications and attachments immediately to the public upon request. The licensee may charge fees at cost for copying or mailing the admission agreement.
  - (2) The licensee shall conspicuously post in a location accessible to public view in the facility a complete copy of the approved admission agreement, modifications and attachments, or notice of their availability from the facility.
- (f) The licensee shall comply with all applicable terms and conditions set forth in the admission agreement, including all modifications and attachments.

**87507**      **ADMISSION AGREEMENTS** (Continued)

(g) Admission agreements shall specify the following:

- (1) Basic services, as defined in Section 87101(b), to be made available.
- (2) Additional items and services which are available.
- (3) Payment provisions, including the following:
  - (A) Rate for all basic services which the facility is required to provide in order to obtain and maintain a license. Basic services rate(s), including:
    1. A comprehensive description of any items and services provided under a single fee, such as monthly fee for room, board and other items and services shall be listed.
    2. A comprehensive description of and the corresponding fee schedule for all basic services not included in the single fee shall be listed.
    3. Exempt-income-allowance may be included if the resident agrees to such charge.
  - (B) Rate for additional items and services, including:
    1. A comprehensive description of and the corresponding fee schedule for all additional items and services not included in the fees for basic services shall be listed.
    2. A separate charge for an item or service may be assessed only if that charge is included in and authorized by the admission agreement.
    3. A statement acknowledging any additional items and/or services that the resident refused to purchase at the time the admission agreement was signed, which shall be signed and dated by the resident or the resident's representative, if any, and attached to the admission agreement.

**87507**      **ADMISSION AGREEMENTS** (Continued)

4. If the licensee offers additional items and/or services that were not available at the time the admission agreement was signed, a list of these services and charges shall be provided to the resident or the resident's representative.
5. A statement acknowledging the acceptance or refusal to purchase additional services that were not available at the time the admission agreement was signed, which shall be signed and dated by the resident or the resident's representative, if any, shall be attached to the admission agreement.
6. The use of third-party services within the facility shall be explained as they are related to the resident's service plan, including but not limited to, ancillary health, and medical services, how they may be arranged, accessed and monitored, any restrictions on third-party services, and who is financially responsible for the third-party services.

(C) Any fee that is charged prior to or after admission, shall be clearly specified.

1. If a licensee charges a preadmission fee, the licensee must provide the applicant or his or her representative with a written general statement describing all costs associated with the preadmission fee charges and stating that the preadmission fee is refundable, and describing conditions for the refund.
2. Only one preadmission fee, as defined in Section 87101(p), may be charged per resident admission.
3. A recipient under the State Supplementary Program for the Aged, Blind and Disabled Article 5 (commencing with Section 12200) of Chapter 3 of Part 3 of Division 9 of the Welfare and Institutions Code shall not be required to pay any form of preadmission fee or deposit.
4. A licensee shall not require, request, or accept any funds from a resident or a resident's representative, if any, that constitutes a deposit against any possible damages by the resident.

(D) Payor of all items and services.

(E) Due Date.

(F) Funding source, provided that the resident may refuse to disclose such source.

(G) A comprehensive description of billing and payment procedures.

(H) A provision indicating that an itemized monthly statement that lists all separate charges incurred by the resident that are collected by the facility shall be provided to the resident or the resident's representative, if any.

**87507      ADMISSION AGREEMENTS (Continued)**

- (4) Modification conditions, including the requirement for the provision of at least 60 days prior written notice to the resident of any rate or rate structure change, or as soon as the licensee is notified of SSI/SSP rate changes.
- (A) Admission agreements involving persons whose care is funded at government-prescribed rates may specify that operative dates of government modifications shall be considered operative dates for basic service rate modifications.
- (B) The conditions under which a licensee may increase or change rates shall be specified in the admission agreement, pursuant to Health and Safety Code sections 1569.655 and 1569.657.

**HANDBOOK BEGINS HERE**

Health and Safety Code section 1569.655 provides:

- (a) If a licensee of a residential care facility for the elderly increases the rates of fees for residents or makes increases in any of its rate structures for services, the licensee shall provide no less than 60 days' prior written notice to the residents or the residents' representatives setting forth the amount of the increase, the reason for the increase, and a general description of the additional costs, except for an increase in the rate due to a change in the level of care of the resident. This subdivision shall not apply to optional services that are provided by individuals, professionals, or organizations under a separate fee-for-service arrangement with residents.
- (b) No licensee shall charge nonrecurring lump-sum assessments. The notification requirements contained in subdivision (a) shall apply to increases specified in this subdivision. For purposes of this subdivision, "nonrecurring lump-sum assessments" mean rate increases due to unavoidable and unexpected costs that financially obligate the licensee. In lieu of the lump-sum payment, all increases in rates shall be to the monthly rate amortized over a 12-month period. The prohibition against a lump-sum assessment shall not apply to charges for specific goods or services provided to an individual resident.
- (c) If a licensee increases rates for a recipient under the State Supplementary Program for the Aged, Blind and Disabled, described in Article 5 (Commencing with Section 12200) of Chapter 3 of Part 3 of Division 9 of the Welfare and Institutions Code, the licensee shall meet the requirements for SSI/SSP rate increases, as prescribed by law.
- (d) This section shall not apply to licensees of residential care facilities for the elderly that have obtained a certificate of authority to offer continuing care contracts, as defined in paragraph (5) of subdivision (c) of Section 1771.

Health and Safety Code section 1569.657 provides:

- (a) For any rate increase due to a change in the level of care of the resident, the licensee shall provide the resident and the resident's representative, if any, written notice of the rate increase within two business days after initially providing services at the new level of care. The notice shall include a detailed explanation of the additional services to be provided at the new level of care and an accompanying itemization of the charges.
- (b) This section shall not apply to any resident of the facility who is a recipient of benefits pursuant to Article 5 (commencing with Section 12200) of Chapter 3 of Part 3 of Division 9 of the Welfare and Institutions Code under the State Supplementary Program for Aged, Blind and Disabled.
- (c) This section shall not apply to a provider who has entered into one or more continuing care contracts at a licensed residential care facility for the elderly pursuant to a certificate of authority, as defined in paragraph (5) of subdivision (c) of Section 1771.

Health and Safety Code section 1569.652 provides in part:

- (a) A residential care facility for the elderly shall not require advance notice for terminating an admission agreement upon the death of a resident. No fees shall accrue once all personal property belonging to the deceased resident is removed from the living unit.
- (b) Upon the death of a resident, a licensee shall not impede the removal of the resident's personal property from the facility during reasonable hours by an individual or individuals authorized by the resident or the resident's responsible person, as identified in the admission agreement or attachment, or by a court-appointed executor or administrator of the decedent's estate, if applicable.
- (c) A refund of any fees paid in advance covering the time after the resident's personal property has been removed from the facility shall be issued to the individual, individuals, or entity contractually responsible for the fees or, if the deceased resident paid the fees, to the resident's estate, within 15 days after the personal property is removed.
- (d) If fees are assessed while a resident's personal property remains in a unit after the resident is deceased, a licensee shall, within three days of becoming aware of the resident's death, provide to the resident's responsible person, or other individual or individuals as identified in the admission agreement or attachment, written notice of the facility's policies regarding contract termination upon death and refunds.

- (B) When the Department orders relocation of a resident under the provisions of Section 87223, the resident shall not be held responsible for meeting any advance notice requirement imposed by the licensee in the admission agreement. The licensee shall refund any money to which the resident would have been entitled had notice been given as required by the admission agreement.
- (C) The licensee shall refund any prepaid monthly fees to a resident or the resident's representative, if any, as follows:
  - 1. If a licensee forfeits the license upon the sale or transfer of the facility resulting in the resident's transfer, as specified in Health and Safety Code section 1569.682(a), the licensee surrenders the license or the licensee abandons the facility.
  - 2. If there is a change of use of the facility pursuant to Section 87224(a)(5).

- (D) The refund of prepaid monthly fees for any condition listed in (C)1. and (C)2. above shall be given as specified below:
1. If the resident provides notice five days before the resident leaves the facility, the proportional daily amount of any prepaid monthly fee(s) shall be refunded at the time the resident leaves the facility and the unit is vacated.
  2. If the resident does not provide the above 5-day notice the licensee shall refund a proportional daily amount of any prepaid monthly fee(s) within seven days from the date that the resident leaves the facility and the unit is vacated.
- (E) Preadmission fees shall be refunded according to the following conditions:
1. A 100 percent refund of a preadmission fee shall be provided to an applicant or the applicant's representative if:
    - a. The applicant decides not to enter the facility prior to the facility completing a preadmission appraisal as defined in Section 87457.
    - b. The licensee fails to provide full written disclosure of preadmission fee charges and refund conditions.
  2. Unless Section 87507(g)(5)(E)1. applies, paid preadmission fees that are greater than five hundred dollars (\$500) shall be refunded to an applicant, resident, or the applicant/resident's representative in the following manner:
    - a. A refund of at least 80 percent of the preadmission fee in excess of \$500 shall be provided if the applicant does not enter the facility after a preadmission appraisal is conducted, or the resident leaves the facility for any reason during the first month of residency.
    - b. A refund of at least 60 percent of the preadmission fee in excess of \$500 shall be provided if the resident leaves the facility for any reason during the second month of residency.
    - c. A refund of at least 40 percent of the preadmission fee in excess of \$500 shall be provided if the resident leaves the facility for any reason during the third month of residency.
    - d. If the resident has lived in the facility for four or more months, the licensee may, but is not required to, make a refund of the preadmission fee.

**87507**      **ADMISSION AGREEMENTS** (Continued)

3. Notwithstanding Section 87507(g)(5)(E)1., paid preadmission fees greater than five hundred dollars (\$500) shall be refunded to a resident or the resident's representative as follows:
  - a. If a licensee forfeits the license upon the sale or transfer of the facility resulting in the resident's transfer, as specified in Health and Safety Code section 1569.682(a), the licensee surrenders the license, the licensee abandons the facility, or if there is a change of use of the facility pursuant to Section 87224(a)(5):
    - i. A 100 percent refund shall be provided if preadmission fees in excess of \$500 were paid within six months of the eviction notice.
    - ii. A 75 percent refund shall be provided if preadmission fees in excess of \$500 were paid more than six but not more than 12 months before the eviction notice.
    - iii. A 50 percent refund shall be provided if preadmission fees in excess of \$500 were paid more than 12 but not more than 18 months before the eviction notice.
    - iv. A 25 percent refund shall be provided if preadmission fees in excess of \$500 were paid more than 18 but less than 25 months before the eviction notice.
    - v. No preadmission refund is required if preadmission fees were paid 25 months or more before the eviction notice.
  - b. If a resident transfers from the facility due to a notice of temporary suspension or revocation of a license, paid preadmission fees shall be refunded as specified in Health and Safety Code Section 1569.525(f).

Health and Safety Code section 1569.525(f) provides:

- (f)(1) Notwithstanding Section 1569.651 or any other law, for paid preadmission fees, a resident who transfers from the facility due to the notice of temporary suspension or revocation of a license pursuant to this section is entitled to a refund in accordance with all of the following:
- (A) A 100-percent refund if preadmission fees were paid within six months of either notice of closure required by this section.
  - (B) A 75-percent refund if preadmission fees were paid more than six months, but not more than 12 months, before either notice required by this section.
  - (C) A 50-percent refund if preadmission fees were paid more than 12 months, but not more than 18 months, before either notice required by this section.
  - (D) A 25-percent refund if preadmission fees were paid more than 18 months, but not more than 25 months, before either notice required by this section.
- (2) A preadmission fee refund is not required if preadmission fees were paid 25 months or more before either notice required by this section.
- (3) The preadmission fee refund required by this paragraph shall be paid within 15 days of issuing either notice required by this section. In lieu of the refund, the resident may request that the licensee provide a credit toward the resident's monthly fee obligation in an amount equal to the preadmission fee refund due.
- (4) If a resident transfers from the facility due to the revocation of a license, and the resident gives notice at least five days before leaving the facility, or if the transfer is due to a temporary suspension of the license order, the licensee shall refund to the resident or his or her legal representative a proportional per diem amount of any prepaid monthly fees at the time the resident leaves the facility and the unit is vacated. Otherwise the licensee shall pay the refund within seven days from the date that the resident leaves the facility and the unit is vacated.

- (C) The relocation evaluation.
  - (D) A list of referral agencies.
  - (E) The right of the resident or resident's legal representative to contact the department to investigate the reasons given for the eviction pursuant to Section 1569.35.
  - (F) The contact information for the local long-term care ombudsman, including address and telephone number.
- (3) Discuss the relocation evaluation with the resident and his or her legal representative within 30 days of issuing the notice of eviction.
  - (4) Submit a written report of any eviction to the licensing agency within five days.
  - (5) Upon issuing the written notice of eviction, a licensee shall not accept new residents or enter into new admission agreements.

Health and Safety Code section 1569.683 provides:

- (a) In addition to complying with other applicable regulations, a licensee of a residential care facility for the elderly who sends a notice of eviction to a resident shall set forth in the notice to quit the reasons relied upon for the eviction, with specific facts to permit determination of the date, place, witnesses, and circumstances concerning those reasons. In addition, the notice to quit shall include all of the following:
  - (1) The effective date of the eviction.
  - (2) Resources available to assist in identifying alternative housing and care options, including public and private referral services and case management organizations.
  - (3) Information about the resident's right to file a complaint with the department regarding the eviction, with the name, address, and telephone number of the nearest office of community care licensing and the State Ombudsman.
  - (4) The following statement: "In order to evict a resident who remains in the facility after the effective date of the eviction, the residential care facility for the elderly must file an unlawful detainer action in superior court and receive a written judgment signed by a judge. If the facility pursues the unlawful detainer action, you must be served with a summons and complaint. You have the right to contest the eviction in writing and through a hearing."

**Article 10. Food Services****87555 GENERAL FOOD SERVICE REQUIREMENTS****87555**

- (a) The total daily diet shall be of the quality and in the quantity necessary to meet the needs of the residents and shall meet the Recommended Dietary Allowances of the Food and Nutrition Board of the National Research Council. All food shall be selected, stored, prepared and served in a safe and healthful manner.
- (b) The following food service requirements shall apply:
  - (1) Where all food is provided by the facility arrangements shall be made so that each resident has available at least three meals per day. Exceptions may be allowed on weekends and holidays providing the total daily food needs are met. Not more than fifteen (15) hours shall elapse between the third and first meal.
  - (2) Where meal service within a facility is elective, arrangements shall be made to assure availability of an adequate daily food intake for all residents who, in their admission agreement, elected meal service. If a resident's condition changes so that he is no longer able to cook or purchase his own meals, the admission agreement shall be modified and the resident provided full meal service.
  - (3) Between-meal nourishment or snacks shall be made available for all residents unless limited by dietary restrictions prescribed by a physician.
  - (4) Meals on the premises shall be served in a designated dining area suitable for the purpose and residents encouraged to have meals with other residents. Tray service shall be provided in case of temporary need.
  - (5) Meals shall consist of an appropriate variety of foods and shall be planned with consideration for cultural and religious background and food habits of residents.
  - (6) In facilities for sixteen (16) persons or more, menus shall be written at least one week in advance and copies of the menus as served shall be dated and kept on file for at least 30 days. Facilities licensed for less than sixteen (16) residents shall maintain a sample menu in their file. Menus shall be made available for review by the residents or their designated representatives and the licensing agency upon request.
  - (7) Modified diets prescribed by a resident's physician as a medical necessity shall be provided.

**87555 GENERAL FOOD SERVICE REQUIREMENTS (Continued)****87555**

- (8) All food shall be of good quality. Commercial foods shall be approved by appropriate federal, state and local authorities. Food in damaged containers shall not be accepted, used or retained.
- (9) Procedures which protect the safety, acceptability and nutritive values of food shall be observed in food storage, preparation and service.
- (10) Where indicated, food shall be cut, chopped or ground to meet individual needs.
- (11) Powdered milk shall not be used as a beverage but may be used in cooking or baking. Raw milk shall not be used. Milk shall be pasteurized.
- (12) Except upon written approval by the licensing agency, meat, poultry and meat food products shall be inspected by state or federal authorities. Written evidence of such inspection shall be available for all products not purchased from commercial markets.
- (13) Home canned foods shall not be used.
- (14) If food is prepared off the facility premises, the preparation source shall meet all applicable requirements for commercial services. The facility shall have adequate equipment and staff to receive and serve the food and for cleanup, and shall maintain adequate equipment for in-house preparation and service of food in emergencies.
- (15) All persons engaged in food preparation and service shall observe personal hygiene and food services sanitation practices which protect the food from contamination.
- (16) In facilities licensed for sixteen (16) to forty-nine (49) residents, one person shall be designated who has primary responsibility for food planning, preparation and service. This person shall be provided with appropriate training.
- (17) In facilities licensed for fifty (50) or more, and providing three (3) meals per day, a full-time employee qualified by formal training or experience shall be responsible for the operation of the food service. If this person is not a nutritionist, a dietitian, or a home economist, provision shall be made for regular consultation from a person so qualified. The consultation services shall be provided at appropriate times, during at least one meal. A written record of the frequency, nature and duration of the consultant's visits shall be secured from the consultant and kept on file in the facility.
- (18) Sufficient food service personnel shall be employed, trained and their working hours scheduled to meet the needs of residents.

**87555 GENERAL FOOD SERVICE REQUIREMENTS (Continued)****87555**

- (19) There shall be one or more dining rooms or similar areas suitable for serving residents at a meal service, in shifts where appropriate. The dining areas shall be convenient to the kitchen so that food may be served quickly and easily and shall be attractive and promote socialization among the diners.
- (20) The ventilating systems in food preparation areas shall be maintained in working order and shall be operated when food is being prepared. Food preparation equipment shall be placed to provide aisles of sufficient width to permit easy movement of personnel, mobile equipment and supplies.
- (21) Freezers of adequate size shall be maintained at a temperature of 0 degrees F (-17.7 degrees C), and refrigerators of adequate size shall maintain a maximum temperature of 40 degrees F (4 degrees C). They shall be kept clean and food stored to enable adequate air circulation to maintain the above temperatures.
- (22) Adequate space shall be maintained to accommodate equipment, personnel and procedures necessary for proper cleaning and sanitizing dishes and other utensils.
- (23) All readily perishable foods or beverages capable of supporting rapid and progressive growth of micro-organisms which can cause food infections or food intoxications shall be stored in covered containers at appropriate temperatures.
- (24) Pesticides and other toxic substances shall not be stored in food storerooms, kitchen areas, or where kitchen equipment or utensils are stored.
- (25) Soaps, detergents, cleaning compounds or similar substances shall be stored in areas separate from food supplies.
- (26) Supplies of nonperishable foods for a minimum of one week and perishable foods for a minimum of two days shall be maintained on the premises.
- (27) All kitchen areas shall be kept clean and free of litter, rodents, vermin and insects.
- (28) All food shall be protected against contamination. Contaminated food shall be discarded immediately upon discovery.
- (29) All equipment, fixed or mobile, and dishes, shall be kept clean and maintained in good repair and free of breaks, open seams, cracks or chips.
- (30) All utensils used for eating and drinking and in preparation of food and drink, shall be cleaned and sanitized after each usage.

**87555 GENERAL FOOD SERVICE REQUIREMENTS (Continued)**

- (31) Dishes and utensils shall be disinfected:
  - (A) In facilities using mechanical means, by either maintaining hot water at a minimum temperature of 170 degrees F (77 degrees C) at the final rinse cycle of dishwashing machines, or by disinfecting as specified in (B) below.
  - (B) In facilities not using mechanical means, by an alternative comparable method approved by the licensing agency or by the local health department, such as the addition of a sanitation agent to the final rinse water.
- (32) Equipment of appropriate size and type shall be provided for the storage, preparation and service of food and for sanitizing utensils and tableware, and shall be well maintained.
- (33) Tableware and tables, dishes, and utensils shall be sufficient in quantity to serve the residents.
- (34) Adaptive devices shall be provided for self-help in eating as needed by residents.
- (c) The licensing agency may require the facility to provide written information as to the foods purchased and used over a given period when, based upon documentation, there is reason to believe that the food service requirements are not being met.

**87608 POSTURAL SUPPORTS****87608**

- (a) Based on the individual's preadmission appraisal, and subsequent changes to that appraisal, the facility shall provide assistance and care for the resident in those activities of daily living which the resident is unable to do for himself/herself. Postural supports may be used under the following conditions.
- (1) Postural supports shall be limited to appliances or devices such as braces, spring release trays, or soft ties, used to achieve proper body position and balance, to improve a resident's mobility and independent functioning, or to position rather than restrict movement including, but not limited to, preventing a resident from falling out of bed, a chair, etc.
    - (A) Physician-prescribed orthopedic devices such as braces or casts, used for support of a weakened body part or correction of body parts, are considered postural supports.
  - (2) Postural supports shall be fastened or tied in a manner that permits quick release by the resident.
  - (3) A written order from a physician indicating the need for the postural support shall be maintained in the resident's record. The licensing agency shall be authorized to require other additional documentation if needed to verify the order.
  - (4) Prior to the use of postural supports that change the ambulatory status of a resident to non-ambulatory, the licensee shall ensure that the appropriate fire clearance, as required by Section 87202, Fire Clearance has been secured.
  - (5) Under no circumstances shall postural supports include tying, depriving, or limiting the use of a resident's hands or feet.
    - (A) A bed rail that extends from the head half the length of the bed and used only for assistance with mobility shall be allowed.
    - (B) Bed rails that extend the entire length of the bed are prohibited except for residents who are currently receiving hospice care and have a hospice care plan that specifies the need for full bed rails.

<b>87609</b>	<b>ALLOWABLE HEALTH CONDITIONS AND THE USE OF HOME HEALTH AGENCIES</b>	<b>87609</b>
--------------	--	--------------

- (a) A licensee shall be permitted to accept or retain persons who have a health condition(s) which requires incidental medical services including, but not limited to, the conditions specified in Section 87612, Restricted Health Conditions.
- (b) Incidental medical care may be provided to residents through a licensed home health agency provided the following conditions are met:
  - (1) The licensee is in substantial compliance with the requirements of Health and Safety Code Sections 1569-1569.87, and of Chapter 8, Division 6, of Title 22, CCR, governing Residential Care Facilities for the Elderly.
  - (2) The licensee provides the supporting care and supervision needed to meet the needs of the resident receiving home health care.
  - (3) The licensee informs the home health agency of any duties the regulations prohibit facility staff from performing, and of any regulations that address the resident's specific condition(s).
  - (4) The licensee and home health agency agree in writing on the responsibilities of the home health agency, and those of the licensee in caring for the resident's medical condition(s).
    - (A) The written agreement shall reflect the services, frequency and duration of care.
    - (B) The written agreement shall include day and evening contact information for the home health agency, and the method of communication between the agency and the facility, which may include verbal contact, electronic mail, or logbook.
    - (C) The written agreement shall be signed by the licensee or licensee representative, and representative of the home health agency, and placed in the resident's file.
- (c) The use of home health agencies to care for a resident's medical condition(s) does not expand the scope of care and supervision that the licensee is required to provide.

**87611 GENERAL REQUIREMENTS FOR ALLOWABLE HEALTH CONDITIONS****87611**

- (a) Prior to accepting or retaining a resident with an allowable health condition as specified in Section 87618, Oxygen Administration - Gas and Liquid; Section 87619, Intermittent Positive Pressure Breathing (IPPB) Machine; Section 87621, Colostomy/Ileostomy; Section 87626, Contractures; or Section 87631, Healing Wounds; licensees who have, or have had, any of the following within the last two years, shall obtain Department approval:
- (1) Probationary license;
  - (2) Administrative action filed against them;
  - (3) A Non-Compliance Conference as defined in Section 87101(n) that resulted in a corrective plan of action; or
  - (4) A notice of deficiency concerning direct care and supervision of a resident with a health condition specified in Section 87612, Restricted Health Conditions, that required correction within 24 hours.
- (b) The licensee shall complete and maintain a current, written record of care for each resident that includes, but is not limited to, the following:
- (1) Documentation from the physician of the following:
    - (A) Stability of the medical condition(s);
    - (B) Medical condition(s) which require incidental medical services;
    - (C) Method of intervention;
    - (D) Resident's ability to perform the procedure; and
    - (E) An appropriately skilled professional shall be identified who will perform the procedure if the resident needs assistance.
  - (2) The names, address and telephone number of vendors, if any, and all appropriately skilled professionals providing services.
  - (3) Emergency contacts.

**87611 GENERAL REQUIREMENTS FOR ALLOWABLE HEALTH CONDITIONS (Continued)****87611**

- (c) In addition to Section 87411(d), facility staff shall have knowledge and the ability to recognize and respond to problems and shall contact the physician, appropriately skilled professional, and/or vendor as necessary.
- (d) In addition to Section 87463, Reappraisals and Section 87466, Observation of the Resident, the licensee shall monitor the ability of the resident to provide self care for the allowable health condition and document any change in that ability.
- (e) In addition to Sections 87465(a) and 87464(d), the licensee shall ensure that the resident is cared for in accordance with the physician's orders and that the resident's medical needs are met.
- (f) The duty established by this section does not infringe on the right of a resident to receive or reject medical care or services as allowed in Section 87468(a)(16).

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.2 and 1569.312, Health and Safety Code.

**87612 RESTRICTED HEALTH CONDITIONS****87612**

- (a) The licensee may provide care for residents who have any of the following restricted health conditions, or who require any of the following health services:
  - (1) Administration of oxygen as specified in Section 87618.
  - (2) Catheter care as specified in Section 87623.
  - (3) Colostomy/ileostomy care as specified in Section 87621.
  - (4) Contractures as specified in Section 87626.
  - (5) Diabetes as specified in Section 87628.
  - (6) Enemas, suppositories, and/or fecal impaction removal as specified in Section 87622.
  - (7) Incontinence of bowel and/or bladder as specified in Section 87625.
  - (8) Injections as specified in Section 87629.
  - (9) Intermittent Positive Pressure Breathing Machine use as specified in Section 87619.

**87612 RESTRICTED HEALTH CONDITIONS (Continued)****87612**

- (10) Stage 1 and 2 pressure injuries as specified in Section 87631(a)(3).
- (11) Wound care as specified in Section 87631.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.2, 1569.312 and 1569.72, Health and Safety Code.

**87613 GENERAL REQUIREMENTS FOR RESTRICTED HEALTH CONDITIONS****87613**

- (a) Prior to admission of a resident with a restricted health condition, the licensee shall:
  - (1) Communicate with all other persons who provide care to that resident to ensure consistency of care for the condition.
  - (2) Ensure that facility staff who will participate in meeting the resident's specialized care needs complete training provided by a licensed professional sufficient to meet those needs.
    - (A) Training shall include hands-on instruction in both general procedures and resident-specific procedures.
    - (B) Training shall be completed prior to the staff providing services to the resident.
- (b) Should the condition of the resident change, all facility staff providing care to that resident shall complete any additional training required to meet the resident's new needs, as determined by the resident's physician or a licensed professional designated by the physician.
- (c) The licensee shall document any significant occurrences that result in changes in the resident's physical, mental and/or functional capabilities and immediately report these changes to the resident's physician and authorized representative.
- (d) A resident's right to receive or reject medical care or services, as specified in Section 87468, Personal Rights, shall not be affected by this section.
  - (1) If a resident refuses medical services the licensee shall immediately notify the resident's physician or licensed professional designated by the physician and the resident's authorized representative, if any, and shall participate in developing a plan for meeting the resident's needs.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.2, 1569.312 and 1569.72, Health and Safety Code.

**87615 PROHIBITED HEALTH CONDITIONS****87615**

- (a) Persons who require health services or have a health condition including, but not limited to, those specified below shall not be admitted or retained in a residential care facility for the elderly:
- (1) Stage 3 and 4 pressure injuries.
  - (2) Gastrostomy tubes.
  - (3) Naso-gastric tubes.
  - (4) Staphylococcus aureus ("staph") infection or other serious infection.
  - (5) Residents who depend on others to perform all activities of daily living for them as set forth in Section 87459, Functional Capabilities.
  - (6) Tracheotomies.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.2, 1569.312 and 1569.72, Health and Safety Code.

**87616 EXCEPTIONS FOR HEALTH CONDITIONS****87616**

- (a) As specified in Section 87209, Program Flexibility, the licensee may submit a written exception request if he/she agrees that the resident has a prohibited and/or restrictive health condition but believes that the intent of the law can be met through alternative means.
- (b) Written requests shall include, but are not limited to, the following:
- (1) Documentation of the resident's current health condition including updated medical reports, other documentation of the current health, prognosis, and expected duration of condition.
  - (2) The licensee's plan for ensuring that the resident's health related needs can be met by the facility.
  - (3) Plan for minimizing the impact on other residents.
- (c) Facilities that have satisfied the requirements of Section 87632, Hospice Care Waiver, are not required to submit written exception requests under this section for residents or prospective residents with restricted health conditions under Section 87612 and/or prohibited health conditions under Section 87615 provided those residents have been diagnosed as terminally ill and are receiving hospice services in accordance with a hospice care plan as required under Section 87633, Hospice Care for Terminally Ill Residents, and the treatment of such restricted and/or prohibited health conditions is specifically addressed in the hospice care plan.

Health and Safety Code section 1569.73(a) provides in relevant part:

- "(a)(2) The terminally ill resident, or the terminally ill person to be accepted as a resident, has obtained the services of a hospice certified in accordance with federal medicare conditions of participation and licensed pursuant to Chapter 8 (commencing with Section 1725) or Chapter 8.5 (commencing with Section 1745).
- (3) The facility, in the judgment of the department, has the ability to provide care and supervision appropriate to meet the needs of the terminally ill resident or the terminally ill person to be accepted as a resident, and is in substantial compliance with regulations governing the operation of residential care facilities for the elderly.
- (4) The hospice has agreed to design and provide for care, services, and necessary medical intervention related to the terminal illness as necessary to supplement the care and supervision provided by the facility.
- (5) An agreement has been executed between the facility and the hospice regarding the care plan for the terminally ill resident or terminally ill person to be accepted as a resident. The care plan shall designate the primary caregiver, identify other caregivers, and outline the tasks the facility is responsible for performing and the approximate frequency with which they shall be performed. The care plan shall specifically limit the facility's role for care and supervision to those tasks allowed under this chapter."

**87621 COLOSTOMY/ILEOSTOMY****87621**

(a) Except as specified in Section 87611(a), the licensee shall be permitted to accept or retain a resident who has a colostomy or ileostomy under the following circumstances:

- (1) If the resident is mentally and physically capable of providing all routine care for his/her ostomy, and the physician has documented that the ostomy is completely healed.

OR

- (2) If assistance in the care of the ostomy is provided by an appropriately skilled professional.

(b) In addition to Section 87611(b), the licensees shall be responsible for the following:

- (1) Ensuring that ostomy care is provided by an appropriately skilled professional.
  - (A) The ostomy bag and adhesive may be changed by facility staff who have been instructed by the professional.
  - (B) There shall be written documentation by an appropriately skilled professional outlining the instruction of the procedures delegated and the names of the facility staff who have been instructed.
  - (C) The professional shall review the procedures and techniques no less than twice a month.
- (2) Ensuring that used bags are discarded as specified in Section 87303(f)(1).
- (3) Privacy shall be afforded when ostomy care is provided.

NOTE: Authority cited: Section 1569.30, Health and Safety Code. Reference: Sections 1569.2 and 1569.312, Health and Safety Code.

**87622      FECAL IMPACTION REMOVAL, ENEMAS, AND/OR SUPPOSITORIES      87622**

- (a) The licensee shall be permitted to accept or retain a resident who requires manual fecal impaction removal, enemas, or use of suppositories under the following circumstances:
  - (1) Self care by the resident.
  - (2) Manual fecal impaction removal, enemas, and/or suppositories shall be permitted if administered according to physician's orders by either the resident or an appropriately skilled professional.
- (b) In addition to Section 87611, General Requirements for Allowable Health Conditions, the licensee shall be responsible for the following:
  - (1) Ensuring that the administration of enemas or suppositories or manual fecal impaction removal is performed by an appropriately skilled professional should the resident require assistance.
  - (2) Privacy shall be afforded when care is being provided.

**87632 HOSPICE CARE WAIVER****87632**

- (a) In order to accept or retain terminally ill residents and permit them to receive care from a hospice agency, the licensee shall have obtained a facility hospice care waiver from the Department. To obtain this waiver the licensee shall submit a written request for a waiver to the Department on behalf of any residents who may request retention, and any future residents who may request acceptance, along with the provision of hospice services in the facility. The request shall include, but not be limited to the following:
- (1) Specification of the maximum number of terminally ill residents which the facility wants to have at any one time.
  - (2) A statement by the licensee that they have read, Section 87633, Hospice Care for Terminally Ill Residents, this section, and all other requirements within Chapter 8 of Title 22 of the California Code of Regulations governing Residential Care Facilities for the Elderly and that they will comply with these requirements.
  - (3) A statement by the licensee that the terms and conditions of all hospice care plans which are designated as the responsibility of the licensee, or under the control of the licensee, shall be adhered to by the licensee.
  - (4) A statement by the licensee that an agreement with the hospice agency will be entered into regarding the care plan for the terminally ill resident to be accepted and/or retained in the facility. The agreement with hospice shall design and provide for the care, services, and necessary medical intervention related to the terminal illness as necessary to supplement the care and supervision provided by the licensee.
- (b) The Department shall deny a waiver request if the licensee is not in substantial compliance with the provisions of the Residential Care Facilities for the Elderly Act (Health and Safety Code Section 1569 et seq.) and the requirements of Chapter 8 of Title 22 of the California Code of Regulations governing Residential Care Facilities for the Elderly.
- (c) No waiver request will be approved unless the facility demonstrates the ability to meet the care and supervision needs of terminally ill residents, and states a willingness to provide additional care staff if required by the hospice care plan.
- (d) If the Department grants a hospice care waiver it shall stipulate terms and conditions of the waiver as necessary to ensure the well-being of terminally ill residents and of all other facility residents, which shall include, but not be limited to, the following requirements:
- (1) A written request shall be signed by each terminally ill resident or prospective resident upon admission, or by the resident's or prospective resident's health care surrogate decision maker to allow for his or her acceptance or retention in the facility while receiving hospice services.
    - (A) The request shall be maintained in the resident's record at the facility, as specified in Section 87633(h)(1).

**This page is intentionally left blank.**

**87632 HOSPICE CARE WAIVER (Continued)****87632**

- (2) The licensee shall notify the Department in writing within five working days of the initiation of hospice care services for any terminally ill resident in the facility or within five working days of admitting a resident already receiving hospice care services. The notice shall include the resident's name and date of admission to the facility and the name and address of the hospice.
- (e) Within 30 days of receipt of an acceptable request for a hospice care waiver, the Department shall notify the applicant or licensee, in writing of one of the following:
  - (1) The request has been approved or denied.
  - (2) The request is deficient, describing additional information required for the request to be acceptable and a time frame for submitting this information.
    - (A) Failure of the applicant or licensee to comply within the time specified in (2) above shall result in denial of the request.

Health and Safety Code section 1569.73 provided in relevant part:

- "(a)(2) The terminally ill resident, or the terminally ill person to be accepted as a resident, has obtained the services of a hospice certified in accordance with federal medicare conditions of participation and licensed pursuant to Chapter 8 (commencing with Section 1725) or Chapter 8.5 (commencing with Section 1745).
- (3) The facility, in the judgment of the department, has the ability to provide care and supervision appropriate to meet the needs of the terminally ill resident or the terminally ill person to be accepted as a resident, and is in substantial compliance with regulations governing the operation of residential care facilities for the elderly.
- (4) The hospice has agreed to design and provide for care, services, and necessary medical intervention related to the terminal illness as necessary to supplement the care and supervision provided by the facility.
- (5) An agreement has been executed between the facility and the hospice regarding the care plan for the terminally ill resident or terminally ill person to be accepted as a resident. The care plan shall designate the primary caregiver, identify other caregivers, and outline the tasks the facility is responsible for performing and the approximate frequency with which they shall be performed. The care plan shall specifically limit the facility's role for care and supervision to those tasks allowed under this chapter...

**87632 HOSPICE CARE WAIVER (Continued)****87632****HANDBOOK CONTINUES**

- (d) Nothing in this section is intended to expand the scope of care and supervision for a residential care facility for the elderly as defined in this act, nor shall a facility be required to alter or extend its license in order to retain a terminally ill resident or allow a terminally ill person to become a resident of the facility as authorized by this section.
- (e) Nothing in this section shall require any care or supervision to be provided by the residential care facility for the elderly beyond that which is permitted in this chapter...
- (g) The department shall not be responsible for the evaluation of medical services provided to the resident by the hospice and shall have no liability for the independent acts of the hospice..."

**87633 HOSPICE CARE FOR TERMINALLY ILL RESIDENTS****87633**

- (a) The licensee shall be permitted to accept or retain residents who have been diagnosed as terminally ill by his or her physician and surgeon and who may or may not have restrictive and/or prohibited health conditions, to reside in the facility and receive hospice services from a hospice agency in the facility, when all of the following conditions are met:
  - (1) The licensee has received a hospice care waiver from the department.
  - (2) The licensee remains in substantial compliance with the requirements of this section, with the provisions of the Residential Care Facilities for the Elderly Act (Health and Safety Code Section 1569 et seq.), all other requirements of Chapter 8 of Title 22 of the California Code of Regulations governing Residential Care Facilities for the Elderly, and with all terms and conditions of the waiver.
  - (3) Hospice agency services are contracted for by each terminally ill resident or prospective resident individually, or the resident's or prospective resident's Health Care Surrogate Decision Maker if the resident or prospective resident is incapacitated, not by the licensee on behalf of a resident or prospective resident. These hospice agency services must be provided by a hospice agency both licensed by the state and certified by the federal Medicare program.

**87633 HOSPICE CARE FOR TERMINALLY ILL RESIDENTS (Continued)****87633**

- (4) A written hospice care plan which specifies the care, services, and necessary medical intervention related to the terminal illness as necessary to supplement the care and supervision provided by the facility is developed for each terminally ill resident or prospective resident by that resident's hospice agency, and agreed to by the licensee and the resident, or prospective resident, or the resident's or prospective resident's Health Care Surrogate Decision Maker, if any, prior to the initiation of hospice services in the facility for that resident, and all hospice care plans are fully implemented by the licensee and by the hospice(s).
  - (5) The acceptance or retention of any terminally ill resident or prospective resident in the facility does not represent a threat to the health and safety of any facility resident, or result in a violation of the personal rights of any facility resident.
  - (6) The hospice agency and the resident or prospective resident agree to provide the licensee with all information necessary to allow the licensee to comply with all regulations and to assure that the resident's or prospective resident's needs will be met.
- (b) A current and complete hospice care plan shall be maintained in the facility for each hospice resident and include the following:
- (1) The name, office address, business telephone number, and 24-hour emergency telephone number of the hospice agency and the resident's physician.
  - (2) A description of the services to be provided in the facility by the hospice agency including but not limited to the type and frequency of services to be provided.
  - (3) Designation of the resident's primary contact person at the hospice agency, and resident's primary and alternate care giver at the facility.
  - (4) A description of the area of licensee's responsibility for implementing the plan including, but not limited to, facility staff duties; record keeping; and communication with the hospice agency, resident's physician, and the resident's responsible person(s), if any. This description shall include the type and frequency of the tasks to be performed by the facility.
    - (A) The plan shall specify all procedures to be implemented by the licensee regarding the storage and handling of medications or other substances, and the maintenance and use of medical supplies, equipment, or appliances.
    - (B) The plan shall specify, by name or job function, the licensed health care professional on the hospice agency staff who will control and supervise the storage and administration of all controlled drugs (Schedule II - V) for the hospice client. Facility staff can assist hospice residents with self-medications without hospice personnel being present.

**87633 HOSPICE CARE FOR TERMINALLY ILL RESIDENTS****87633**

(Continued)

- (C) The plan shall neither require nor recommend that the licensee or any facility personnel other than a physician or appropriately skilled professional implement any health care procedure which may legally be provided only by a physician or appropriately skilled professional.
- (5) A description of all hospice services to be provided or arranged in the facility by persons other than the licensee, facility personnel, or the hospice agency including, but not limited to, clergy and the resident's family members and friends.
- (6) Identification of the training needed, which staff members need this training, and who will provide the training relating to the licensee's responsibilities for implementation of the hospice care plan.
  - (A) The training shall include but not be limited to typical needs of hospice patients, such as turning and incontinence care to prevent skin breakdown, hydration, and infection control.
  - (B) The hospice agency will provide training specific to the current and ongoing needs of the individual resident receiving hospice care and that training must be completed before hospice care to the resident begins.
- (7) Any other information deemed necessary by the Department to ensure that the terminally ill resident's needs for health care, personal care, and supervision are met.
- (c) The licensee shall ensure that the hospice care plan complies with the requirements of this section, with the provisions of the Residential Care Facilities for the Elderly Act (Health and Safety Code Section 1569 et seq.), and all other requirements of Chapter 8 of Title 22 of the California Code of Regulations governing Residential Care Facilities for the Elderly.
- (d) The licensee shall ensure that the hospice care plan is current, accurately matches the services actually being provided, and that the client's care needs are being met at all times.
- (e) The Department may require that the licensee obtain a revision of the hospice care plan if the plan is not fully implemented, or if the Department has determined that revision of the plan is necessary to protect the health and safety of any facility resident.
- (f) The licensee shall maintain a record of all hospice-related training provided to the licensee or facility personnel for a period of three years. This record shall be available for review by the Department.
  - (1) The record of each training session shall specify the names and credentials of the trainer, the persons in attendance, the subject matter covered, and the date and duration of the training session.

**87633 HOSPICE CARE FOR TERMINALLY ILL RESIDENTS****87633**

(Continued)

- (g) In addition to the reporting requirements specified in Section 87211, Reporting Requirements, the licensee shall submit a report to the Department when a terminally ill resident's hospice services are interrupted or discontinued for any reason other than the death of the resident, including refusal of hospice care or discharge from hospice. The licensee shall also report any deviation from the resident's hospice care plan, or other incident, which threatens the health and safety of any resident.
- (1) Such reports shall be made by telephone within one working day, and in writing within five working days, and shall specify all of the following:
- (A) The name, age, sex of each affected resident.
  - (B) The date and nature of the event and explanatory background information leading up to the event.
  - (C) The name and business telephone number of the hospice agency.
  - (D) Actions taken by the licensee and any other parties to resolve the reportable event and to prevent similar occurrences in the future.
- (h) For each terminally ill resident receiving hospice services in the facility, the licensee shall maintain the following in the resident's record:
- (1) A written request for acceptance or admittance to or retention in the facility while receiving hospice services, along with any advance directive and/or request regarding resuscitative measures form executed by the resident or (in certain instances) the resident's Health Care Surrogate Decision Maker.
  - (2) The name, address, telephone number, and 24-hour emergency telephone number of the hospice agency and the resident's Health Care Surrogate Decision Maker, if any, in a manner that is readily available to the resident, the licensee, and facility staff.
  - (3) A copy of the written certification statement of the resident's terminal illness from the medical director of the hospice or the physician member of the hospice interdisciplinary group and the individual's attending physician, if the individual has an attending physician.
  - (4) A copy of the resident's current hospice care plan approved by the licensee, the hospice agency, and the resident, or the resident's Health Care Surrogate Decision Maker if the resident is incapacitated.

**87633 HOSPICE CARE FOR TERMINALLY ILL RESIDENTS****87633**

(Continued)

- (5) A statement signed by the resident's roommate, if any, or any resident who will share a room with a person who is terminally ill to be accepted or retained as a resident, indicating his or her acknowledgment that the resident intends to receive hospice care in the facility for the remainder of the resident's life, and the roommate's voluntary agreement to grant access to the shared living space to hospice caregivers, and the resident's support network of family members, friends, clergy, and others.
  - (A) If the roommate withdraws the agreement verbally or in writing, the licensee shall make alternative arrangements which fully meet the needs of the hospice resident.
- (i) Prescription medications no longer needed shall be disposed of in accordance with Section 87465(i).
- (j) A written health condition exception request and approval from the Department in accordance with Section 87616, is not needed for any restricted health conditions listed in Section 87612, Restricted Health Conditions, or for any prohibited health conditions listed in Section 87615, Prohibited Health Conditions, provided the resident or prospective resident has been diagnosed as terminally ill and is currently receiving hospice care in compliance with Section 87633, Hospice Care for Terminally Ill Residents, and the treatment of the restricted and/or prohibited health conditions is addressed in the hospice care plan.
  - (1) In caring for a resident's health condition, facility staff, other than appropriately skilled health professionals, shall not perform any health care procedure that under law may only be performed by an appropriately skilled professional.
- (k) The licensee shall maintain a record of dosages of medications that are centrally stored for each resident receiving hospice services in the facility.
- (l) Residents receiving hospice care or prospective residents already receiving hospice care when accepted as residents who are bedridden may reside in the facility provided the facility meets the requirements of Section 87606, Care of Bedridden Residents.

<b>87637</b>	<b>HEALTH CONDITION RELOCATION ORDER</b>	<b>87637</b>
--------------	--	--------------

- (a) If a resident has a health condition which cannot be cared for within the limits of the license, requires inpatient care in a health facility, or has a health condition prohibited by Section 87455(c) or Section 87615, Prohibited Health Conditions, the Department shall order the licensee to relocate the resident.
- (b) When the Department orders the relocation of a resident, the following shall apply:
- (1) The Department shall give written notice to the licensee ordering the relocation of the resident and informing the licensee of the resident's right to an interdisciplinary team review of the relocation order as specified in Section 87638, Resident Request for Review of Health Condition Relocation Order. Notice of the health condition relocation order and information about the right to request an interdisciplinary team review of the relocation order shall be given to the resident, by the Department, and sent to the resident's responsible person, if any.

**This page is intentionally left blank.**

**87637 HEALTH CONDITION RELOCATION ORDER (Continued)****87637**

- (A) If the resident has no responsible person, as defined in Section 87101, the relocation order shall be sent to the representative payee, if any. In such cases, the Department shall also notify the State Long-Term Care Ombudsman of the relocation order by telephone.
  - (B) The notice shall advise that the licensee may request an administrative review of the health condition relocation order, and may request that an exception or waiver be granted or reinstated by the Department to allow retention of the resident in the facility.
- (2) The licensee shall prepare a written relocation plan in any instance where the Department does not suspend the facility license. The plan shall contain all necessary steps to be taken to reduce stress to the resident which may result in transfer trauma, and shall include but not be limited to:
- (A) A specific date for beginning and a specific date for completion of the process of safely relocating the resident. The time frame for relocation may provide for immediate relocation but shall not exceed 30 days.
  - (B) A specific date when the resident and the resident's responsible person, if any, shall be notified of the need for relocation.
  - (C) A specific date when consultation with the resident's physician, and hospice agency, if any, shall occur to obtain a current medical assessment of the resident's health needs, to determine the appropriate facility type for relocation and to ensure that the resident's health care needs continue to be met at all times during the relocation process.
  - (D) The method by which the licensee shall participate in the identification of an acceptable relocation site with the resident and the responsible person, if any. The licensee shall advise the resident and/or the responsible person that if the resident is to be moved to another residential care facility for the elderly, a determination must be made that the resident's needs can be legally met in the new facility before the move is made. If the resident's needs cannot be legally met in the new facility, the resident must be moved to a facility licensed to provide the necessary care.
  - (E) A list of contacts made or to be made by the licensee with community resources, including but not limited to, social workers, family members, Long Term Care Ombudsman, clergy, Multipurpose Senior Services Programs and others as appropriate to ensure that services are provided to the resident before, during and after the move. The need for the move shall be discussed with the resident and the resident assured that support systems will remain in place.

**87637 HEALTH CONDITION RELOCATION ORDER (Continued)****87637**

- (F) Measures to be taken until relocation to protect the resident and/or meet the resident's health and safety needs.
- (G) An agreement to notify the Department when the relocation has occurred, including the resident's new address, if known.
- (3) The relocation plan shall be submitted in writing to the Department within the time set forth in the LIC 809 (Rev. 5/88) Licensing Report by the Department that the resident requires health services that the facility cannot legally provide.
- (4) Any changes in the relocation plan shall be submitted in writing to the Department. The Department shall have the authority to approve, disapprove or modify the plan.
- (5) If relocation of more than one (1) resident is required, a separate plan shall be prepared and submitted in writing for each resident.
- (6) The licensee shall comply with all terms and conditions of the approved plan. No written or oral contract with any other person shall release the licensee from the responsibility specified in this section or Section 87223, Relocation of Residents, for relocating a resident who has a health condition(s) which cannot be cared for in the facility and/or which requires inpatient care in a licensed health facility, nor from taking all necessary actions to reduce stress to the resident.
- (7) In cases where the Department determines that the resident is in imminent danger because of a health condition(s) which cannot be cared for in the facility or which requires inpatient care in a licensed health facility, the Department shall order the licensee to immediately relocate the resident.
  - (A) No written relocation plan is necessary in cases of immediate relocation.

**87638      RESIDENT REQUEST FOR REVIEW OF HEALTH CONDITION      87638**  
**RELOCATION ORDER**

- (a) A resident, or the resident's responsible person, if any, shall be permitted to request a review and determination of the Department's health condition relocation order by the interdisciplinary team.
  - (1) If the resident has no responsible person, as defined in Section 87101, the Long-Term Care Ombudsman and/or the resident's representative payee, if any, shall be permitted to submit a request for review and determination on behalf of the resident.
- (b) The resident, or the resident's responsible person, if any, shall have three (3) working days, from receipt of the relocation order, to submit to the licensee a written, signed and dated request for a review and determination by the interdisciplinary team.
  - (1) For purposes of this section, a working day is any day except Saturday, Sunday or an official state holiday.
- (c) The licensee shall mail or deliver such a request to the Department within two (2) working days of receipt.
  - (1) Failure or refusal to do so may result in civil penalties, as provided in Section 87761, Penalties.
- (d) The Department shall give written notification to the resident, or the resident's responsible person, if any, acknowledging receipt of the resident's request for review of the relocation order. Notification shall occur within three (3) working days of receipt by the Department of the request for review.
- (e) Within ten (10) working days from the date of the resident's review request, the licensee shall submit to the Department the documentation specified in Section 87638(g) to complete the resident's review request.
- (f) The licensee shall cooperate with the resident, or the resident's responsible person, if any, in gathering the documentation to complete the resident's review request.
- (g) The documentation to complete the resident's review request shall include, but not be limited to, the following:
  - (1) The reason(s) for disagreeing that the resident has the health condition identified in the relocation order and why the resident believes he/she may legally continue to reside in a residential care facility for the elderly.
  - (2) A current medical assessment signed by the resident's physician.
    - (A) For purposes of this section, this assessment shall include the information specified in Sections 87611(a)(1)(A) through (E).

**87638      RESIDENT REQUEST FOR REVIEW OF HEALTH CONDITION      87638**  
**RELOCATION ORDER (Continued)**

- (B) For purposes of this section, "current" shall mean a medical assessment completed on or after the date of the relocation order.
- (3) An appraisal or reappraisal of the resident as specified in Sections 87457(c)(1) and 87463, Reappraisals.
  - (A) The licensee shall be permitted to use the form LIC 603 (Rev. 6/87), Preplacement Appraisal Information, to document the appraisal or reappraisal.
- (4) A written statement from a placement agency, if any, currently involved with the resident, addressing the relocation order.
- (h) The Department shall inform the resident and/or the resident's responsible person, if any, in writing, of the interdisciplinary team's determination and the reason for that determination not more than 30 days after the resident or his/her responsible person, if any, is notified of the need to relocate.
- (i) The resident's right to a review of a health condition relocation order issued by the Department shall not:
  - (1) Nullify a determination by the Department that the resident must be relocated in order to protect the resident's health and safety as specified in Section 87612(a).
  - (2) Apply to eviction under Section 87224, Eviction Procedures.
  - (3) Imply a right to a state hearing or any other administrative review beyond that set forth in this section.
  - (4) Apply if the facility license has been temporarily suspended as specified in Section 87775(c).

**87639 ADMINISTRATIVE REVIEW - HEALTH CONDITIONS**

- (a) For purposes of this article, any request for administrative review of a notice of deficiency, notice of penalty, or health condition relocation order shall be submitted by the licensee or his/her designated representative in writing to the Department and, in addition to the requirements of Section 87763, Appeal Process, shall include the following:
- (1) The reason(s) the licensee disagrees with the notice or order.
  - (2) Information about the resident as specified in Section 87611(a).
  - (3) A current appraisal or reappraisal of the resident as specified in Sections 87457(c)(1) and 87463, Reappraisals.
  - (4) A written statement from the resident's placement agency, if any, addressing the notice or order.

**Article 12. Dementia****87705 CARE OF PERSONS WITH DEMENTIA**

- (a) This section applies to the care of residents diagnosed with dementia. Mild cognitive impairment, as defined in Section 87101, Definitions, is not considered to be dementia.
- (b) Licensees shall be responsible for the following:
  - (1) Ensuring staff receive the following training as part of the training requirements specified in Section 87208 Plan of Operation:
    - (A) Dementia care, including, but not limited to, knowledge about hydration, nutrition, skin care, communication, therapeutic activities, behavioral challenges, the environment, and assisting with activities of daily living;
    - (B) Recognizing symptoms that may create or aggravate behavioral expression, as defined in Section 87101, Definitions, including, but not limited to, dehydration, urinary tract infections, and problems with swallowing; and
    - (C) Recognizing the effects of medications commonly used to reduce behavioral expression.

- (2) For facilities with fewer than 16 residents, ensuring there is at least one night staff person awake and on duty if any resident with dementia is determined through a pre-admission appraisal, reappraisal, or observation, to require awake night supervision. This requirement is in addition to requirements specified in Section 87415, Night Supervision.
- (c) With the prior written approval of the resident or conservator and provided such devices do not violate the resident's rights as specified in Section 87468.1 Personal Rights of Residents in All Facilities, the licensee may use egress alert and location tracking devices as needed to ensure resident safety.
- (d) The licensee shall ensure that the facility has an auditory device or other staff alert feature to monitor exits on exterior doors and perimeter fence gates accessible to those residents who may be at risk for elopement, as defined in Section 87101, Definitions.
- (e) Licensees that use delayed egress devices on exterior doors and perimeter fence gates shall meet the following initial and continuing requirements:
  - (1) The licensee shall notify the licensing agency immediately after determining the date that the device will be installed.
  - (2) The licensee shall ensure that the fire clearance includes approval of delayed egress devices.
  - (3) Facility staff shall attempt to redirect a resident at risk for elopement who may be attempting to leave the facility without violating Section 87468.1, Personal Rights of Residents in All Facilities.
  - (4) Residents who continue to indicate a desire to leave the facility following redirection shall be permitted to do so with staff supervision.

**87705 CARE OF PERSONS WITH DEMENTIA (Continued)**

- (5) Facility staff shall ensure the continued safety of residents if they wander away from the facility without violating Sections 87468.1, Personal Rights of Residents in All Facilities and Section 87468.2, Additional Personal Rights of Residents in Privately Operated Facilities.
- (6) For each incident of elopement, as defined in Section 87101, Definitions, the licensee shall report the incident to:
  - (A) The resident's representative, if applicable, immediately upon becoming aware of the incident. A written report shall also be provided to the resident's representative as specified in Section 87211, Reporting Requirements. Documentation of the report shall be added to the resident's record.
  - (B) The licensing agency Officer of the Day, by telephone, e-mail, fax, or hand-delivery no later than the next working day following the incident. If reported by telephone, a written report shall also be submitted to the licensing agency as specified in Section 87211, Reporting Requirements. The report shall be added to the resident's record.
- (7) Delayed egress devices shall not substitute for trained staff in sufficient numbers to meet the care and supervision needs of all residents, including staff needed to escort residents who need supervision to leave the facility.
- (f) Licensees that lock exterior doors or perimeter fence gates shall meet the following initial and continuing requirements:
  - (1) Licensees shall notify the licensing agency of their intention to lock exterior doors and/or perimeter fence gates.
  - (2) The licensee shall ensure that the fire clearance includes approval of locked exterior doors or perimeter fence gates and that facility staff on all shifts have access to, and know how to use, equipment needed to unlock exterior doors or perimeter fence gates.
  - (3) Facility staff shall attempt to redirect a resident at risk for elopement who may be attempting to leave the facility without violating Section 87468.1, Personal Rights of Residents in All Facilities.
  - (4) The licensee shall maintain either of the following documents in the resident's record, depending on the resident's conservatorship status:
    - (A) Court order showing the conservator's legal authority to place the conservatee in a facility with locked exterior doors or perimeter fence gates, for each resident who has been conserved under the Probate Code or the Lanterman-Petris-Short Act; or
    - (B) A written statement signed by each non-conserved resident that states the resident understands that the facility has locked exterior doors or perimeter fence gates and that the resident voluntarily consents to such upon admission.

**87705 CARE OF PERSONS WITH DEMENTIA (Continued)**

- (5) Interior and exterior space shall be available on the facility premises to permit residents with dementia to wander freely and safely.
- (6) Locked exterior doors or perimeter fences with locked gates shall not substitute for trained staff in sufficient numbers to meet the care and supervision needs of all residents.

**87706 ADVERTISING DEMENTIA SPECIAL CARE, PROGRAMMING, AND ENVIRONMENTS**

- (a) In addition to the requirements in Section 87705, Care of Persons with Dementia, licensees who advertise, promote, or otherwise hold themselves out as providing special care, programming, and/or environments for residents with dementia or related disorders shall meet the following requirements:
- (1) In addition to the requirements specified in Sections 87208, Plan of Operation, the licensee shall include in the plan of operation a brief narrative description addressing the following additional information:
- (A) Philosophy, including, but not limited to, program goals/objectives in relation to meeting the needs of residents with dementia.
- (B) Admission, including the following items that must be addressed when admitting a resident who requires dementia special care:
1. Specification of the designated areas in the facility where dementia special care is provided, which may be the entire facility or only parts of it.
  2. Services available specific to residents with dementia.
  3. Procedures in place to ensure that the plan of operation is available for review upon request.
- (C) Staff training describing the required training for direct care staff who provide dementia special care. At a minimum, the description shall include information on training to be provided, as specified in Health and Safety Code sections 1569.625 and 1569.626.
- (D) Activity program for residents with dementia.
1. Types of activities include, but are not limited to, activities that support cognitive/mental stimulation, physical activities and reminiscence activities, as specified in Section 87219, Planned Activities.
- (E) Physical environment, including environmental factors that ensure a safe, secure, familiar and consistent environment for residents with dementia.
1. Environmental factors that may be considered include: bedroom decor; architectural and safety features (e. g., wide hallways, handrails, delayed egress, secured perimeters); lighting; colors and visual contrasts; types of furniture; signs; noise factors; memory boxes; nourishment and hydration stations; and functional outdoor space and exercise pathways.

**87706 ADVERTISING DEMENTIA SPECIAL CARE, PROGRAMMING, AND ENVIRONMENTS (Continued)**

- (F) Changes in condition, including procedures to be followed when a resident's condition changes, including, but not limited to, an explanation of:
  - 1. When a reappraisal, as specified in Section 87463, Reappraisals, is required;
  - 2. At what point, if any, a licensed medical professional is involved in developing a reappraisal;
  - 3. Special techniques/programs (if any) used for managing specific types of behavior; and
  - 4. The conditions that would require a resident to be relocated.
- (G) Success indicators, including procedures to:
  - 1. Ensure an ongoing review of facility programs pertaining to care of residents with dementia;
  - 2. Make necessary adjustments to better meet residents' needs; and
  - 3. Assess the program's overall effectiveness/success.
    - a. Examples of areas that may be reviewed include incident reports, staffing levels, input from others, and resident participation in program activities.
- (2) The licensee shall maintain copies of all facility advertisements and marketing/promotional material that indicate the licensee provides special care, programming, and/or environments for residents with dementia, and shall maintain the information for a minimum of three years.
- (3) The licensee shall provide a description of the program and services, as specified in Health and Safety Code section 1569.628.
  - (A) This material shall be available to the public upon request.
  - (B) This material shall also be available to the licensing agency to inspect, audit, copy, and remove (if necessary for copying) upon demand during normal business hours as specified in Section 87755, Inspection Authority of the Licensing Agency.

---

- (b) Any number of other visits may be made to a facility for various purposes as determined to be necessary by the licensing agency to determine compliance with applicable laws and regulations.
- (c) When a routine visit, evaluation or investigation of a complaint is conducted and the evaluator determines that a deficiency exists, the evaluator shall issue a notice of deficiency, unless the deficiency is minor and corrected during the visit.

**87756 EVALUATION VISIT (Continued)****87756**

- (d) Prior to completion of a visit, evaluation or investigation, the evaluator shall meet with the licensee, administrator, operator, or other person in charge of the facility to discuss any deficiencies noted. At the meeting, a plan for correcting each deficiency shall be developed and included in the notice of deficiency. Prior to completion of the visit, the evaluator shall serve the notice of deficiency on the licensee by either:
- (1) Personal delivery to the licensee, or
  - (2) If the licensee is not at the facility site, leaving the notice with the person in charge of the facility and also mailing a copy to the licensee.
  - (3) If the licensee or the person in charge of the facility refuses to accept the notice, a notation of the refusal shall be written on the notice and a copy left at the facility.
    - (A) Under such circumstances, a copy of the notice shall also be mailed to the licensee.
- (e) The notice of deficiency shall be in writing and shall include:
- (1) A reference to the statute or regulation upon which the deficiency is premised.
  - (2) A factual description of the nature of the deficiency fully stating the manner in which the licensee failed to comply with specified statute or regulation, and the particular place or area of the facility in which it occurred.
  - (3) The plan developed, as specified in (d) above, for correcting each deficiency.
  - (4) A date by which each deficiency shall be corrected.
    - (A) In prescribing the date for correcting a deficiency, the evaluator shall consider the following factors:
      1. The seriousness of the deficiency.
      2. The number of residents affected.
      3. The availability of equipment or personnel necessary to correct the deficiency.
      4. The estimated time necessary for delivery and any installation of necessary equipment.

**87756 EVALUATION VISIT (Continued)****87756**

- (B) The evaluator shall require correction of the deficiency within 24 hours and shall specify on the notice the date by which the correction must be made whenever penalties are assessed pursuant to Sections 87761(c), (d) and (e).
- (C) The date for correcting a deficiency shall not be more than 30 calendar days following service of the notice of deficiency, unless the evaluator determines that the deficiency cannot be completely corrected in 30 calendar days. If the date for correcting the deficiency is more than 30 days following service of the notice of deficiency the notice shall specify action which must be taken within 30 calendar days to begin correction.
- (5) The amount of penalty which shall be assessed and the date the penalty shall begin if the deficiency is not corrected by the specific due date.
- (6) The address and telephone number of the licensing office responsible for reviewing notices of deficiencies for the area in which the facility is located.

**87759 FOLLOW-UP VISITS TO DETERMINE COMPLIANCE****87759**

- (a) A follow-up visit shall be conducted within 10 working days following the latest date of correction specified in the notice of deficiency, unless the licensee has demonstrated that the deficiency was corrected as required in the notice of deficiency. No penalty shall be assessed unless a follow-up visit is conducted.
- (b) If a follow-up visit indicates that a deficiency was not corrected on or before the date specified in the notice of deficiency, the evaluator shall issue a notice of penalty.
- (c) A notice of penalty shall be in writing and shall include:
  - (1) The amount of penalty assessed, and the date the payment is due.
  - (2) The name and address of the agency responsible for collection of the penalty.
- (d) When an immediate penalty has been assessed pursuant to Sections 87761(c), (d), (e) and (f) and correction is made when the evaluator is present, a follow-up visit is not required.

NOTE: Authority cited: Sections 1569.30 and 1569.49, Health and Safety Code. Reference: Sections 1569.33, 1569.335, 1569.35, 1569.485 and 1569.49, Health and Safety Code.

**87761 PENALTIES****87761**

- (a) A penalty of \$50 per day, per cited violation, shall be assessed for all serious deficiencies that are not corrected by the date specified in the notice of deficiency, up to a maximum of \$150 per day.
- (b) Notwithstanding Section 87761(a) above, an immediate penalty of \$100 per cited violation per day for a maximum of five (5) days shall be assessed if any individual required to be fingerprinted under Health and Safety Code Section 1569.17(b) has not obtained a California clearance or a criminal record exemption, requested a transfer of a criminal record clearance or requested and be approved for a transfer of an exemption as specified in Section 87355(e) prior to working, residing or volunteering in the facility.
  - (1) Subsequent violations within a twelve (12) month period will result in a civil penalty of one hundred dollars (\$100) per violation per day for a maximum of thirty (30) days.
  - (2) The Department may assess civil penalties for continued violations as permitted by Health and Safety Code Section 1569.49.
  - (3) Progressive civil penalties specified in Sections 87761(d) and (e) shall not apply.

**87761 PENALTIES (Continued)****87761**

- (c) Notwithstanding Section 87761(a) above, an immediate penalty of \$150 per day shall be assessed for any of the following:
- (1) Sickness, injury or death of a client has occurred as a result of the deficiency.
- (d) When a facility is cited for a deficiency and violates the same regulation subsection within a 12-month period, the facility shall be cited and an immediate penalty of \$150 per cited violation shall be assessed for one day only. Thereafter a penalty of \$50 per day, per cited violation, shall be assessed until the deficiency is corrected.
- (e) When a facility that was cited for a deficiency subject to the immediate penalty assessment specified in Section 87761(d) above violates the same regulation subsection within a 12-month period of the last violation the facility shall be cited and an immediate penalty of \$1,000 per cited violation shall be assessed for one day only. Thereafter, a penalty of \$100 per day, per cited violation, shall be assessed until the deficiency is corrected.
- (1) For purposes of Sections 87761(d) and (e) above, a regulation subsection is the regulation denoted by a lower-case letter after the main regulation number.

**HANDBOOK ENDS HERE**

- (f) If any deficiency is not corrected by the date specified in the notice of deficiency, a penalty shall be assessed for each day following that date until compliance has been demonstrated.
- (1) Immediate penalty assessments as specified in (c), (d) and (e) above shall begin on the day the deficiency is cited.
- (g) If a licensee or his/her representative reports to the licensing agency that a deficiency has been corrected, the penalty shall cease as of the day the licensing agency receives notification that the correction was made.
- (1) If the deficiency has not been corrected, civil penalties shall continue to accrue.
  - (2) If it can be verified that the correction was made prior to the date of notification, the penalty shall cease as of that earlier date.

**87761 PENALTIES (Continued)****87761**

- (h) If necessary, a site visit shall be made immediately or within five working days to confirm that the deficiency has been corrected.
- (i) If an immediate civil penalty is assessed and the deficiency is corrected on the same day, the penalty shall still be assessed for that day.
- (j) Unless otherwise ordered by the Department all penalties are due and payable upon receipt of notice for payment, and shall be paid only by check or money order made payable to the agency indicated in the notice.
- (k) The licensing agency shall have the authority to file a claim in a court of competent jurisdiction or to take other appropriate action for failure to pay penalties as specified in (j) above.

**87763 APPEAL PROCESS****87763**

- (a) A licensee or his/her representative may request in writing a review of a notice of deficiency, notice of penalty and/or health condition relocation order within 10 working days of receipt of the notice or order. This review shall be conducted by a higher level staff person other than the evaluator who issued the notice of deficiency, notice of penalty, and/or health condition relocation order.
  - (1) Additional review requirements pertaining to Incidental Medical Services are specified in Section 87639, Administrative Review - Health Conditions.
- (b) If the reviewer determines that a notice of deficiency or notice of penalty was not issued in accordance with applicable statutes and regulations of the Department, he/she shall amend or dismiss the notice. In addition, the reviewer may extend the date specified for correction of a deficiency if warranted by the facts or circumstances presented to support a request for extension.

**87764 SUSPENSION OF NEW ADMISSIONS****87764**

- (a) The Department may order a suspension of new admissions for a facility, as specified in Health and Safety Code Section 1569.545, in either of the following circumstances:
- (1) When a facility is cited for a deficiency that presents a direct and immediate risk to the health, safety, or personal rights of a resident or residents of the facility and the licensee fails to correct the deficiency immediately.
  - (2) When a facility has failed to pay a civil penalty (or penalties) assessed by the Department after the facility has exhausted the administrative review process specified in Health and Safety Code Section 1569.49.
- (b) The Department shall serve written notice to the licensee of the order of suspension of new admissions according to the following:
- (1) Personal delivery to the licensee at the facility site.
  - (2) If the licensee is not at the facility site, the notice shall be left with a person designated in the facility file to accept licensing reports. Under such circumstances, a copy of the notice shall also be mailed to the licensee.
  - (3) If the licensee or designated person refuses to accept the notice, a notation of the refusal shall be written on the notice and the notice shall be left at the facility. Under such circumstances, a copy of the notice, which includes a notation of the refusal, shall also be mailed to the licensee.
- (c) The notice of the order of suspension of new admissions shall include the following:
- (1) Citation of statutes and regulations alleged to be violated.
  - (2) The date the order is effective.
  - (3) Terms of the order, including plans of correction for any deficiency cited.
  - (4)
    - (A) In the case of a suspension pursuant to subsection (a)(1), a factual description of the nature of the deficiency fully stating the manner in which the deficiency presents a direct and immediate risk to the health, safety, or personal rights of a resident or residents of the facility.
    - (B) In the case of a suspension pursuant to subsection (a)(2), a factual description of the failure to pay the assessed fine and exhaustion of the administrative review process specified in Health and Safety Code Section 1569.49.
  - (5) Signature of the Program Administrator.
  - (6) Full text of the appeal process specified in Section 87765.

**87764 SUSPENSION OF NEW ADMISSIONS (Continued)****87764**

- (d) Upon service of the notice as described in subsection (b), the licensed facility shall post a copy of the notice in a conspicuous location in the facility.
- (e) The order of the Department imposing the suspension of new admissions is effective immediately upon notice. The facility shall not admit new residents while the suspension is in effect.
  - (1) For purposes of this section, any admission agreement signed prior to the effective date of the order of suspension of new admissions is not considered a new admission.
- (f) The suspension of new admissions for a facility shall remain in effect until the Department determines:
  - (1) In the case of a suspension pursuant to subsection (a)(1), the facility has demonstrated to the Department the correction of all deficiencies identified in the notice. If the facility does not demonstrate to the Department the correction of all deficiencies identified in the notice, the Department shall conduct a follow-up visit to determine compliance within ten (10) business days following the latest date of correction specified in the notice.
  - (2) In the case of a suspension pursuant to subsection (a)(2), the facility has paid the applicable civil penalty (or penalties) assessed by the Department. In the case where formal payment arrangements have been made with the Department, the suspension may be lifted during the period of payment compliance but otherwise reinstated for failure to comply with payment arrangements.
- (g) Once the Department has determined that the violation (or violations) has been corrected or fine (or fines) has been paid, as specified in subsection (f), the Department shall notify the licensee immediately, but no later than two (2) business days following the determination, of the order to remove the suspension of new admissions.
- (h) The Department may impose a Temporary Suspension Order, pursuant to Health and Safety Code Section 1569.50, if the licensee violates the order of suspension of new admissions by admitting any new resident while the order is in effect.

**87768 UNLICENSED FACILITY PENALTIES 87768**

- (a) A penalty of \$100 per day per resident shall be assessed for the operation of an unlicensed facility under either of the following conditions:
  - (1) The operator has not submitted a completed application for licensure within 15 calendar days of issuance of the Notice of Operation in Violation of Law pursuant to Section 87106.
    - (A) For purposes of this section, an application shall be deemed completed if it includes the information required in Section 87155, Application for License.
    - (B) The completed application shall be deemed to be submitted when received by the licensing agency.

**87768 UNLICENSED FACILITY PENALTIES (Continued)****87768**

- (2) Unlicensed operation continued after denial of the initial application.
  - (A) Notwithstanding any appeal action, facility operation must cease within 10 calendar days of the mailing of the notice of denial or upon receipt of the denial notice by the operator, whichever occurs first.
- (b) A \$200 per day per resident penalty shall be assessed for the continued operation of an unlicensed facility as follows:
  - (1) On the 16<sup>th</sup> calendar day after the operator has been issued the Notice of Operation in Violation of Law, and has not submitted a completed application as required.
    - (A) The \$200 per day per resident penalty shall continue until the operator ceases operation, or submits a completed application pursuant to Sections 87768(a)(1)(A) and (B).
  - (2) Within 10 calendar days of the mailing of the notice of denial or upon receipt of the denial notice by the operator, whichever occurs first.
    - (A) The \$200 per day per resident penalty shall continue until the operator ceases operation.
- (c) If the unlicensed operator or his/her representative reports to the licensing agency that unlicensed operation, as defined in Section 1569.44 of the Health and Safety Code, has ceased, the penalty shall cease as of the day the licensing agency receives the notification.
  - (1) A site visit shall be made immediately or within five working days to verify that the unlicensed facility operation has ceased.
  - (2) Notwithstanding (c) above, if the unlicensed facility operation has not ceased, penalties shall continue to accrue without interruption from the date of initial penalty assessment.
- (d) All penalties shall be due and payable upon receipt of the Notice of Payment from the licensing agency, and shall be paid by check or money order made payable to the agency indicated in the notice.
- (e) The licensing agency shall have the authority to file a claim in a court of competent jurisdiction or to take other appropriate action for failure to pay penalties as specified in (d) above.

Health and Safety Code section 1569.1515(c) provides:

"(c) The department may revoke the license of any corporate licensee that has a member of the board of directors, the executive director, or an officer who is not eligible for licensure pursuant to Sections 1569.16 and 1569.59."

Health and Safety Code section 1569.50 provides in part:

"(a) The department may deny an application for a license or may suspend or revoke a license issued under this chapter upon any of the following grounds and in the manner provided in this chapter:

- (1) Violation by the licensee of this chapter, or of the rules and regulations adopted under this chapter.
- (2) Aiding, abetting or permitting the violation of this chapter or of the rules and regulations adopted under this chapter.
- (3) Conduct that is inimical to the health, morals, welfare, or safety of either an individual in or receiving services from the facility or the people of the State of California.
- (4) The conviction of a licensee, or the other person mentioned in Section 1569.17 at any time before or during licensure, of a crime as defined in Section 1569.17.
- (5) Engaging in acts of financial malfeasance concerning the operation of a facility, including, but not limited to, improper use or embezzlement of client moneys and property or fraudulent appropriation for personal gain of facility moneys and property, or willful or negligent failure to provide services for the care of clients."

Health and Safety Code section 1569.686(c) provides in pertinent part:

"(c) . . . If a resident is relocated without the notification required by this section, and suffers transfer trauma or other harm to his or her health or safety, the department may also suspend or revoke the licensee's license and issue a permanent revocation of the licensee's ability to operate or act as an administrator of a facility anywhere in the state. Suspension or revocation proceedings pursuant to this subdivision shall be conducted in compliance with Section 1569.51."

(3) Been denied an exemption to work or to be present in a facility, when that person has been convicted of a crime as defined in Section 1569.17.

(4) Engaged in any other conduct which would constitute a basis for disciplining a licensee.

(5) Engaging in acts of financial malfeasance concerning the operation of a facility, including, but not limited to, improper use or embezzlement of client moneys and property or fraudulent appropriation for personal gain of facility moneys and property, or willful or negligent failure to provide services for the care of clients.

(b) The excluded person, the facility, and the licensee shall be given written notice of the basis of the department's action and of the excluded person's right to an appeal. The notice shall be served either by personal service or by registered mail. Within 15 days after the department serves the notice, the excluded person may file with the department a written appeal of the exclusion order. If the excluded person fails to file a written appeal within the prescribed time, the department's action shall be final.

(c)(1) The department may require the immediate removal of a member of the board of directors, an executive director, or an officer of a licensee or exclusion of an employee, prospective employee, or person who is not a client from a facility pending a final decision of the matter, when, in the opinion of the director, the action is necessary to protect residents or clients from physical or mental abuse, abandonment, or any other substantial threat to their health or safety.

(2) If the department requires the immediate removal of a member of the board of directors, an executive director, or an officer of a licensee or exclusion of an employee, prospective employee, or person who is not a client from a facility the department shall serve an order of immediate exclusion upon the excluded person that shall notify the excluded person of the basis of the department's action and of the excluded person's right to a hearing.

(3) Within 15 days after the department serves an order of immediate exclusion, the excluded person may file a written appeal of the exclusion with the department. The department's action shall be final if the excluded person does not appeal the exclusion within the prescribed time. The department shall do the following upon receipt of a written appeal:

- (A) Within 30 days of receipt of the appeal, serve an accusation upon the excluded person.
- (B) Within 60 days of receipt of a notice of defense by the excluded person pursuant to Section 11506 of the Government Code, conduct a hearing on the accusation.
- (4) An order of immediate exclusion of the excluded person from the facility shall remain in effect until the hearing is completed and the director has made a final determination on the merits. However, the order of immediate exclusion shall be deemed vacated if the director fails to make a final determination on the merits within 60 days after the original hearing has been completed.
- (d) An excluded person who files a written appeal of the exclusion order with the department pursuant to this section shall, as part of the written request, provide his or her current mailing address. The excluded person shall subsequently notify the department in writing of any change in mailing address, until the hearing process has been completed or terminated.
- (e) Hearings held pursuant to this section shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Division 3 of Title 2 of the Government Code. The standard of proof shall be the preponderance of the evidence and the burden of proof shall be on the department.
- (f) The department may institute or continue a disciplinary proceeding against a member of the board of directors, an executive director, or an officer of a licensee or an employee, prospective employee, or person who is not a client upon any ground provided by this section. The Department may enter an order prohibiting any person from being a member of the board of directors, an executive director, or an officer of a licensee, or prohibiting the excluded person's employment or presence in the facility, or otherwise take disciplinary action against the excluded person, notwithstanding any resignation, withdrawal of employment application, or change of duties by the excluded person, or any discharge, failure to hire, or reassignment of the excluded person by the licensee or that the excluded person no longer has contact with clients at the facility.
- (g) A licensee's failure to comply with the department's exclusion order after being notified of the order shall be grounds for disciplining the licensee pursuant to Section 1569.50.
- (h)(1)(A) In cases where the excluded person appealed the exclusion order and there is a decision and order of the department upholding the exclusion order, the person shall be prohibited from working in any facility or being licensed to operate any facility licensed by the department or from being a certified foster parent for the remainder of the excluded person's life, unless otherwise ordered by the department.

- (c) Continuing Education Training Program vendor approval shall expire two (2) years from the date the vendorship is approved by the Department.
- (d) A written request for renewal of the Continuing Education Training Program vendorship shall be submitted to the Department's Administrator Certification Section using the Vendor Application/Renewal form LIC 9141, and shall contain the information and processing fee specified in Section 87788(b).
  - (1) A continuing education vendor must have one or more current approved Residential Care Facilities for the Elderly continuing education courses in order to renew its Residential Care Facilities for the Elderly continuing education program vendorship.
- (e) If a request for approval or renewal of a Continuing Education Training Program vendorship is incomplete, the Department shall, within thirty (30) days of receipt, give written notice to the vendor applicant that:
  - (1) The request is deficient, describing which documents or information are outstanding and/or inadequate and informing the vendor applicant that the information must be submitted within thirty (30) days of the date of the notice.
- (f) If the vendor applicant does not submit the requested information within thirty (30) days, the request for approval or renewal shall be deemed withdrawn, provided that the Department has not denied or taken action to deny the request.
- (g) Within thirty (30) days of receipt of a complete request for an approval or renewal, the Department shall notify the vendor applicant in writing whether the request has been approved or denied.
- (h) Continuing Education Training Program vendors shall:
  - (1) Issue certificates of completion to participants who successfully complete the program.
    - (A) The certificate of completion shall be signed by the vendor or its authorized representative and include the approved vendor's name and vendor number, the approved course name and course number, the approved course hours, and the date(s), time(s) and location(s) of the course(s).
  - (2) Maintain and ensure that records are available for review by Department representatives. Records shall be maintained for three (3) years from the date of vendorship approval, course approval, or course offering, whichever is applicable and most recent. The records shall include the following:

VENDOR REQUIREMENTS (Continued)****87788**

- (i) Courses approved for continuing education credit shall require the physical presence of the certificate holder in a classroom setting as defined in Section 87701(c)(7), except that:
  - (1) The Department may approve online courses pursuant to Health and Safety Code section 1569.616(i)(2) where the technology permits the interactive participation of the certificate holder and such participation is verifiable. Interactive online training courses require the participant to respond to prompts and receive feedback at various intervals throughout the course in order to progress through the training and to successfully pass a test at the conclusion of the course in order to receive a certificate of completion for the course.
    - (A) A Webinar or similar type of live broadcast of a training course may be approved by the Department for online continuing education hours pursuant to Health and Safety Code section 1569.616(i)(2)(B) where the technology permits interactive participation of the certificate holder and such participation is verifiable, and where it can be verified that the certificate holder was logged on and interacting throughout the entire length of the Webinar.
    - (B) All online training courses shall be designed to ensure participation for the actual number of hours approved and to ensure that participants cannot print a certificate of completion until the approved course hours have been completed.

**HANDBOOK BEGINS HERE**

Health and Safety Code section 1569.616(i)(2) provides that:

"(A) A vendor of online programs for continuing education shall ensure that each online course contains all of the following:

(i) An interactive portion where the participant receives feedback, through online communication, based on input from the participant.

(ii) Required use of a personal identification number or personal identification information to confirm the identity of the participant.

(iii) A final screen displaying a printable statement, to be signed by the participant, certifying that the identified participant completed the course. The vendor shall obtain a copy of the final screen statement with the original signature of the participant prior to the issuance of a certificate of completion. The signed statement of completion shall be maintained by the vendor for a period of three years and be available to the department upon demand. Any person who certifies as true any material matter pursuant to this section that he or she knows to be false is guilty of a misdemeanor.

(B) Nothing in this subdivision shall prohibit the department from approving online programs for continuing education that do not meet the requirements of subparagraph (A) if the vendor demonstrates to the department's satisfaction that, through advanced technology, the course and the course delivery meet the requirements of this section."
